16. **Need to Convert the Delta State Polytechnic, Ozoro to Federal Polytechnic, Ozoro**

Motion made and Question proposed;

The House:

Notes that the Federal Government had established about thirty two (32) Federal Polytechnics spread across the country but none of them is located in Delta State;

Aware of the existence of Delta State Polytechnic, Ozoro that is sited on a large expanse of land with a serene academic environment, standard and adequate lecture halls, hostels, auditorium, Olympic size stadium and other facilities;

Convinced of the need for the State Polytechnic to be converted to a Federal Polytechnic which will have the immediate effect of providing more employment opportunities and enhanced admission prospects for students at little or no extra cost to the Federal Government;

Resolves to:

- (i) urge the Federal Government to convert the Delta State Polytechnic, Ozoro to a Federal Polytechnic in order to enhance admission prospects, provide more employment opportunities and give Delta State a sense of belonging among States with Federal Polytechnics; and
- (ii) mandate the Committee on Tertiary Education and Services to ensure implementation (*Hon. Leo Okuweh Ogor — Isoko North/Isoko South Federal Constituency*).

Debate.

Agreed to.

17. Call for Establishment of a Federal Polytechnic in Tambuwal Local Government Area of Sokoto State

Motion made and Question proposed;

The House:

Aware that education is a powerful tool for reducing poverty and inequality and Polytechnics offer vocational education through diverse technical courses leading to the award of the Ordinary National Diploma (OND) and the Higher National Diploma (HND) through a practical/hands on approach that imparts the right mix of knowledge and skill sets required to succeed in the new age of technology and global competitiveness that are necessary to achieve the economic diversification strategy of the present Administration;

Also aware that Sokoto State has an approximate population of 5 million people, half of which are below eighteen (18) years of age and an opportunity exists to harness this expanding youth population for the benefit of the State's economy and consequently national prosperity, hence the urgent need for a fresh approach to delivering qualitative and entrepreneurial education to this teeming population;

Notes that Sokoto South in general contributes a significant amount to the economy of Sokoto State while Tambuwal Local Government Area in particular is arguably one of the most viable local governments in the country as other than its rich cultural and historical heritage and significance, it is strategically located on the A1 highway that links Sokoto, Kebbi, Niger, Oyo and Lagos States and of all Tambuwal's areas of comparative advantage, perhaps its highest prospects stem from the resulting industrial potentials due to its unique topography, flora, fauna and bright prospects, yet there is no Federal tertiary institution located in the area;

Convinced that the youth of the area crave quality education due to the industry demonstrated by eminent sons of the soil whom, despite the inconveniences of having studied far away from home, excelled and contributed their quota to national development and have become the pride of the people, such as the globally acclaimed car designer, Jelani Aliyu and our very own Rt. Hon. Aminu Waziri Tambuwal;

Also convinced that in addition to the favorable location of Southern Sokoto, the peoples' quest for qualitative education for human capital development and economic potentials have created an urgent need for the establishment of a Federal Polytechnic to offer technical and vocational courses that the conventional Universities in the State do not offer;

Resolves to:

- (i) urge the Federal Ministry of Education to initiate the process for the establishment of a Federal Polytechnic in Tambuwal Local Government Area of Sokoto State for the benefit of the people of Sokoto State, the North-West Zone and Nigeria at large; and
- (ii) mandate the Committees on Tertiary Education and Services, and Legislative Compliance to ensure implementation and report back within six (6) weeks for further legislative action (*Hon. Abdussamad Dasuki — Kebbi/Tambuwal Federal Constituency and 1 other*).

Agreed to.

(HR. 245/2017).

Motion referred to the Committees on Tertiary Education and Services, and Legislative Compliance, pursuant to Order Eight, Rule 9 (5).

18. Need to Complete the New Ibadan Prison

Motion made and Question proposed;

The House:

Notes that construction work on the new Ibadan Prison started in 1980 as part of the developmental policy of the government to expand the criminal justice system to conform with international best practices;

Also notes that the project was also conceived to decongest Agodi Prison which was constructed in 1894 as the only prison yard serving the whole of Ibadan, Ibarapa and Oke-Ogun areas of Oyo State;

Further notes that similar projects located in other parts of the country, and started at the same time, have been completed over ten (10) years ago;

Aware that due to the non-completion of the new Ibadan prison, the existing prison which was built to accommodate 580 inmates now accommodates between 1,100 to 1,500 inmates;

Also aware that over congestion of Agodi Prison has led to series of attempted jail breaks and unimaginable health hazards among inmates and Prison staff;

Believes that if the new Ibadan Prison is completed, the problems associated with jail breaks and health hazards at Agodi Prison will be significantly reduced;

Resolves to:

- (i) urge the Federal Ministry of Interior to initiate the process to complete the new Ibadan Prison at Olunde in Oluyole Local Government Area of Oyo State; and
- (ii) mandate the Committee on Interior to ensure compliance (*Hon. Adedapo Lam-Adesina — Ibadan Northeast/Ibadan Southeast Federal Constituency*).

Agreed to.

(HR. 246/2017).

Motion referred to the Committee on Interior, pursuant to Order Eight, Rule 9 (5).

19. Call to Investigate the Release and Use of ₦37 Billion (Thirty Seven Billion Naira) for the Relocation/Welfare of the Bakassi People of Cross River State

Order read; deferred by leave of the House.

20. Need to Regulate the Use of Bisphenol "A" (BPA) Plastics in the Production of Bottled Water
Motion made and Question proposed;

The House:

Notes the growing concern over the effects of drinking water in plastic containers that had been left under the sun or near a heat source, which has been linked to degenerative diseases;

Aware that plastics are hydrocarbons that are obtained from crude oil which, when heated, become unstable and slowly release chemicals which then enter the water;

Also aware that most plastics contain a chemical known as Bisphenol "A" (BPA) which is also known as "environmental estrogen" that is known to cause reproductive defects as well as neurological abnormalities and prostate issues;

Cognizant that during the hot and humid weather, the demand for water is on the increase and as such, production of bottled water is on the rise;

Concerned that the production of bottled water for the most part is unregulated, as a result, the use of BPA plastics, which are by far cheaper than the non-BPA ones, is commonplace and generally used by companies producing bottled water;

Resolves to:

- (i) urge the Federal Government to ban the use of Bisphenol "A" (BPA) plastics in the production of bottled water; and
- (ii) mandate the Committee on Healthcare Services to liaise with relevant agencies and companies producing bottled water to work out modalities on how to effectively put an embargo on the use of BPA plastics in the country (*Hon. Sergius Oseasochie Ogun — Esan Northeast/Esan Southeast Federal Constituency*).

Debate.

Amendment proposed:

Leave out Prayer (ii) and insert a new Prayer (ii) as follows:

"mandate the Committee on Healthcare Services to invite the Minister of Health, and the Director-General, National Agency for Food and Drug Administration and Control (NAFDAC) for proper investigation and report back within four weeks" (Hon. Agbonayinma Johnson Ehiozuwa — Egor/Ikpoba/Okha Federal Constituency).

Question that the amendment be made — Agreed to.

Question on the Motion as amended — Agreed to.

The House:

Noted the growing concern over the effects of drinking water in plastic containers that had been left under the sun or near a heat source, which has been linked to degenerative diseases;

21. Need for Intervention of the Federal Government in the Exorbitant Fares Proposed for the 2017 Hajj Exercise

Motion made and Question proposed;

The House:

Notes that section 4 of the National Hajj Commission of Nigeria (NAHCON) Establishment Act of 2006 provides the functions of the Commission to include licensing, supervising and performing oversight functions over Organisations, Corporate and Non-Corporate, and fixing fares for each year's Hajj Exercise;

Also notes that the One Million, Five Hundred Thousand Naira (₦1,500,000) fare fixed by NAHCON for the Hajj is beyond the financial capacity of most intending pilgrims due to the prevailing economic situation in the country;

Aware that the exorbitant fare is making most intending pilgrims to have a rethink on whether to request for a refund of their deposits or consider patronizing private operators who are charging One Million, Two Hundred Thousand Naira (₦1,200,000);

Observes that over the years, Hajj and Umrah operations had been characterized by many challenges, including spiritual, material and inadequate planning;

Concerned that NAHCON and other stakeholders have turned Hajj and Umrah operations into exploitative ventures, thereby charging higher fares than those that are charged anywhere in the African and Middle Eastern countries, and Nigerian pilgrims, after paying so much, receive less qualitative services in the Holy Land in terms of accommodation, feeding and transportation;

Resolves to:

Set-up an *Ad-hoc* Committee to interface with the National Hajj Commission of Nigeria (NAHCON) and other stakeholders in order to determine the reasons for the increase in fares and find ways of reducing it to an acceptable level, and report back within two (2) weeks (*Hon. Aliyu Sani Madaki — Dala Federal Constituency*).

Debate.

Amendments Proposed:

(i) *Insert* a new Prayer (ii) as follows:

“Urge the Federal Government to intervene by directing NAHCON to find ways of reducing the fares charged for Hajj operations” (*Hon. Aishatu Jibril Dukku — Dukku/Nafada Federal Constituency*).

Question that the amendment be made — Agreed to.

(ii) In the Prayer, *leave out* the words “Set up an *Ad-hoc* Committee” and *insert* the words “Committee on Foreign Affairs” (*Hon. Herman Hembe — Konshisha/Vandekiya Federal Constituency*).

Question that the amendment be made — Negatived.

Question on the Motion as amended — Agreed to.

The House:

22. Consideration of Reports

- (i) **A Bill for an Act to Amend the Public Procurement Act, 2007 by Adding a New Member to the Council, Amending the Procedure for Appointing the Director General of the Bureau and Extending the Application of the Act to Defence Procurement and for Other Matters Connected Therewith (HB. 475) (Committee of the Whole):**

Motion made and Question proposed, "That the House do consider the Report on a Bill for an Act to Amend the Public Procurement Act, 2007 by Adding a New Member to the Council, Amending the Procedure for Appointing the Director General of the Bureau and Extending the Application of the Act to Defence Procurement and for Other Matters Connected Therewith (HB. 475) and approve the recommendations therein".

Agreed to.

Question that the House do resolve into the Committee of the Whole to consider the Report — Agreed to:

(HOUSE IN COMMITTEE)

(Mr Deputy Speaker in the Chair)

A BILL FOR AN ACT TO AMEND THE PUBLIC PROCUREMENT ACT, 2007 BY ADDING A NEW MEMBER TO THE COUNCIL, AMENDING THE PROCEDURE FOR APPOINTING THE DIRECTOR GENERAL OF THE BUREAU AND EXTENDING THE APPLICATION OF THE ACT TO DEFENCE PROCUREMENT AND FOR OTHER MATTERS CONNECTED THEREWITH (HB. 475)
