Notes that there are Federal Government Secondary Schools that do not have parameter fences in present day Nigeria;

Concerned about the danger, the absence of parameter fences poses to the innocent students of those schools;

Recalls a report in the Daily Champion Newspaper of October 27, 2011, where hoodlums forced their way into the hostel of St Anne's Secondary School, Molete, Ibadan, Oyo State, at about 2.00 a.m. and raped four (4) young female students to the point of coma;

Also recalls another report in the Daily Trust Newspaper of October 13, 2012 which was titled, "Armed Robbers Attack Girls' School in Kano";

Disturbed by the pervasive nature of the absence of fences around these Public Secondary Schools, especially those located in the rural areas;

Resolves to:
