15. **Call for Reconstruction of Bauchi-Gombe-Yola Federal High Way**
Motion made and Question proposed;

The House:

Notes that Bauchi-Gombe-Yola Federal Highway is the only major road linking the three States of Bauchi, Gombe and Adamawa in the Northeast and is therefore an economic lifeline that boosts trade and other economic activities among the people of the northeast, and the country in general;

Aware that owing to the high volume of trade and economic activities among the people of the Northeast zone, the road is always busy with much traffic plying it and because no maintenance has been carried out on the Road for a very long time, it has deteriorated with large potholes and washed off shoulders;

Concerned that the deteriorated nature of the road has affected the movement of goods and trade within the zone and resulted in an increase in accidents, leading to death, injuries and damages to vehicles;

Also concerned that insurgents and armed robbers are taking advantage of the deplorable condition of the road to attack travelers and dispossess them of their goods and money;

Resolves to:

- (i) urge the Federal Roads Maintenance Agency (FERMA) to commence remedial works on the Road to alleviate the sufferings of the people pending when the re- construction works shall begin;
- (ii) mandate the Committees on Works, and Appropriations to include the reconstruction and dualization of the Bauchi-Gombe-Yola Road in the 2017 Budget; and
- (iii) also mandate the Committee on Legislative Compliance to ensure implementation (*Hon. Ali Isa J. C. — Balanga/Biliri Federal Constituency*).

16. Need to Revive the Primary Health Care Centres in the Rural Communities

Motion made and Question proposed;

The House:

Notes the poor state of primary health care delivery services in the country, particularly in the rural communities;

Mindful that primary health care is not new to the country, as it dates back to the colonial times when functional dispensaries and maternity homes were established in every district/council for primary health care delivery needs of the people;

Also notes that the Federal Government deployed enormous resources through the National Primary Healthcare Development Agency and intervention Funds in building Primary Health Centres across the rural communities in the country;

Aware of the deteriorating health condition of the citizenry as noted in recent reports by the World Health Organisation (WHO) and other multilateral agencies in terms of increasing child/maternal mortality rate, resurgence of child killer diseases and drop in average life expectancy for the nation that call for urgent action;

Concerned that many of the numerous health care centres built all over the country have not been equipped or provided with staff, thus making them non-functional and of no benefits to the citizenry as they have remained abandoned and dilapidated;

Resolves to:

- (i) urge the Federal Ministry of Health to direct the National Primary Healthcare Development Agency to evolve a mechanism to take an inventory of the primary healthcare centres in the country to ascertain their status and needs with a view to making them functional; and
- (ii) mandate the Committees on Healthcare Services, and Health Institutions to ensure implementation and report back in eight (8) weeks for further legislative action (*Hon. Joseph Edionwele — Esan Central/Esan West/Igubeben Federal Constituency*).

Debate.

17. Call to Investigate the Abandonment of the Dredging and Establishment of Land Ports at Idah and Jamata in Kogi State by Messrs Van Oord Nigeria Limited
Motion made and Question proposed;

The House:

Aware that the project to dredge the lower River Niger was one of the most important strategic actions initiated by the Administration of the Late President Umaru Musa Yar'Adua;

Also aware that the project, which stretches through 572 kms, will affect 152 communities on the bank of River Niger in Edo, Anambra, Imo, Bayelsa, Delta, Kogi, Niger and Rivers States;

Further aware of the proposal to establish, as part of the project, seven (7) inland ports at Agenebode in Edo State, Yenegoa in Bayelsa State, Baro in Niger State, Lokoja and Idah in Kogi State, Aguata in Anambra State and Ogbabe in Abia State as well as the rehabilitation and expansion of the Onitsha River Port and establishment of a River training institute;

Concerned that despite the contractual agreements for both capital and maintenance for the dredging of the 118 km from Onitsha to Idah and establishment of land port at Idah awarded to Messrs Van Oord Nigeria Limited at the cost of ₦10,399,867,317.00, works on the said project never took off up to this day;

Cognizant that the dredging of 108km from Idah to Jamata which was awarded to Messrs Van Oord Nigeria Limited at the cost of ₦13,806,242,793.00 took off skeletally and was said to have reached 62 percent completion as at 2014 but was later abandoned;

Also concerned that economic activities that could have been revitalized by reason of these dredging activities have remained comatose and the people, who engage in these activities, are seriously groaning in frustration;

Further concerned that the safe and alternative means of transporting goods and services through the river from one part of the country to another and cargoes coming into and departing Nigeria through the seaports, which the dredging activities were meant to guarantee are yet to see the light of the day;

Resolves to:

Mandate the Committee on Ports, Harbour and Waterways to investigate the abandonment of the contract for the dredging and establishment of landports at Idah and Jamata in Kogi State by Messrs Van'Oord Nigeria Limited and report back within four (4) weeks for further legislative action (*Hon. Benjamin Ikani Okolo — Bassa/Dekina Federal Constituency*).

18. Need to Intervene in the On-Going Strike by the Nigerian Union of Allied Health Professionals
Motion made and Question proposed;

The House:

Notes that the Nigerian Union of Allied Health Professionals, the umbrella body of Pharmacists, Medical Laboratory Scientists, Physiotherapists, Optometrists, Clinical Psychologists, Occupational Therapists, Radiographers/Imaging Scientists, Medical Social Workers, Health Record Managers and other allied medical practitioners has been on an indefinite strike since 27 February, 2017;

Also notes that the Union embarked on the industrial action following the Federal Government's non-implementation of some mutually agreed terms, as well as flagrant abuse of certain court rulings;

Aware that the demands of the Union, which include revamping infrastructure in the health institutions, implementation of the National Health Act, professional autonomy for members, improved services in tertiary hospitals, payment of outstanding arrears and other welfare issues are challenges that are bedeviling the health sector in Nigeria;

Concerned that as a patriotic group, the Union had previously made concerted efforts through correspondence and visitation to relevant MDAs to find viable and pragmatic initiatives to address these issues but yielded no positive results;

Also concerned that between 2013 and 2015, following warning strikes and subsequent intervention of the Nigerian Labour Congress and other relevant stakeholders in the Health Sector, the Federal Government signed an agreement with the Union, few aspect of which were implemented by the past administration;

Worried that the continued industrial action by the Union whose members carry out professional duties that are very critical to the health sector and germane to the medical needs of Nigerians, poses serious threat to the well-being of the citizenry;

Also worried that as a result of the indefinite strike, coupled with the prevailing economic recession in the country, many Nigerians who go to public health institutions are unable to access prompt and appropriate medical services provided by the Nigerian Union of Allied Health Professionals;

Resolves to:

Mandate the Committees on Healthcare Services, and Health Institutions to carry out detailed investigations on the issues that resulted in the lingering strike with a view to ending the strike and report back within four (4) weeks for further legislative action (*Hon. Yusuf Tajudeen — Ijumu/Kabba-Bunu Federal Constituency*).

Debate.

19. Need to Protect Nigerians from the Harmful Effects of Fanta and Sprite Beverages Produced by the Nigerian Bottling Company

Motion made and Question proposed;

The House:

Recalls recent publications on two of the products of the Nigerian Bottling Company Limited (Coca-Cola Company), which could cause severe and/or terminal harm on unsuspecting members of the public;

Notes that Sprite and Fanta, which are products of the Coca-Cola Company, are said to contain unhealthy concentrations of Benzoic Acid and Sunset Yellow additives, which become poisonous when combined with Ascorbic Acid (Vitamin C);

Cognizant that the drinks, which were produced in Nigeria, were tested by the United Kingdom Health authorities (Stockport Metropolitan Borough Council's Trading Standard Department of Environment and Economy Directorate) and were discovered to be harmful for human consumption;

Aware that the Coca-Cola Company has now been ordered to inscribe a warning on Coke, Fanta and Sprite bottles stating that the drinks must not be taken with Vitamin C;

Also aware that the Company's response to this revelation is that they never intended for the drinks to be taken outside the country, which, in other words, means that they were produced for consumption in Nigeria only;

Concerned that the intake of Vitamin C among citizens is very high, thereby making Nigerians highly prone to the destructive effect of combining it with these deadly Coca-Cola Products;

Worried that the consumption of Sprite and Fanta, which have high concentrations of Benzoic Acid and Sunset Yellow additives, with Vitamin C could result in cancer and other diseases;

Determined to ensure an environment that produces consumables and products which are healthy for consumption and satisfy international health standards and best practices;

Resolves to:

Constitute an *Ad-hoc* Committee to investigate the production and distribution of the drinks by the Nigerian Bottling Company Limited (Coca-Cola Company) (*Hon. Oluwarotimi Agunsoye — Kosofe Federal Constituency*).

Debate:

Amendments Proposed:

- (i) In the Prayer, immediately after the word "Limited", *leave out* the words "Coca-Cola Company", and *insert* the words "and other drinks produced or marketed in Nigeria" (*Hon. Femi Gbajabiamila — Surulere I Federal Constituency*).

Question that the amendment be made — Agreed to.

- (ii) *Insert* a new Prayer (ii) as follows:
"Urge the National Agency for Food and Drug Administration and Control (NAFDAC), to review the composition of all soft or carbonated drinks in Nigeria to ascertain the chemical components that are harmful to human beings" (*Hon. Adamu Kamale — Michika/Madagali Federal Constituency*).

Question that the amendment be made — Agreed to.

Question on the Motion as amended — Agreed to.

The House:

20. Need to Curb the Security Challenges of Sea Piracy on Bonny Waterways

Motion made and Question proposed;

The House:

Notes that Bonny Island in Rivers State is one of the hubs of the country's economy and has been facing serious security challenges of attacks by sea pirates on its water ways;

Also notes that at a minimum interval of twice a week, pirates attack boats conveying passengers and goods on the sea, robbing, maiming and sometimes raping, even pregnant and elderly women or kidnaping persons for payment of ransom and sometimes killing their victims;

Concerned that security operatives on the Island are concentrating their efforts in protecting only Federal Government investments as well as the expatriates and senior staff of such institutions housing the said investments, leaving the general populace, whose once peaceful existence has now been disrupted, at the mercy of those hoodlums;

Also concerned that most of the commercial boats plying the sea cannot outrun the newer boats used by the sea pirates as most of those commercial boats are either in a deplorable state or very old;

Resolves to:

- (i) urge the Federal Government to deploy gun boats and more security personnel on a permanent basis on the Bonny sea and other waterways in the country;
- (ii) also urge the Nigerian Maritime Administration and Safety Agency (NIMASA), the Marine Police, the Nigerian Navy and other security agencies to rise up to the occasion and curb these incessant attacks on travelers on the Bonny sea;
- (iii) mandate the Committee on Maritime Safety, Education and Administration to liaise with NIMASA to cause a review of the sea worthiness of boats that ferry passengers and goods across the Bonny Sea and other waterways across Nigeria with a view to issuing certificates/licenses of sea worthiness before the boats could operate on the waterways (*Hon. Randolph Iwo Oruene Brown — Degema/Bonny Federal Constituency and 3 others*).

Debate.

Agreed to.
