ORDERS OF THE DAY

MOTION

1. **Need to Prevail on the Nigerian Agip Oil Company (NAOC) to Pay Compensations to 25 Oil-Spillage-Impacted Communities of Ndokwa East Local Government Area of Delta State: Hon. Ossai Nicholas Ossai:**

The House:

Notes that in October 2012, the Nigerian Agip Oil Company's Kwali/Akiri pipeline, lying along the Agwetti Right of Way ruptured, and spilled unquantifiable volumes of crude oil into the creeks and the high tidal waters of the flood ravaged coastal communities;

Further notes that the communities devastated by the oil spillage include Ise-Ndupu, Ise-Onukpor, Onyaku, Ngbakor, Ikashika, Aboh and Nineteen (19) other Communities;

Observes that the spillage destroyed vast areas of cultivated farmlands, aquatic lives, fishing nets as well as contaminated drinking water sources;

Further observes that a post-impact assessment conducted by representatives of the Department of Petroleum Resources (DPR), National Oil Spill Detection and Response Agency (NOSDRA), Nigeria Agip Oil Company (NAOC) and the communities revealed as implied in the "Field Joint Investigation Report" with reference number 2012/LAR/215/401 that the Nigerian Agip Oil Company (NAOC) Ltd failed in its core duty to plan and implement appropriate mitigation measures to contain the resultant damages;

Worried that in the negotiations that would have led to the payment of compensations, the Nigeria Agip Oil Company (NAOC) trivialized the fundamental issues at stake by offering a paltry ₦500,000.00 to each of the impacted communities which were promptly rejected;

Also worried that following the rejection of its preliminary offer, the Nigeria Agip Oil Company (NAOC), backed-out from further negotiations and consequently abdicated its statutory responsibility to pay a fair and adequate compensation to the impacted communities;

Further worried that the massive damage to the affected communities which has been estimated at about One Billion Naira is yet to be mitigated, besides the health implications of the pollution on the rural dwellers.

Resolves to:

Mandate the Committee on Petroleum Resources (Upstream) to investigate the claims and where necessary, prevail upon the Nigeria Agip Oil Company (NAOC) for payment of fair and adequate compensations to the affected Communities and to report to the House within four (4) weeks.
