ORDERS OF THE DAY

MOTIONS

1. **Brutal killing of two indigenes of Ogume and Afor Communities of Delta State by unknown Herdsmen:**
Hon Ossai 'Nicholas Ossai:

The House:

Notes with grief the report of an attack on Saturday, 15 June, 2015 by unknown herdsmen at Ogume and Afor Communities which led to the killing of two (2) indigenes and infliction of gunshot injuries on ten (10) other persons;

Further notes that prior to the attack, a meeting was held between the Communities and the herdsmen during which the herdsmen were told to herd their cattle in areas within the communities that have not been cultivated;

Observes that the destruction of farm crops through the grazing activities of the herds, the ceaseless raiding and carting away of yam tubers from the communities' barns and the raping of women are the reasons why the communities decided to request the herdsmen to relocate;

PRINTED BY NATIONAL ASSEMBLY PRESS, ABUJA

Also observes with sadness that rather than comply with the request to relocate, the herdsmen on that fateful day, ambushed and brutally murdered the two (2) indigenes and inflicted gunshot injuries on the other ten (10) persons while they were on their way to their respective farms;

Disturbed that Automatic Kalashnikov (AK 47) assault guns and other sophisticated weapons were allegedly used in the unprovoked and unwarranted attack;

Resolves to:

(*i*) Constitute an *Ad-hoc* Committee to visit Ogume and Afor Communities to commiserate with members of the bereaved families;

(*ii*) Urge the Inspector General of Police and all the relevant Security Agencies to urgently investigate the incident with a view to bringing the culprits to book;

(*iii*) also urge the Executive Arm of Government to provide support to the members of the deceased families.

2. **Urgent Need for a Forensic Investigation of the Contract known as "Refined Product Exchange Agreement or Swap Contract" between the Pipelines and Products Marketing Company (PPMC), a Subsidiary of the Nigerian National Petroleum Corporation (NNPC) and Oil Trading Companies:**
Hon. Michael Enyong:

The House:

Aware that Refined Product Exchange Agreement or SWAP to the tune of 445,000 Barrels per day were awarded to the following companies:

(*a*) Sahara Group,

(*b*) Aiteo,

(*c*) Duke Oil,

(*d*) Mercuria,

(*e*) Glencore,

(*f*) Taleveras Nig. Ltd,

(*g*) Etena Oil and Gas,

(*h*) Swiss Firm; Tranfigura, and

(*i*) Ontario Oil and Gas;

Also aware that while Sahara Group received 90,000 barrels per day (BPD) through an agreement with Societie Ivorienne De Refinage, Aiteo received 90,000 barrels per day (BPD), Ontario Oil & Gas Nig. Ltd received 30,000 barrels per day (BPD) and Duke Oil & Gas received 30,000 barrels per day (BPD) and so on;

Further aware that while one barrel of Crude equals to 159 litres, the 445,000 barrels awarded to the above companies per day, when multiplied by 159 litres would amount to 70,755,000 litres per day, whereas Nigeria consumes only 40,000,000 litres per day;

Concerned that Nigeria, at the moment, operates essentially a mono commodity economy which relies on crude oil as its source of revenue;

Also concerned that the revenue of the country has recently plummeted owing to leakages in the accounting system and mismanagement of the economy;

Disturbed that the Nigerian Extractive Industries Transparency Initiative (NEITI), in its 2009-2011 and 2012 Reports had ascertained that there was a staggering revenue loss of 8billion USD due to discrepancy between the value of the crude oil given out and the refined products delivered;

Further concerned that in year 2011, there was a shortfall of 500,075,32 litres of refined product by the under listed companies:

(*i*) Transfigura (173,786,600 litres),

(*ii*) Vitol (654,440 litres),

(*iii*) Telaveras (152,308,878 litres),

(*iv*) Aiteo Ltd (193,046,590 litres),

(*v*) Ontario Oil & Gas (180,278,732 litres);

Conscious of the need to ensure transparency and accountability by the Nigerian National Petroleum Corporation (NNPC) in the management of revenue accruing to the nation from crude oil, particularly in the prevailing circumstances where the major buyer of Nigeria's crude oil, the United States of America (USA) has discovered alternative energy sources;

Convinced that the exercise of prudence and due diligence in the management of the country's revenue will kindle hope in Nigeria's creditors about its fiscal capacity to manage its debts and still have resources with which to address its macro- economic concerns;

Also convinced that the concerns expressed in this Motion are in keeping with the anti-corruption stance of the three arms of government of Nigeria, particularly the nation's President, Muhammadu Buhari;

Resolves to:

Constitute an *Ad-hoc* Committee to forensically investigate the allegations of malpractices by the Nigerian National Petroleum Corporation (NNPC), with particular reference to crude oil SWAP Contracts, with a view to ensuring that revenue from the nation's extractive industries are transparently managed in accordance with global best practices to enhance Nigeria's revenue and economic fortunes.
