24. Need to Build Mobile Clinics along the Nation's Highways:
Hon. Afe Olowookere:

The House:

Notes the deplorable condition of the nation's road network and the incessant accidents that occur daily on these roads in all parts of the country;

Also notes that many lives have been lost in those accidents and that majority of the victims are in their prime and age range whose services the country is in dire need of;

Concerned that most of the deaths resulting from these accidents could have been prevented if proper measures and first aid facilities had been provided for the victims;

Urge the Federal Government to build Clinics along the Highways across the Country where first aid treatment can be provided for victims of accidents.

25. Need to complete the Construction of Dallaji Dam in Bindawa Local Government Area of Katsina State:
Hon. Aminu Ashiru Mani:

The House:

Cognizant of its constitutional mandate to ensure an improved social welfare of the people in the various Federal constituencies;

Notes that the Dallaji Dam, which was billed to improve the living standards of the people of Bindawa Local Government Area of Katsina State, had been abandoned for many years now with the attendant hardships on the people and communities there;

Recalls that the Dam Project was initiated by the Federal Government, having considered the need to alleviate the agro-challenges of the benefitting communities who are predominantly farmers in need of appreciable water and irrigation facilities to earn a living;

Concerned that the continuous neglect of the project is both inimical to the change agenda of the current administration, and a monument of failed promises of successive governments;

Believes that an urgent attention of relevant agencies of government is required to realize this noble cause;

Resolves to:

Mandate the Committee on Water Resources to interface with the Federal Ministry of Water Resources to ascertain the extent of work done on the Dam project with a view to ensuring its completion within the shortest time possible.
