8. Matter(s) of Urgent Public Importance
9. Personal Explanation

ORDERS OF THE DAY

MOTIONS

1. **Urgent Need to Complete and Commission the Northern Ishan Water Supply Scheme: Hon. Friday Itulah:**

The House:

Notes that the Northern Ishan Water Supply Scheme was first awarded in 2005 for the sum of 2.2 Billion Naira and further reviewed upwards in 2009 to a total sum of 2.4 Billion Naira only;

Further notes that the project was designed to supply portable water and alleviate community and socio-economic needs of the people of Esan North East/South East Federal Constituency of Edo State;

Aware that the water scheme was scheduled to be commissioned in 2012 by the Vice President but this was aborted due to the protest for the insufficient water reticulation in the community hosting the water in-take plant which led the Federal Ministry of Water Resources to appropriate in 2012 through Owena River Basin Development Authority for the reticulation to DADIM Integrated Concepts Limited for the sum of ₦170 million which sum was never released;

Further aware that the non releases of the sum of 170 million Naira by Owena River Basin Development Authority to DADIM for the reticulation, 130 Million Naira for outstanding payment. compensation, revitalization of equipments by the Ministry to CGC (the main contractor) has hindered the commissioning of the project till date:

PRINTED BY NATIONAL ASSEMBLY PRESS, ABUJA

Worried that the none release of just 300 million Naira only is what has held the utilization of this all important project to the people of Esan North East/South East Federal Constituency;

Concerned that it does not make any economic or social sense to abandon a project for which the Federal Government has spent a whopping sum of 2.4 Billion Naira and has been ongoing since 2005;

Further concerned that the non-completion, commissioning and utilization of the Northern Ishan Water Supply Scheme has led to a situation where the pipes are decaying while the people of Esan North East/South East still suffer and are in dire need of pipe bore water supply;

Resolves to:

Urge the Federal Ministry of Water Resources to as a matter of urgency source for the sum of 250 million Naira for the immediate completion, commissioning and utilization of the project or put necessary steps in place to ensure its inclusion in the 2015 Appropriation Act.

2. **Urgent Need to save Ekiti State Judiciary from further Assault:**
Hon. Ifeoluwa Arowosoge:

The House:

Notes that on Monday, 22 September, 2014, thugs in their hundreds invaded and sacked a High Court in Ado-Ekiti while hearing was in progress in a case filed sometime in May 2014 by E-ll, a pressure group based in Ekiti State;

Also notes that a senior Judge, Justice Isaac Ogunyemi, was beaten up by the thugs, who also tore his court records and smashed the window louvres of the court room;

Further notes that on Thursday of the same week, being 25th of September, 2014, another Judge, Justice John Adeleye was also beaten, dragged on the floor with his official regalia torn, while other judicial officers, lawyers, litigants as well as journalists were equally intimidated by the thugs;

Worried that these scandalous assaults took place in the full glare of law enforcement agents who did not attempt to prevent the assaults on the Judges and other judicial officers;

Also worried that the failure of the security agents to deal appropriately with the invasion of the courts had occasioned the avoidable escalation of violence, leading to the unfortunate loss of life, later in the week, of Chief Omolafe Aderiye, former chairman of the National Union of Road Transport Workers (NURTW) in the State, and properties worth millions of Naira destroyed by the rampaging thugs;

Concerned that the violence which erupted at the State High Court grounded all activities in the other courts, including the Magistrate Courts, Federal High Court, Court of Appeal and even the Election Petitions Tribunal, all of which are located in the same premises;

Also concerned that the independence of the Judiciary, which should be an inviolable tenet of any democracy, is being threatened by assaults and intimidation of Judges and other Judicial Officers:

Resolves to:

(*i*) Condemn, in its entirety, the barbaric action of the thugs in the unprecedented assaults on High Courts and the persons of Justices Isaac Ogunyemi and John Adeleye;

(*ii*) Urge the Inspector-General of Police (IGP) to order a thorough investigation into the incident with a view to the arrest and prosecution of all those involved in the invasion of the Courts. the assault on Judges and the murder of Chief Omolafe Aderiye:

(*iii*) Support the steps being taken by the National Judicial Council (NJC) to set in motion a process of investigation into the invasion of the Courts and assaults on Judges and other judicial officers in Ekiti State, with a view to protecting the sanctity of the Judiciary and allowing unfettered access to justice for all.

BILLS
