2. **Votes and Proceedings**
Mr Speaker announced that he had examined and approved the *Votes and Proceedings* of Tuesday, 3 July, 2018.
The Votes and Proceedings was adopted by unanimous consent.
3. **Message**
Mr Speaker read the following message from the President of the Federal Republic of Nigeria:

PRESIDENT,
FEDERAL REPUBLIC OF NIGERIA

18th June, 2018

Rt. Hon. Yakubu Dogara
*The Speaker of the House of Representatives,
National Assembly Complex,
Three Arms Zone,
Abuja.*

Dear Rt Hon. Y. Dogara,

PRESIDENTIAL DECISION TO DECLINE ASSENT TO THE RADIOGRAPHERS (REGISTRATION) (AMENDMENT) BILL, 2018

Pursuant to Section 58 (4) of Constitution of the Federal Republic of Nigeria, 1999 (as amended), I hereby convey to the House of Representatives, my decision, on 26th June, 2018 to decline the Presidential Assent to the *Radiographers (Registration) (Amendment) Bill* recently passed by the National Assembly.

This is due to the expansion of the scope of "persons" covered, by the Bill which we are concerned will create disharmony in the health sector between radiographers and radiologists (who are regulated separately). I also note that there is a minor error in section 2 (a) of the Amendment Bill, where the word 'substituting' is misspelt as 'substituting'.

Please accept, Right Honourable Speaker, the assurances of my highest consideration.

Yours Sincerely,

(Signed)

Muhammadu Buhari

5. Matters of Urgent Public Importance (Standing Order Eight, Rule 4)

- (i) **Need to Stop the Federal Executive from Expending the Last Tranche of the Abacha Loot or any Recovered Loot without Parliamentary Approval:**

Hon. Karimi Sunday Steve (Yagba East/Yagba West/Mopamuro Federal Constituency) introduced the matter and prayed the House to:

- (a) consider and approve the matter as one of urgent public importance; and
- (b) suspend Order Eight, Rule 4 (3) to allow debate on the matter forthwith.

Question that the matter be considered as one of urgent public importance — Agreed to.

Question that the House do suspend Order Eight, Rule 4 (3) to enable it debate the matter forthwith — Agreed to.

Need to Stop the Federal Executive from Expending the Last Tranche of the Abacha Loot or any Recovered Loot without Parliamentary Approval:

The House:

Notes that the Transparency International estimated that about \$5 Billion public revenue was stashed abroad by the Late Military Ruler, Gen. Sani Abacha from 1993 -1998, when he was Head of State;

Also notes that in 2014, the Abacha family entered an agreement with the Federal Government to forfeit public funds in several billions of dollars to the Federal Government, following a plea bargain to drop charges against the late military ruler's son; these funds have been released to the Federal Government by the Government of Switzerland and were not disclosed to the public by government;

Aware that recently, the Attorney-General of the Federation signed an agreement on behalf of the Federal Government to release the last tranche of \$322 million dollars, however the Special Adviser to the President on Justice Reforms, Juliet Ihekaku-Nwagwu was reported to have said that in line with the Memorandum of Understanding signed by the Nigerian Government and the Government of Switzerland, the \$322 million will be paid directly to the accounts of the poorest Nigerians without recourse to the National Assembly;

Also aware that by virtue of Section 12 (1) of the Constitution of the Federal Republic of Nigeria, 1999 (as amended), "No treaty between the Federal Government of Nigeria and any other country shall have the force of law except to the extent to which such treaty has been enacted into law by the National Assembly", therefore no agreement or Memorandum of Understanding purportedly signed by the Federal Government with the Government of Switzerland can have any force of law in Nigeria, except approved and enacted into law by the National Assembly;

Cognizant that by virtue of Section 80 (1)-(3) and 81 of the Constitution of the Federal - Republic of Nigeria (as amended), all revenue raised and received by the Federal Government shall be paid into the Consolidated Revenue Fund, while Section 80 (3) stipulates that no monies shall be withdrawn from the Consolidated Revenue Fund unless such money has been authorised by the National Assembly.

Resolves that the:

- (i) sum of \$322 Million Dollars released by the Government of Switzerland be paid into the Consolidated Revenue Fund of the Federation and be distributed to the federating units in line with the current revenue sharing formula;
- (ii) Federal Government should come up with a Supplementary Appropriation Bill, earmarking the Funds due to it from the Abacha Loot for the completion of the Ajaokuta Steel Complex/Project; and
- (iii) Federal Government should present to the National Assembly immediately, the amount that has been released from recovered loot and how they have been expended (*Hon. Karimi Sunday Steve — Yagba East/Yagba West/Mopamuro Federal Constituency*).

Debate.

Amendment Proposed:

Leave out all the Prayers and Insert a new Prayer as follows:

"Set up an Ad-hoc Committee to:

- (i) investigate the total amount recovered from the Abacha loot from 1998 to date;
- (ii) establish the legal fees paid to Lawyers and Consultants;
- (iii) establish how the monies were utilised and if procedures were followed or not; and
- (iv) examine all the agreements relating to the recovered loot and determine their constitutionality and report back within six (6) weeks" (*Hon. Abdulmumin Jibrin — Bebeji/Kiru Federal Constituency*).

Question that the amendment be made — Agreed to.

Question on the Motion as amended — Agreed to.

The House:

Resolved to:

Set up an *Ad-hoc* Committee to:

- (i) investigate the total amount recovered from the Abacha loot from 1998 to date;
- (ii) establish the legal fees paid to Lawyers and Consultants;
- (iii) establish how the monies were utilised and if procedures were followed or not; and
- (iv) examine all the agreements relating to the recovered loot and determine their constitutionality and report back within six (6) weeks (**HR. 07/07/2018**).

(ii) ***Need to Review the Age Barrier in Vacancies Announced by Nigeria Police Force, Federal Road Safety Commission, Nigeria Prisons Service, Federal Fire Service, Standard Organization of Nigeria and other Federal Government Agencies:***

Hon. Babajimi Benson (*Ikorodu Federal Constituency*) introduced the matter and prayed the House to:

- (a) consider and approve the matter as one of urgent public importance; and
- (b) suspend Order Eight, Rule 4 (3) to allow debate on the matter forthwith.

Question that the matter be considered as one of urgent public importance — Agreed to.

Question that the House do suspend Order Eight, Rule 4 (3) to enable it debate the matter forthwith — Agreed to.

Need to Review the Age Barrier in Vacancies Announced by Nigeria Police Force, Federal Road Safety Corps, Nigeria Prisons Service, Fire Service, Standard Organization of Nigeria and Other Federal Government Agencies:

The House:

Acknowledges the efforts by the Federal Government to reduce unemployment in the country through advertised vacancies by the Federal Ministries, Departments and Agencies (MDAs);

Aware that most of the vacancies require that applicants must not be more than 30 years of age at the time of application for the jobs;

Concerned that given the unstable nature of Nigeria's education system, it is difficult to determine and plan the age of graduation, thus restricting eligible applicants on the basis of age, a breach of their fundamental human rights as contained in Chapter IV of the Constitution of the Federal Republic of Nigeria, 1999 (as amended);

Also concerned that the National Youth Service Corps Scheme designed to foster national cohesion in the country, pegs the age of eligibility to participate in the scheme at 30 years and only those who possess the discharge or exemption certificate of the scheme are qualified to be employed in the Federal Public Service;

Worried that citizens who serve their nation at the age of 30 are being denied the opportunity to be gainfully employed;

Also worried that this development will lead to young Nigerians falsifying their ages to benefit from the available vacancies, an action that would further tint the integrity of the individuals and the public service;

Alarmed that 55.9 percent of Nigeria's 196 million population is between the ages of 15 and 64, by capping job entry at 30, over half of the said population will be denied the opportunity to be gainfully employed;

Also alarmed that data made available by the Nigerian National Bureau of Statistics in 2016, shows that unemployment and underemployment continue to be highest for persons aged from 15-34 and that the unemployment rate amongst citizens from 25-34 years increased to 15.4% in 2016;

Believes that employment into the Federal Civil Service should be on merit, competence and Federal Character without age barrier;

Resolves to:

- (i) urge all MDAs concerned to consider re-opening their online portals to enable applicants between 30 to 40 to apply and be given equal opportunity;
- (ii) mandate the Committees on Labour, Employment and Productivity, and National Planning and Economic Development to review the employment criteria of all MDAs to ensure no eligible applicant is discriminated against on the basis of age; and

- (iii) also mandate the Committee on Legislative Compliance to ensure the resolutions of the House are communicated to and implemented by all MDAs concerned (*Hon. Babajimi Benson — Ikorodu Federal Constituency*).

Debate.

Agreed to.

8. **Rescission of Clause 2 of the Nigerian Aeronautical Search and Rescue Bill, 2018 Pursuant to Order Nine, Rule 1 (16) of the Standing Orders of the House of Representatives**

Motion made and Question proposed:

The House:

Notes that a Bill for an Act to Incorporate Annex 12 to the Convention on International Civil Aviation, 1944 in to Nigerian Law; to establish the Nigeria Search and Rescue Service; and to provide for matters connected therewith was passed by the House of Representatives and same was concurred by the Senate;

Aware that the Bill is being perfected in consonance with the Acts Authentication Act, 2004 at the Directorate, Legal Service of the National Assembly;

Also aware that in the course of perfecting the clean copy of the Bill, it was observed that Clause 2 of the Bill as passed did not thoroughly reflect the essence of the Bill;

Desirous of amending the observed defect in Clause 2 of the Bill;

Resolves to:

Rescind its decision on Clause 2 of the Nigerian Aeronautical Search and Rescue Bill, 2018 and re-commit it to the Committee of the Whole for re-consideration and passage (*Hon. Ayorinde Olabode — Owo/Ose Federal Constituency*).

Agreed to.

9. **A Call on the National Primary Health Care Development Agency (NPHCDA) to Establish 24-Hour Medical Clinics in each Orientation Camp of the National Youth Service Corps (NYSC)**
Motion made and Question proposed:

The House:

Notes that on November 29, 2016, it was reported that a female NYSC member died at the Kano State NYSC orientation camp due to lack of medication and medical personnel to give her proper medical care;

Also notes that recently, another NYSC female member died in the NYSC orientation camp in Kwara State because the camp medical clinic was unable to treat her after she sustained a fracture from a fall within the camp;

Aware that the medical clinics available within the NYSC orientation camps often lack adequate medication and medical personnel to provide treatment for graduates undergoing the NYSC orientation programme considering that majority of the medical doctors who are responsible for administering such NYSC orientation camp clinics are recent graduates of Medicine and Nursing who are also undergoing the NYSC programme;

Also aware that out of the \$194 million reportedly allocated and disbursed by the Federal Government for the upkeep of each batch of corps members, the authorities and government officials that are responsible for the administration of the NYSC programme in the orientation camps expend most of the said sum on payment of corps Members logistics;

Further aware that most of the NYSC officials are neither trained medical professionals nor does the scheme have adequate budgetary allocation to purchase medical equipment or hire qualified and experienced medical professionals who would be willing to reside in the remote villages and local government areas where most of the orientation camps are located;

Considers that Section 3 (b) (i) of the National Primary Health Care Development Agency Act made duty on the Agency to provide primary health care within Local Government Areas where NYSC orientation camps are located;

Concludes that the National Primary Health Care Development Agency is the relevant agency to provide adequate health and medical care in NYSC orientation camps.

Resolves to:

1. Mandate the Ministry of Health, Services, and Youth Development to liaise with the National Primary Health Care Development Agency and the National Youth Service Corps (NYSC) to:

(a) provide immediate needs assessment of all NYSC orientation camps across the country; and

(b) establish Medical Clinics at all the permanent orientation camps, and report back within four (4) weeks for further legislative action (*Hon. Isika Ayokunle Ibrahim — Ife/Ijebu-Ode Federal Constituency*).

Debate.

Amendment Proposed:

Leave out all the Prayers, and *insert* a new Prayer as follows:

Mandate the Committees on Health Institutions, and Youth Development to:

- (i) liaise with the Ministry of Health and the National Youth Service Corps (NYSC) to establish Medical Clinics with standby Ambulances in all the 37 permanent NYSC orientation camps under the auspices of the Federal University Teaching Hospitals and Federal Medical Centres” (*Hon. Ayorinde Olabode — Owo/Ose Federal Constituency*).

Question that the amendment be made — Agreed to.

- (ii) also liaise with the NYSC to provide a database and medical needs assessment of all the permanent orientation camps and report back within four (4) weeks for further legislative action” (*Hon. Ayorinde Olabode — Owo/Ose Federal Constituency*).

Question that the amendment be made — Agreed to.

Question on the Motion as amended — Agreed to.

The House:

Noted that on November 29, 2016, it was reported that a female NYSC member died at the Kano State NYSC orientation camp due to lack of medication and medical personnel to give her proper medical care;

Also noted that recently, another NYSC female member died in the NYSC orientation camp in Kwara State because the camp medical clinic was unable to treat her after she sustained a fracture from a fall within the camp;

Further aware that most of the NYSC officials are not trained medical professionals nor does the scheme have adequate budgetary allocation to purchase medical equipment or hire qualified and experienced medical professionals who would be willing to reside in the remote villages and local government areas where most of the orientation camps are located;

Observed that Section 3 (b) (i) of the National Primary Health Care Development Agency Act made it a duty for the Agency to provide primary health care within Local Government Areas where NYSC orientation camps are located;

Convinced that the National Primary Health Care Development Agency is the relevant agency to provide adequate health and medical care in NYSC orientation camps;

Resolved to:

Mandate the Committees on Health Institutions, and Youth Development to:

- (i) liaise with the Ministry of Health and the NYSC to establish Medical Clinics with standby Ambulances in all the 37 permanent NYSC orientation camps under the auspices of the Federal University Teaching Hospitals and Federal Medical Centres; and

10. Need to Complete the Armed Forces Physical and Health School, and Games Village, Esa-Oke, Osun State

Motion made and Question proposed:

The House:

Notes that the Federal Government through the Ministry of Defence conceived the idea for the development of an Armed Forces Physical and Health School, and Games Village (School) in Esa-Oke, Osun State;

Also notes that the idea behind the project was to develop a state of the art institution that will promote the physical fitness, agility and combat readiness of members of the Nigerian Armed Forces;

Recalls that the School was to be modelled after the United States Army Physical Training School in South Carolina, which focuses on all aspects of Army's Physical Readiness Training System in accordance with Army Doctrine and Regulations;

Again recalls that in the 2008 Budget, the National Assembly made provisions for funds for the establishment and development of the Armed Forces Physical and Health School, and Games Village, Esa-Oke, Osun State;

Worried that despite the consistent support from the National Assembly towards the development and operationalization of the School, it has practically transformed into an abandoned project and no major progress has been done on the project site;

Concerned that the state of affairs of the schools is inimical to the physical conditions of our troops and service personnel and adversely affects their combat readiness and ability to deliver on the constitutional mandate of the Armed Forces of the Federal Republic of Nigeria, which includes to protect the territorial integrity of Nigeria and defend Nigeria from external aggression and internal insurrection;

Also concerned that if urgent steps are not taken to complete the project, its absence will continue to affect the physical conditions of our troops and service personnel, especially when peer-reviewed with their contemporaries in other countries, and it will by extension affect our National Security;

Resolves to:

- (i) urge the Ministry of Defence to complete the project; and
- (ii) mandate the Committee on Defence to ensure compliance (*Hon. Oluwole Oke — Ibokun/Oriade Federal Constituency*).

Agreed to.

(HR. 10/07/2018).

Motion referred to the Committee on Defence, pursuant to Order Eight, Rule 9 (5).

11. Need to Probe the Withheld ₦2.8 Billion meant for the Federal Fire Service

Motion made and Question proposed:

The House:

Notes that the Federal Fire Service is in a terrible condition, being poorly equipped, and thus cannot respond to its current challenges;

Aware that the Service was established under the Fire Service Act, 2004, which mandates it to respond to fire disasters, however it is weighed down because it does not have enough equipment to discharge its duties;

Also aware that in 2011, the sum of ₦2.8 Billion was appropriated for the Federal Fire Service to purchase trucks and equipment;

Further aware that only 15 out of the 36 States of the Federation have functioning Fire Services, which exposes citizens of the 21 States to the consequences of an inferno;

Recalls that there have been several fire disasters in public places such as the Ogbete main market Enugu which was gutted by fire and destroyed 35 shops in November 2017, as well as the Sabon Gari market, Kano where 3,800 shops were razed down by fire in 2016;

Also recalls that the National Association of Nigerian Traders stated that in the last 17 years, Traders lost about of ₦5.3 billion to fire disasters;

Disturbed that oftentimes, people do not give the right of way to fire trucks to pass in the course of a fire incident, and in many cases buildings have been arbitrarily erected in streets, thereby obstructing fire trucks from reaching burning buildings;

Resolves to:

Mandate the Committee on Interior to investigate the non-release of the sum of ₦2.8 Billion appropriated for the Federal Fire Service in 2011 budget (*Hon. Ayeola Abayomi Abdul-Kabir — Ibeju-Lekki Federal Constituency*).

Debate.

Amendment Proposed:

Leave out the Prayer, and *insert* a new Prayer as follows:

“Mandate the Committee on Interior to investigate the sum of ₦2.8 Billion appropriated to Federal Fire Service in 2011 budget whether it was released or not” (*Hon. Ali Isa JC — Balanga/Biliri Federal Constituency*).

Question that the amendment be made — Agreed to.

Question on the Motion as amended — Agreed to.
