MOTIONS

4. **A Call to Investigate the Criteria for the Varied Cut- Off-Marks for Admission into Unity Schools by the National Common Entrance Examination Board (NCEEB):**
Hon. Randolph Iwo Oruene Brown:

The House:

Notes that recently, the National Common Entrance Examination Board (NCEEB) published the cut-off marks for admission into Unity Schools for the next academic session;

Further notes that the published cut-off marks drastically varies from state to state;

Cognizant that the quality of education in Nigeria has dropped to an alarming rate and this portends great danger for the future of the country;

Aware that a falling standard in education in any country is like an epidemic and all relevant authorities must consciously work towards redeeming such a situation;

Further aware that *Section 15(1) (2) (a & b)* of the Child's Rights Act, 2003, places a duty on the government to provide free, compulsory and universal basic education for every Nigerian child, hence the importance of education cannot be undermined;

Concerned that the trend of varied cut-off marks for students who ought to study the same courses in the future and practice the same professions is dangerous for our already epileptic educational system and will no doubt affect the development of the country in the long run;

Also concerned that most of the compromised cut-off marks do not make up to 50% of the requisite 100%, while in some cases the marks do not make up to even 20% of the requisite percentage;

Further concerned that some students who have to meet a cut-off mark of 65% will be expected to end up in the same university, study the same courses as their contemporaries that had to meet up the cut-off mark of 14% for males and 12% for females respectively;

Worried that if this situation is not reversed, the Nigerian educational system would gradually collapse and the country will become largely underdeveloped;

Resolves to:

Mandate the Committee on Basic Education and Services to investigate the basis for the cut-off marks set by the NCEEB for admission of pupils into Nigerian Unity Schools and report back within four (4) weeks for further legislative action.

5. Need to Prevent Counterfeiting of Drugs in Nigeria through NAFDAC Mobile Authentication Service (MAS):

Hon. Babajimi Benson:

The House:

Notes that fake drugs undermine every aspect of medical treatment and health care delivery and are a major cause of suffering and death;

Concerned that Drug adulteration and counterfeiting has contributed negatively to the wellbeing of Nigerians and its illicit trade has escalated within the Nigerian health care system in recent times;

Aware that in 2010, the National Agency for Food and Drug Administration and Control (NAFDAC), in its effort to combat counterfeit drugs, initiated the Mobile Authentication Service (MAS), which allows consumers to send by text message, an authentication code to a designated number approved by NAFDAC to confirm the genuineness of purchased drugs;

Also aware that the MAS allowed consumers seeking to buy genuine drugs to scratch a coating on the packaging of the drug to reveal a unique 12 or 13 digit PIN that could be sent by SMS text to a short code of 38353 and get a response within seconds indicating if the drug is genuine, or potentially fake or stolen;

Observes that in recent times, there has been a reduced campaign on the authentication process and most of the drugs over the counter and infant syrups do not have the unique 12 or 13 digit PIN;

Worried that the negligence on the part of the National Agency for Food and Drug Administration and Control (NAFDAC) and the Standards Organisation of Nigeria (SON) has led to the influx of fake and counterfeit drugs into Nigeria's drug markets in particular and the health sector in general;

Resolves to:

- (i) Urge the National Agency for Food and Drug Administration and Control (NAFDAC), the Standards Organization of Nigeria (SON) and the Consumer Protection Council (CPC) to ensure that the Mobile Authentication Service (MAS) is re-activated and applied to all drugs purchased in Nigeria;
- (ii) Also urge NAFDAC to, as a matter of urgency, begin a national wide publicity on MAS for the education and enlightenment of the public;
- (iii) Mandate the Committee on Health Care Services to ensure Compliance.
