National Directorate of Employment
Sen. Victor Ndoma-Egba, CON, SAN, *(Senate Leader)*
"That the Senate do Receive the Report of the Auditor-General for the Federation, on the Audited Accounts (Consolidated) of the National Directorate of Employment for the Year Ended 31st December, 2008 in accordance with Section 85(3) of the 1999 Constitution of the Federal Republic Of Nigeria".

ORDERS OF THE DAY

MOTION

1. Communal Clash Between Echenwo/Odeke in Ibaji Local Government Area of Kogi State and the people of Enugu-Otu Aguleri in Anambra East Local Government Area of Anambra State.
Sen. Atai Aidoko Ali *(Kogi East)*

THE SENATE;
Notes with serious concern, the outbreak of hostilities between Kogi and Anambra states communities on Wednesday the 17th April, 2013;

NOTES also that the two communities have been on each other following the discovery of crude oil in what is known as the Anambra basin which geographically covers parts of Kogi, Enugu and Anambra States;

OBSERVES that the hostilities came to a climax when the two communities engaged themselves in a bloody clash with more than six persons from Ibaji Local Govt. Area reportedly killed by invaders from Anambra State.;

OBSERVES also that this communal clash is a reminder of past incidents such as occurred in Modakeke/Ife and Aguleri/Umuleri which left a sour taste in the mouth of the country that has a lot to do with its time and resources rather than settling one needless dispute or the other;

AWARE that the emerging feud is not a cheap fight by any consideration because it is war over crude oil, not just communal clash over piece of land or farm. Crude oil has huge price tag that would easily attract mercenaries to fight for money on both sides this would certainly take the crises out of control of the disputants and even over stretch the resources and the security agencies;

PRINTED BY NATIONAL ASSEMBLY PRESS, ABUJA

AWARE also that there are reports that mercenaries are being prepared for a final showdown. Monsters that would be bred from the mercenaries would be out of control of those who are recruiting them now and for many years after the crises, they would remain source of evil manpower recruitment for terrorist, kidnappers and other militia that would need their services;

CONVINCE that this crisis would mean a reduction in the Nigeria's oil revenue on which the national budget is principally based;

CONCERNED that this clash and crises is wrong and is an addition to the nation's security problems which are at a high pitch in some parts of the country.

Accordingly Resolves to

i. *CONDEMN* the killings in very strong terms

ii. *URGE* the Federal Government to create a buffer zone between the two states until the crisis is resolved.

iii. *DEPLOY* Military Joint Task Force to protect the lives and properties of the people of the Communities.
