ORDERS OF THE DAY

MOTIONS

1. Institutionalization of the African Legislative Forum
Senator Victor Ndoma-Egba, SAN, CON *(Senate Leader).*

The Senate,

Recalls that the 1st African Legislative Summit held at the International Conference Centre, Abuja from 10th - 13th November, 2013 was a huge success;

Observes that the main objective of the African Legislative Summit is to create an opportunity for participants to share practical experiences and brainstorm on new ideas, concepts, techniques and tools of modern management and administration of legislative institutions and practices;

Concerned that the laudable gains of the Summit may fizzle out if concrete structures are not put in place to build on the successes, the Special Meeting of the Heads of Delegation and summit participants endorsed the proposal to institutionalize the summit as a "Forum";

Acknowledges the existence of legally constituted parliamentary bodies in Africa but identifies a gap in the extent of interactions with governance actors, hence the need for a platform whose focus, methodology and participation will widen and enhance the scope of interaction among parliaments and other governance actors through an agreed collaborative framework that will compliment the work of other parliamentary bodies with the overall objective of deepening democracy in the continent;

PRINTED BY NATIONAL ASSEMBLY PRESS, ABUJA

Notes that the National Institute for Legislative Studies (NILS) Abuja was mandated by the Meeting of Heads of Delegation to coordinate and facilitate the national level consultations with all African Inter-parliamentary organizations at the continental, regional and sub-regional levels and to prepare a detailed conceptual note on institutionalization of the proposed Africa Legislative Forum;

Notes further that a memorandum on the institutionalization of the Forum with permanent secretariat at the National Institute for Legislative Studies (NILS) Abuja has been written and forwarded to Heads of African Parliaments to secure the endorsement of the plan by respective National Parliaments;
Mindful of the existence of other parliamentary bodies in the continent, the proposed institutionalization of the summit does not seek to rival any existing parliamentary body in Africa nor create any legal framework for the establishment of any such body but only seeks to put measures in place to ensure continued organization of the Forum to sustain its laudable goals and to synergize with other parliamentary bodies;

Convinced that Institutionalization of the Forum is a potential platform for regular interaction and exchange of ideas at the continental level and will create an enabling environment for African Legislatures to engage other stakeholders in order to enhance on a sustained basis, the capacity of legislators to take leadership role in deepening democracy and good governance in Africa;

Accordingly resolves to:

i. Lay the memorandum written to the Heads of African Parliaments on the institutionalization of the African Legislative Forum before the Senate.

ii. Support the institutionalization of the forum and its structures to ensure its continuous existence and organization to enable the forum complement the activities of existing parliamentary bodies by enhancing parliament-civil society engagement through agreed collaborative frame work.

iii. Urge the Senate to consider and approve the memorandum.
