Question that the House do suspend Order VIII, Rule 46 (3) *to enable it debate the matter forthwith, put and agreed to.*

Incessant Attacks on Attakar Villages and Other Communities in Southern Kaduna State by Gunmen Resulting in Deaths, Injuries and Destruction:

The House:

Notes that since 2011 various communities in the Southern part of Kaduna State have been targets of attacks by gunmen causing deaths, injuries and destructions;

Further notes that the attacks have led to losses of livelihood of the affected communities, created fear among the residents thereby causing economic stagnation;

Still notes that in the last week of March 2013, gunmen suspected to be Fulanis attacked the people of Attakar communities in three villages and members of the National Assembly visited the refugee camps for the survivors to commiserate with them over the attacks and subsequently relief materials were distributed by National Emergency Management Commission (NEMA) and others;

Aware that as part of steps to curtail the situation some military men were deployed to the affected areas;

Further aware that in spite of the presence of the military men in a portion of the Attakar community, the gunmen struck again on the 13 and 14 May, 2013 in a different part of the community and killed 12 people, with many others injured and several houses burnt;

Also aware that the said serial attacks on Attakar communities has spread fear and trepidation to all other southern Kaduna villages;

Still aware that the Attakar tribe is a small tribe and the frequent attacks on their villages will lead to their annihilation.

Resolves to:

(*i*) Observe a minute silence for the repose of the souls of the deceased victims of the attacks;

(*ii*) urge the Federal Government and Kaduna State Government to increase security presence in the attacked areas;

(*iii*) further urge the security agents to intensify efforts to apprehend the insurgents/terrorist so as to bring them to justice;

(*iv*) also urge the National Emergency Management Commission (NEMA) to provide relief materials to the surviving victims (*Hon. Simon Y. Arabo — Kauru Federal Constituency*).

A minute silence was observed in honour of the deceased.

(*ii*) Also citing Standing Order VIII, Rule 46, Hon. Chinda Kingsley (*Obio/Akpor Federal Constituency*) called the attention House to the ongoing strike action by the Academic Staff Union of Polytechnics (ASUP) over wages and better conditions of service. He stressed the urgent need to resolve the problem in order to avoid further disruptions of academic activities. He therefore urged the House to consider the matter as one of urgent public importance and to suspend Order VIII, Rule 46 (3) to enable it debate the matter forthwith.

Question that the matter be considered as one of urgent public importance, put and agreed to.

Question that the House do suspend Order VIII, Rule 46 (3) *to enable it debate the matter forthwith, put and agreed to.*

Urgent need to intervene in the strike by Academic Staff Union of Polytechnics (ASUP):

The House:

Notes with great concern and dismay the recurring strikes in our Nation's Universities, Polytechnics, and Colleges of Education;

Also notes that the incidence of strikes which began in the nation's tertiary institutions in the early 1990s is presently on the increase and has resulted in loss of academic sessions, poor quality and low turnover of graduates and by extension affected the socio-economic development of the country;

Aware that education is of great significance in the development of any nation, thus Section 18 (1) of the Constitution of the Federal Republic of Nigeria, 1999 provides for the educational objectives of the State towards its citizens;

Also aware that Section 13 of the Constitution of the Federal Republic of Nigeria, 1999 empowers all organs of government and all authorities and persons exercising legislative, executive or judicial powers to conform to, observe and apply the Educational Objectives as enshrined in the Constitution of the Federal Republic of Nigeria, 1999;

Further aware that in recent times, there has been unprecedented strikes by various bodies like the Academic Staff Union of Universities (ASUU); Academic Staff Union of Polytechnics (ASUP); Non-Academic Staff Union of Universities (NASU) amongst other bodies that operate in Universities and Polytechnic across the country and presently, the Academic Staff Union of Polytechnics has embarked on another nation-wide strike over wages and better conditions of service;

Concerned that the recurring nature of these strikes in the Nation's Universities, Polytechnics and Colleges of Education has continued unabated and government's effort so far in addressing the problem have been merely palliative and for the most part very ineffective as it does not seem to have a sustainable solution on how best to curb or deal with the problem;

Worried that unless and until positive and permanent or sustainable steps and efforts are taken to curb the incessant strikes in our Universities, Polytechnics and Colleges of Education, students, parents, guardians and well-meaning Nigerians would continue to be despondent and negatively affected;

Also worried that the present strike by ASUP if not immediately checked would again ground academic activities indefinitely in virtually all the Polytechnics across the country and further compound the sufferings faced by students and parents/guardians alike.

Resolves to:

(*i*) Urge the Federal Ministry of Education and other relevant agencies and institutions to urgently come up with a lasting solution that would adequately address the problem once and for all and forestall any further disruption of academic activities in our Universities and Polytechnics;

(*ii*) mandate the Committee on Education to investigate the causes of the strike and ensure immediate resolution of the problem and report to the House within three weeks for further legislative action (*Hon. Chinda Kingsley — Obio/Akpor Federal Constituency*).

Debate:

Amendment Proposed:
Leave out all the words in Prayer (*ii*) (*Hon. Abubakar Momoh — Etsako East/West/Central Federal Constituency*).

Question that the amendment be made, put and agreed to.

Main Question as amended, out and agreed to.
