2. **Lokoja - Abuja Road Diversion:**
Hon. Asema Sadiq Mohammed:
The House:

Notes the flood that has badly affected Kogi and other States in Nigeria in the recent time;

Further notes the disastrous consequences and untold hardships it has caused motorists or commuters and the people passing through Lokoja - Abuja road;

Aware that the Federal Government has through the Honourable Ministers of Works and Environment visited Kogi State and announced the diversion of the said road to an alternative emergency road constructed;

Further aware that people from all works of life ply through the road as a matter of course;

Worried that the said emergency road is not only too bad but impassable as many users spend hours, days and nights to cross the road with just a little distance of about a kilometre;

Further worried that the emergency road constructed by the Federal Government is not only narrow and winding but badly constructed and untarred with several potholes and dangerous bends;

Concerned that this deplorable State of the road has affected economic, social activities of Nigeria and Kogi State in particular;

Further concerned that Sallah, Christmas and New year celebrations are at the corner, and these festivals will attract heavy vehicular movements and road usage.

Resolves to:

(*i*) Urge Federal Ministry of Works and other relevant agencies to make urgent repairs properly on the road to allow easy access;

(*ii*) further urge Road Safety Commission to deploy more Officers to the road to assist commuters.
