The Senate passed same with some differences;

The two Chambers met in Conference on Thursday, 21 March, 2013 and adopted a harmonised version of the Bill;

2. **Killings in Magama, Bolgang and Karkashi Communities in Langtang South Federal Constituency: Hon. Beni Lar:**

The House:

Notes that the Constitution of Nigeria guarantees the right to life for every Nigerian citizen and this right is sacred;

Further notes that there has been an upsurge of loss of lives in Nigeria and particularly in Langtang North and South;

Aware that on the 27th of June, 2013, the communities of Magama, Bolgang and Karkashi in Langtang South Federal Constituency were brutally attacked by normadic herdsmen killing about 70 persons comprising of the elderly, women and children. Over 100 homes were destroyed and 7,000 people displaced;

Further aware that a similar attack on some communities in Riyom/Barkin Ladi Federal Constituency sometime last year by normadic herdsmen led to the loss of lives of Senator Gyang Dantong and Hon. Gyang Fulani;

Concerned that the incessant attacks have become a recurring situation in both Langtang North and South with the recent incident being the most deadly and vicious of all the previous attacks;

Further concerned that Nigeria has over 5000 soldiers spread across the African continent in various peace keeping missions but not enough soldiers and security personnel to protect innocent lives from internal attacks in crisis prone areas;

Worried that despite prior information on the planed attacks, the Special Task Force (STF) failed to put in place adequate measures to forestall them;

Further worried that the Special Task Force failed to appear at the scene until 6 hours after the operation was over;

Disturbed that the unmotorable terrain leading to the affected communities has been blamed as being responsible for the failure of the security personnel to arrive on time.

Resolves to:

(*i*) Condemn the killings of innocent lives and the destruction of properties in Langtang South;

(*ii*) urge the National Emergency Management Agency (NEMA) to visit the sites and provide relief materials;

(*iii*) mandate the Committee on Defence to check the activities of the Special Task Force in Langtang North/South Local Government Areas;

(*iv*) further mandate the Committee on Police Affairs to ensure the completion of the Kadarko Police Mobile Barrack which will strengthen security presence in the area;

(*v*) further urge the Federal Government to set up a panel to address the growing incidences of attacks on citizens by normadic herdsmen with a view to curbing it;

(*vi*) also mandate the Committee on Works to ensure the completion of the Sabon-Gida to Ibi road linking Langtang South to Taraba State to open up access and reduce vulnerability of the communities.
