MOTIONS

7. **Need to Address the Ecological Disaster in Auchi, Etsako Federal Constituency, Edo State:**
Hon. Johnson Ewakhide Oghuma:

The House:

Notes the catastrophic disaster in some parts of Auchi, Etsako Federal Constituency;

Also notes that the areas greatly affected by flooding and gully erosion include the Igbe Road axis, which is a major commercial center of Auchi town and on the south side of Idani-race community also in Auchi, to mention a few;

Worried that the menace has already started taking its toll on the municipal with lives and houses already affected;

Also worried that the continuous negligence will lead to a more catastrophic dilemma which may lead to the death of many lives and the destruction of property;

Concerned that the 2018 budget allocation to address some of this humanitarian crisis may not be enough compared to the ecological situation on ground and magnitude of the impending danger;

Resolves to:

- (i) Urge the Federal Government to take flooding and gully erosion in Auchi with the utmost seriousness and declare the environment as ecological disaster area and make additional funds available from the Ecological Fund to give room for effective control and management of the catastrophe;
- (ii) Also urge the National Emergency Management Agency (NEMA) to provide relief materials to the affected persons;

- (iii) Mandate the Committees on Environment and Habitat, Water Resources and Legislative Compliance to ensure compliance and report back within 8 weeks for further legislative action.

8. Need to Complete the Sampou-Elemebiri-Utuechi- Ndoni-Ase-Azaga-Ogu-Ipele-Onitsha Road Project
Hon. Uchechuku Nnam-Obi

The House:

Notes that in 2006 the Niger-Delta Development Commission (NDDC) awarded contract for Construction of Sampo-Elemebiri-Utuechi-Ndoni-Ase-Azagba-Ogu-Ipele-Onitsha road linking Rivers and Anambra States to Bayendir Nigeria Limited;

Also notes that the construction of the said road was abandoned by the contractor due to the Federal Government's inability to provide funds for its completion;

Concerned that the abandonment of the road project has adversely affected the people of the communities where the road passes through as they find it difficult to transport themselves and their goods to other states by road;

Convinced that if the road project linking Rivers and Anambra State is completed, it will boost tourism and commercial activities in these areas;

Also convinced that if the road project is completed and there is an improvement in economic activities in the area, it would help both the Rivers and Anambra States Governments to realize more Internally Generated Revenues (IGRs) which would in turn contribute to the rise in the country's Gross Domestic Product (GDP);

Resolves to:

Mandate the Committee on Niger-Delta Development Commission (NDDC) to determine the cause of abandonment of the contract and ensure that it is re-awarded to a firm that will speedily execute the project and report back in eight (8) weeks for further legislative action.
