-

PRESENTATION OF REPORT

Committee on Works

Hon. Toby Okechukwu.

“That the House do receive the Report of the Committee on Works on Need to Investigate the Nature of the Contract and/or Concession Arrangement on the Second Niger Bridge and the Lagos –Ibadan Expressway (*HR. 165/2017*) (*Referred: 16/11/2017*).

ORDERS OF THE DAY

BILLS

1. Consolidation of Bills:

- (a) A Bill for an Act to Amend the Trade Disputes Act, Cap. T8, Laws of the Federation of Nigeria, 2004 to Prohibit Medical Practitioners in the Employment of Federal, State and Local Government (as Employees in the Essential Services Sector) from Embarking on Strike and to accelerate Administrative and Judicial Proceedings in the determination of Trade Disputes involving them; and for Related Matters (HB. 1202) (*Hon. Danburam Abubakar Nuhu*);
- (b) A Bill for an Act to Amend the Trade Disputes Act, Cap. T8, Laws of the Federation of Nigeria, 2004 to Provide an Exception for the No Work No Pay Provisions and for Related matters (HB. 1320) (*Hon. Nkeiruka C. Onyejeocha*).
2. A Bill for an Act to Repeal the Federal Mortgage Bank of Nigeria Act, Cap. F16, Laws of the Federation of Nigeria, 2004 and Enact the Federal Mortgage Bank of Nigeria Bill to make Comprehensive Provisions for Establishment of the Federal Mortgage Bank of Nigeria and its Board of Directors; and for Related Matters (HB. 911) – *Third Reading*.
3. A Bill for an Act to Establish the Federal College of Education Ikire, to Provide Full-Time Courses, Teaching Instructions and Training in Technology, Applied Science, Arts, Social Sciences, Humanities and Management; and to Provide for Appointment of the Provost and Other Officers of the College to carry out the Administration and Discipline of Students of the College; and for Related Matters (HB. 1334) (*Hon. Ayo Omidiran*) – *Second Reading*.

4. A Bill for an Act to Amend the Copyright Act, Cap. C28, Laws of the Federation of Nigeria, 2004; and for Related Matters (HB.1333) (*Hon. Ahmed Abu*) – *Second Reading*.
-

MOTIONS

5. **Call for Rehabilitation of Victims of Jos Crisis:**
Hon. Johnbull Shekarau:

The House:

Recalls that Plateau State has suffered series of Ethno-Religious crisis in the recent past resulting in the loss of hundreds of lives and destruction of public infrastructure and private properties worth hundreds of billions of Naira;

Notes that several efforts were made involving the Local, State and Federal Government in collaboration with spirited individuals and organisations within and outside the country to bring back lasting peace in the State;

Concerned that with the return of peace in the State, activities are yet to return to normalcy as the pains and frustrations left behind are felt by inhabitants due to lack of coordinated intervention to rehabilitate victims and rebuild communities affected by the prolonged crisis;

Also concerned that efforts to include Plateau and Kano States in the North East Development Commission and the Presidential Initiative on the North East Zone were unsuccessful due to Geographical location despite similar experiences;

Worried that the absence of a coordinated intervention and rehabilitation effort in a post crisis era has seriously affected the pace of recovery and reintegration of individuals and the rebuilding of damage infrastructure in Communities, thereby deepening the suffering and heightening frustration among inhabitants;

Resolves to:

- (i) Urge the President of the Federal Republic of Nigeria to set up a Committee similar to that of the North East Zone to intervene and rehabilitate individuals, Communities and Public Infrastructure affected by the crisis;
- (ii) Mandate the Committee Special Duties to ensure compliance.

6. **Need for Intervention in the Recent Flooding that Destroyed Communities in Ikpoba-Okha Local Government Area, Edo State:**
Hon. E. J Agbonayinma:

The House:

Notes that the recent heavy rainfall on 28 May, 2018 left a devastating effect on the residents of Aguebor Street, United Street and environs in ward 06 of Ikpoba-Okha Local Government area of Edo State, with properties worth millions of naira destroyed;

Also notes that the residents of those areas have been rendered homeless by the rampaging flood that submerged Houses, Markets and Schools, among others;

Concerned that the displaced residents, especially the aged and children, are without clothing, food, care, and are psychologically and emotionally drained as a result of the flood;

Worried that with the current raining season, more residents live in grave danger of being sacked from their homes;

Resolves to:

- (i) urge the Ecological Fund Office and the National Emergency Management Agency (NEMA) to provide relief materials to the displaced residents of Aguebor street, United street and environs of Ikpoba-Okha Local Government Area, Edo State;
- (ii) also urge the Federal Ministry of Environment to embark on erosion and flood control in the affected areas and other flood prone areas in Egor/Ikpoba-Okha Federal Constituency of Edo State;
- (iii) Mandate the Committee on Environment and Habitat to ensure compliance.

7. Urgent Need to Investigate the Implementation of the \$22billion Brass Liquefied Natural Gas (LNG) Project:
Hon. O. K Chinda:

The House:

Notes with great concern the state of affairs surrounding the NNPC's Brass Liquefied Natural Gas project, also known as Brass LNG;

Also notes that there have been several allegations of abuse and mismanagement of funds totaling about \$22 Billion meant for take off and running of the Brass LNG project;

Aware that the Brass LNG project was originally set up in 2003 with the Nigerian National Petroleum (NNPC) owning 49% and other affiliates namely, Conoco Phillips, ENI and Chevron holding 17% each;

Also aware that the project has been stuck in the planning stages for more than a decade, with some Western partners having pulled out because of tough operating conditions and an unfavorable investment environment;

Further aware of the provisions of Section 88(1)(a), (b)(i)&(ii) and (2)(b) of the Constitution of the Federal Republic of Nigeria, 1999 (as amended) which confers each House of the National Assembly power to conduct or carry out investigations into matter(s) such as this;

Recalls that in January 2018, the Senate raised an alarm over massive fraud in the NNPC as it relates to the Brass LNG project and voted to investigate same, but nothing happened thereafter;

Cognizant that the Federal government's investment in the Brass LNG project is too enormous to be treated with kid gloves, swept under the carpet or simply put aside with a wave of the hand;

Worried that unless the issue is urgently investigated, the essence of the fight against corruption would be defeated and the Nigerian economy and indeed teeming Nigerian masses would be worse for it;

Resolves to:

Set up an *Ad-hoc* Committee to investigate the expenditure and implementation of the \$22 Billion Brass LNG project and report back within six weeks (6) for further legislative action.

8. Call on the Federal Government to Mandate the Localization of Data and Operations by Telecoms Firms in the Interest of National Security:
Hon. Chukwuemeka Ujam:

The House:

Notes that the Nigerian Communications Commission Act of 2003 vests regulatory responsibilities over the ICT sector on the Nigerian Communications Commission (NCC), pursuant to which the NCC is mandated to ensure compliance with the obligations of service providers under the Consumer Code of Practice Regulations, 2007 in addition to the Universal Consumer Bill of Rights;

Also notes that the Nigerian Information Technology Development Agency (NITDA) Guidelines for Nigerian content development in communication and information technology requires all ICT Companies to host all government and consumer data locally within the country as obtainable in most countries which have laws that contain explicit data localization requirement;

Further notes that following revelations by Snowden and WikiLeaks of the surveillance programmes by the US National Security Agency (NSA), efforts to keep data within national borders have gained acceptance globally as many countries now pay particular attention to data privacy issues, hence governments across the world have adopted stringent measures to ensure data sovereignty;

Recalls that the Office of the Nigerian Content Development in ICT (ONC) is a Special Purpose Vehicle (SPV) established as a sustainable institutional framework to enforce compliance with the Regulatory Guidelines for Nigerian Content Development in ICT under the NITDA Act of 2007;

Also recalls that ONC hosted the 1st Annual Summit on Data Localization in Nigeria in collaboration with NITDA on the 26 January 2016 for the purpose of ensuring compliance with Article 14.1.2 of the Guidelines, which addresses data and information management and mandates Data and Information Management Firms to host government data locally, a breach of which is a crime under Sections 17 (4) and 18 of the NITDA Act of 2007;

Aware that Data nationalism can be mandated by an Act of Parliament that explicitly requires data on citizens to be stored on servers physically located within national borders as stipulated in the NITDA Act of 2007;

Also aware of the security implications of storing citizens and government data outside the Nigerian borders in view of the need to provide additional assurance of privacy protection and the need to make data available for easy access in support of law enforcement and national security objectives with particular reference to the pervasive threats of terrorism/insurgency and kidnapping in the country;

Cognizant that not only that Telecoms Operators storing data abroad is contrary to statutory provisions, some Telecoms Firms are relocating their Network Operation Centres to India, while their business activities remain in Nigeria, thereby exposing the citizens and the nation in general to security threats;

Convinced that Nigeria's data security is in danger by such a development with grave implications on national security, as the centres would be monitored by foreigners from outside the shores of Nigeria;

Resolves to:

- (i) Urge the Federal Ministry of Communications to take necessary action towards addressing all undermining activities of the Telecommunication Firms operating in Nigeria by ensuring strict compliance with Data municipal laws;
- (ii) Mandate the Committee on Information Technology to ensure compliance.

CONSIDERATION OF REPORTS

9. A Bill for an Act to Amend the Provisions of the Electoral Act, No. 6, 2010 to further Improve the Electoral Process; and for Related Matters (HB.1425) (*Committee of the Whole: 23/5/2018*).
 10. A Bill for an Act to Repeal the Associated Gas Re-injection Act, Cap. A25, Laws of the Federation of Nigeria, 2004; and for Related Matters (HB. 217) (*Hon. Uzoma Nkem-Abonta*) (*Committee of the Whole: 4/4/2017*).
 11. A Bill for an Act to Amend the Private Guard Companies Act, Cap. P30, Laws of the Federation of Nigeria, 2004 to Vest Licensing of Private Guard Companies expressly in the hands of the Security and Civil Defence Corps (NSCDC) and review penalties upward; and for Related Matters (HBs. 225 and 348) (*Hon. Uzoma Nkem Abonta and Hon. Igariwey Iduma Enwo*) – (*Committee of the Whole: 28/9/2016*).
 12. A Bill for an Act to Amend the Wages Boards and Industrial Councils Act, Cap. W1, Laws of the Federation of Nigeria, 2004 to Review Upwards the Fines Stipulated for Offences under the Act; and for Related Matters (HB. 282) (*Hon. Peter O. Akpatason*) (*Committee of the Whole: 10/1/2017*).
 13. **Committee on Health Institutions:**
Hon. Betty Apiafi:
 “That the House do consider the Report of the Committee on Health Institutions on a Bill for an Act to Provide for Establishment of the National Agency for Albinism and Hypo-Pigmentation (NAAH); and for Related Matters and approve the recommendations therein” (HB. 837) (*Laid: 8/6/2017*).
 14. **Committee on Petroleum Resources (Downstream):**
Hon. Akinlaja Iranola Joseph:
 ‘That the House do consider the Report of the Committee on Petroleum Resources (Downstream) on Need to Investigate the Disappearance of Eleven Billion Naira Worth of Petroleum Products belonging to the Nigerian National Petroleum Corporation (NNPC) and approve the recommendations therein” (*Laid: 7/3/2018*).
- (i) Ensure the full recovery of Federal Government’s money i.e. N9Billion balance from Capital Oil and Gas Limited;
 - (ii) that the claims of 16Billion naira NNPC allegedly owes Capital Oil and Gas should be investigated by the Economic and Financial Crimes Commission (EFCC) and if found to be true, they should be paid or it should be net-off against the N9Billion owed the Federal Government by Capital Oil and Gas;
 - (iii) that NNPC Retails should embark on a comprehensive review of all through-put agreements with Depots especially Article 11.1 to remove the lapses usually exploited by Depot Owners who sell NNPC Products without authorization. The

review should be submitted to the Committee within two (2) months from the day this report is adopted;

- (iv) that NNPC Retails Limited and PPMC should conduct a quarterly training of all NNPC Retail Staff representing it in private Depots to improve their knowledge of contract terms;
- (v) that NNPC Retails should set-up an online “real-time” solution that will require DEPOT OWNERS that buy bulk products to inform NNPC Retails in “real-time” and the information made available to all Stakeholders. The online software should also reflect load-out products from all the Depots where NNPC Subsidiaries have through – put Agreement;
- (vi) that NNPC Retails should also review operational effectiveness and business control as it relates to the Depots and the report of the review should be submitted to the Committee;
- (vii) While investigation continues, Capital Oil and Gas Depot should be re-opened to secure the jobs of the people working there and appropriate sanctions should be imposed in accordance with their through-put Agreements as the action of Capital Oil and Gas with respect to the withholding of 9Billion naira of the NNPC Retails is condemnable;
- (viii) that the sacked Managing Director, NNPC Retails should be recalled because based on the Committee’s findings and NNPC Retails investigation, she offered to loan NPMC a sister Company under NNPC corporate 20 Million litres of PMS when there was imminent fuel scarcity. This action blew the lid on the fraud. She also reported the case to Security Agencies and set up an internal investigation panel that identified where the lapses were but not on the table of the M.D. The compulsory Retirement was unfair;
- (ix) that Mr. Adio N. Yinusa who was indicted for gross inefficiency but had not been sanctioned, should be sanctioned;
- (x) that the process of sale and transfer of ownership of specified quantity of Petroleum products as indicated on item 11.1 of the through – put agreement should be more explicit in which NNPC Retails should have the powers to approve sales of the products:
 - (a) that where the third party buying the product is the Company, the process should be spelt out in a clearer fashion;
 - (b) that the Agreement should have a Senior Officer at the minimum level of General Manager to approve the sales when third party is the Storage Company.

COMMITTEE MEETINGS

	<i>Committee</i>	<i>Date</i>	<i>Time</i>	<i>Venue</i>
1.	Rules and Business	Thursday, 31 May, 2018	3.00 p.m.	Committee Room 06 (White House) Assembly Complex
