ORDERS OF THE DAY

MOTIONS

1. **Extension of the period for the Proclamation of a State of Emergency (Certain States of the Federation) Proclamation, 2013:**
Hon. Mulikat Akande-Adeola:

The House:

Notes that on Tuesday, 21 May, 2013, the House considered and adopted the report on the State of Emergency (Certain States of the Federation) Proclamation, 2013 by majority votes of 253 Members;

Further notes that the Emergency Powers (General) Regulations, 2013 covered the North Eastern States of Adamawa, Borno and Yobe;

Aware that by virtue of the provisions of Section 305 (6) (*c*) of the Constitution of the Federal Republic of Nigeria, 1999, the proclamation will elapse after a period of Six months from the date of approval, except the period is extended by the National Assembly;

Further aware that Mr President, in a letter to the House on 12 November, 2013, provided a detailed Report by the Chief of Army Staff on the current security situation in the affected States;

Recognizing the efforts so far made by the Security personnel deployed to the affected areas in curtailing the activities of insurgents and some security challenges that still exist in some parts of the affected areas;

Cognizant of the provision of Section 305 (6) (*c*) which states, *inter alia*;

> "*Provided that the National Assembly may, before the expiration of the period of six months aforesaid, extend the period for the proclamation of the State of Emergency to remain in force from time to time for a further period of Six months by resolution passed in like manner*".

Resolves to:

Invite the Service Chiefs to brief the House on Thursday, 14 November, 2013 on the current security situation in the affected States.

3. **Contracting the Management of the Nation's Sovereign Wealth Fund to Foreign Professionals and the Inherent Conflict of Interests therein:**
Hon. Femi Gbajabiamila:

The House:

Notes recent reports that three foreign financial institutions namely, Goldman Sachs, UBS and Credit Swiss had been appointed to manage the Nigerian Sovereign Wealth Fund;

Further notes that the Managing Director of the Sovereign Wealth Investment Authority (SWIA) and the initiator of the Sovereign Wealth Fund are former Employees of UBS and Goldman Sachs respectively, whichy are among the foreign firms appointed to manage the Fund;

Concerned that the appointment of foreign Financial Institutions to manage Nigerian Sovereign Wealth Fund amounts to entrusting Nigeria's savings, wealth, economic sovereignty and security in the hands of foreigners;

Further concerned that the appointment of UBS and Goldman Sachs amounts to a conflict of interests as the Managing Director of the Nigerian Sovereign Investment Authority (NSIA) and the Initiator, who is a former Minister of Finance, Mr Olusegun Aganga are former employees of the two respective institutions, contrary to the Code of Conduct in the Fifth Schedule, Part I of the Constitution of the Federal Republic of Nigeria, 1999;

Also concerned that the Governing Council, which was established by an Act of the National Assembly to advise the Sovereign Wealth Investment Authority (SWIA) on matters pertaining to the Fund was inaugurated only a few weeks ago, long after the foreign firms had been appointed, thus leaving the House in doubt as to the transparency of the process that led to their appointments;

Certain that the action taken by the Nigerian Sovereign Investment Authority (NSIA), if not given a second thought may go a long way in empowering foreign institutions against their Nigerian counterparts, and further entrust Nigeria's economic sovereignty and security in the hands of foreigners; a situation that would be too dangerous for the nation's economic security.

Resolves to:

Mandate the Committee on Finance to carry out an Investigative Hearing to determine the risks, if any, that may arise from the appointment of foreign institutions to manage the Nigerian Sovereign Wealth Fund and report back to the House in 2 weeks.

3. **Need to Construct a 1,321 Sub-Station in Gwaram Local Government Area of Jigawa State:**
Hon. Yusuf Shitu Galambi:

The House:

Aware that without adequate and stable supply of electricity which distinguishes modern civilization from the Stone Age, better living condition would continue to elude the people as they can hardly engage in any meaningful and sustainable economic activity to better their lots;

Concerned that a situation whereby people are left without electricity supply for upwards of 30-40 days portends a grave threat to their socio-economic activities;

Worried that Gwaram, which is one of the most populated Local Government Areas, with the highest number of electricity consumers and largest land mass in Jigawa State has been without electricity for a long period, resulting to a complete halt in economic transactions, thereby lowering the living standards of the people and increasing the spate of insecurity;

Convinced that the construction of a 132KV Sub-Station in Gwaram will ameliorate the suffering of the people and address the prevailing perennial blackout;

Further convinced that the construction of a 132KV Sub-station in Gwaram would have a multiplier effect on neighboring Ningi, Wariji, Darazo, Giyade, Shira,BirninKudu, Buji, Jama'are, Garijuwa and Misau Local Governments of Jigawa and Bauchi States.

Resolves to:

(*i*) Urge the Federal Ministry of Power to construct a 132KV Sub-Station in Gwaram as a remedial measure to the current challenges;

(*ii*) further urge the Kano Distribution Company to urgently improve and increase electricity supply to Gwaram to enable the people have a taste of civilization.
