PRESENTATION OF REPORT

Committee on Rules and Business
Hon. A. T. Sam-Tsokwa:
"That this House do receive the Report of the Committee on Rules and Business on the further Review of the Standing Orders of the House of Representatives".

ORDERS OF THE DAY

MOTION

1. **Non-Implementation of the Resolution of the House of Representatives urging the Department of Petroleum Resources to Reinstate Mr Arthur Onoviran:**
Hon. Leo Ogor:

The House:

Notes that Mr Arthur Onoviran wrote a petition to the House on his premature/wrongful disengagement from the Department of Petroleum Resources (DPR) and his petition was duly presented;

Aware that the House appropriately referred the petition to the Committee on Public Petitions which treated it and recommended that the Department of Petroleum Resources (DPR) be urged to revisit the case of the petitioner and re-instate him appropriately;

Further aware that the Committee of the Whole considered the report of the Committee on Public Petitions and upheld the recommendation;

Regrets that the Department of Petroleum Resources (DPR) has failed to comply with the Resolution by flagrantly refusing to reinstate the petitioner since September 25, 2012 when the House passed the Resolution;

Concerned that the Department of Petroleum Resources (DPR) has in the same vain refused to obey the letter of the House Committee on Legislative Compliance urging it to comply with the resolution of the House;

Convinced that unless the House takes urgent steps to put an end to the way and manner Ministries, Departments and Agencies (MDAs) of Government treat House Resolutions with levity and nonchalance, members of the public could lose confidence in the House;

Resolves to:

Summon the Director of the Department of Petroleum Resources (DPR) to appear before the House to explain the reason for refusing to comply with the resolution of the House.
