Sen. Dino Melaye *(Kogi West)*

MOTIONS

1. Financial Inclusion: A tool for Socio-Economic Development and Stability.
Sen. Mustapha Bukar *(Katsina North).*

The Senate:

Notes with dismay that the impact of the National Programs for socio-economic development and the associated CBN interventions have been negligible and ineffectual due to poor conception, insufficient coverage, lack of awareness, poor implementation framework, lack of stakeholder buy-in commitment, and dearth of rural infrastructure to support the strategy, amongst others;

Aware of the strong correlation between poverty, gender, literacy and financial inclusiveness, and that the bulk of financially excluded reside in remote locations of which 60% of them are female, while 40% have little or no formal education;

Further recalls that the National Financial Inclusion Strategy (NFIS) was launched on 2nd October, 2012 and the various CBN-anchored interventions towards improving the levels of financial inclusion in the country have already come on stream;

Observes that achieving the Sustainable Development Goals (SDGs), adopted by Nigeria alongside 193 other countries in September 2015, will not be attainable by the 2030 timeline if a significant proportion of our population have little or no access to financial services that support economic empowerment;

Equally aware that financial inclusion contribute to National Economic Development by boosting savings, investments, exports, foreign exchange earnings, production of goods and services, viability of the financial services industry, thereby promoting social security and stability;

Worried that locally-driven social initiatives and programmes will fall significantly short of achieving their objectives if the primary targets who are mainly in the financially excluded segment of society are unable to access such benefits, thereby pushing them further into poverty.

Accordingly Resolves to:

i. *Urge* the Federal Government to invest in enabling infrastructure in the Telecommunication and Power sectors to facilitate extending financial services to the Financially Excluded segments of the society;

ii. *Direct* the Committees on Banking, Insurance and other Financial Institutions and Industries to liaise with the relevant Federal Government Ministries, Departments and Agencies (MDAs) to prioritize financial Inclusion by designing suitable programmes and strategies to extend the current frontiers of Financial Inclusion to cover all regions and segments of the society;

iii. *Urge* the CBN to take proactive measures to enhance financial inclusion through increased rural banking and financial services, especially in the disadvantaged states and local governments, by specifically requiring all Deposit Money Banks (DMBs) to develop and extend suitable products and channels to financially excluded segments of the society within 24 months; and

iv. *Direct* the Committee on Constitution Review to consider enshrining Financial Inclusiveness as a basic citizens right under Chapter IV of the Constitution of the Federal Republic of Nigeria, 1999 (As Amended).

2. Need for the establishment of Inland Ports at Onitsha, Enugu and other Land- Locked States.
Sen. Stella Oduah *(Anambra North).*

The Senate:

Notes that Inland water transport which is also referred to as domestic water borne transport, provides an efficient mode of transportation of persons, goods and services;

Further notes that the development of inland water transport in Onitsha, Enugu and Aba is induced not only by their geo-physical features, in which there are navigable land water ways, but also because their commercial and industrial activities are highly dependent on the exportation and importation of raw materials, machineries and equipment;

Observes that the existing maritime ports in Lagos, Port-Harcourt and Calabar are being over stretched and that the congestion of these ports constitutes serious security threat to lives and properties, especially now that there is heightened security concern at crowded locations;

Regrets that due to over congestion in the existing maritime ports and the bureaucracy associated with the clearing of goods, a lot of precious time which would otherwise have been committed to other productive economic engagements is often wasted;

Worried that there have been causes of avoidable loss of lives and destruction of goods due to movement by road of containers and heavy equipment carrying trucks;

Acknowledges that inland water transport not only reduces traffic jams on road transportation and the slowing down of economic activities, but also decreases the cost of transportation in the movement of oil, rice, sugar, cement, fertilizers and heavy equipment, thereby providing an alternative cheap and reliable means than other modes of transport;

Further acknowledges that inland water transport generates a lot of revenue for the Federal and State Governments, which revenue is channeled towards the development of other sectors, including health and education infrastructure and the creation of employment and job opportunities for Nigerians, thereby ensuring engagement of workers and reduction of social problems induced by unemployment.

Accordingly resolves to:

i. *Urge* the Federal Government through the Ministry of Transport to establish inland ports in Onitsha, Enugu and other land-locked states;

ii. *Urge* the Federal Government through the Nigerian Shippers Council to carryout appropriate feasibility studies for the purpose of establishing inland ports in the concerned states; and

iii. *Mandate* the Committees on Transport and Works to ensure full compliance with prayers (i) and (ii) above.

3. Fire Incident involving victims of insurgency from Nigeria in Gagamari Refugee Camp, Diffa State, Niger Republic.
Sen. Abubakar Kyari *(Borno North)*

Co-Sponsors:
Sen. Ali Ndume
Sen. Baba Kaka Bashir Garbai

The Senate:

Aware that the current insurgency in the North-East has led to massive dislocation of the populace who are in several Internally Displaced Persons' (IDPs) camps nationwide and in Niger Republic, Chad and Cameroon since 2009;

Recall that attacks by Boko Haram insurgents increased dramatically from mid 2014 causing an unprecedented displacement of over 3 million people who were forced to flee to other parts of the country and at least about 150,000 persons have taken refuge in neighbouring Chad, Niger and Cameroon as refugees;

Saddened that the refugees, majority of whom are women and children are faced with a range of threats to their physical safety and restrictions on their freedom of movement. Their homes, businesses and farms have been destroyed with nowhere to go, causing them to live and scramble for the limited resources with the host community;

Aware that the efforts of the Federal Government to contain the insurgency has been largely successful, as the Internally Displaced People have started going back to their areas of abode;

Saddened that on Monday, 25th April, 2016 at about 4:00 pm, there was a fire incident that razed the whole Gagamari Refugee Camp, Diffa State, Niger Republic where over 4,000 Nigerians were further displaced, living without shelter, food, water, etc.;

Saddened further that in the inferno, three Nigerian children lost their lives with an aged woman sustaining severe injuries among the over 120,000 Nigerians refugees currently in Niger Republic; and

Notes further that the Governor of Diffa has paid a solidarity visit and provided some relief materials.

Accordingly resolves to:

(i) *Urge* the Federal Government to provide immediate relief materials such as food, shelter, clothing, water, etc. to the affected Nigerians in Gagamari refugee camp;

(ii) *Urge* the Federal Government to galvanise the public and private sector to relocate the refugees back to their homes in Nigeria; and

(iii) *Urge* the Federal Government to sustain the tempo of the fight against terrorism to bring an end to the Boko Haram insurgency.

4. The demise of six (6) prominent medical doctors and their driver from Ekiti State in a ghastly motor accident along Abuja - Kaduna road.
Sen. Duro Faseyi *(Ekiti North)*

The Senate:

Notes with grief, the demise of six medical doctors and their driver, from Ekiti State, in a ghastly motor accident on Sunday 24th April, 2016, on their way to the 54th Annual conference of the Nigerian Medical Association in Sokoto State;

The six doctors who lost their lives in active service to mankind were:

Dr. Aladesanmi of the Federal Medical Centre (FMC), Ido-Ekiti;

Dr. Ojo Taiwo of Ekiti State University Teaching Hospital (EKSUTH);

Dr. Akinyele Lexy, Secretary, NMA;

Dr. Ogunseye of Ekiti State Health Management Board (HMB);

Dr. Olajide, President, EKSUTH Association of Resident Doctors (ARD);

Dr. Adeniyi James of the Federal Medical Centre (FMC) Ido Ekiti; and

Mr. Ajibola, their driver.

Disturbed that road accident remain the leading cause of death in Nigeria year in year out;

Further disturbed that this unfortunate incident involving a 13 - Seater passenger bus happened almost at the same spot where Mr. James Ocholi (SAN), a serving Minister of the Federal Republic of Nigeria died alongside his wife, son and driver recently in a motor accident. This is indeed one loss too many;

Worried that lack of proper emergency response, facilities for critical trauma cases and the non - availability of medical doctors on hand at Doka General Hospital, where they were rushed to, resulted in the regrettable and premature death of these doctors; and

Alarmed that this incident has further cast a huge shadow over the entire health sector in the country, as this incident happened at a time where all medical facilities in the country are short of well trained personnel, bearing in mind that the deceased doctors are all experts in different field of medical practice.

Accordingly resolves to:

i. Observe one minute silence in honour of the departed medical doctors and their driver;

ii. Condole with the families of the departed, the government and people of Ekiti State, Nigerian Medical Association and also pray for the quick recovery for the survivors;

iii. Urge the Federal government and relevant government Agencies to set up ambulance services along our major highways;

iv. Urge the Federal Road Safety Corp (FRSC) to step up public enlightenment campaign on the rules of the highway codes and safe motoring; and

v. Mandate the Ministry of Works and FERMA to ensure that a renewed vigour is directed to the maintenance and reconstruction of all portions of our roads that have become more or less a death trap to the motoring public.
