Question that the matter be considered as one of urgent public importance — Agreed to.

Question that the House do suspend Order VIII, Rules 46 (3) *and* 49 *to enable it debate the matter forthwith — Agreed to.*

Need to Investigate the Overzealous Behaviour of men of the Nigeria Police Force at the Toll Gate of the Kaduna - Abuja Expressway on Wednesday, 13 July, 2016:

The House:

Viewed with dismay and consternation the shooting at a commercial vehicle for failing to stop at a stop and search check point which led to the death of two innocent passengers (a lady traveling with her three kids and a gentleman);

Worried that this non exercise of caution by armed personnel is one incidence too many across the country, the consequence of which is the prevalence of murder of innocent souls;

Also worried that this is a flagrant violation of the Police Force Order No. 237 governing the handling of fire arms;

Concerned that similar incidences have been occurring without proper investigation and disciplinary action taken to bring the erring culprits to book;

Also concerned that such incidences could bring about the breakdown of law and order;

Resolves to:

(*i*) Call on the Inspector General of Police to carry out an investigation on the matter, bring the culprits to book and pay compensation to the victims; and

(*ii*) mandate the Committees on Police Affairs, and Federal Road Safety Commission to investigate the matter and report back to the House in two weeks (*Hon. Garba Datti Muhammad — Sabon Gari Federal Constituency*).

Debate.

(*ii*) ***Deaths Resulting from the Abuse of the Pain Killer Drug, Tramadol:***
Hon. Rita Orji (*Ajeromi/Ifelodun Federal Constituency and* 40 *Others*) introduced the matter and prayed the House to:

(*a*) consider and approve the matter as one of urgent public importance; and

(*b*) suspend Order VIII, Rules 46 (3) and 49 to allow debate on the matter forthwith.

Question that the matter be considered as one of urgent public importance — Agreed to.

Question that the House do suspend Order VIII, Rules 46 (3) *and* 49 *to enable it debate the matter forthwith — Agreed to.*

Deaths Resulting from the Abuse of the Pain Killer Drug, Tramadol:

The House:

Alarmed that the rampant use and abuse of the drug, Tramadol, among the youths have reached a frightening proportion. Within a space of one week, no fewer than four deaths due to uncontrolled use of Tramadol have been reported in and around Lagos State, and if adequate measures are not put in place, its effects will turn out deadlier than those of other narcotics like Cocaine and Heroin;

Particularly disturbed and distressed that the drug, Tramadol, which is primarily used to relieve moderate to moderately severe pain has now been turned into narcotic due to its ability to effect the brain and change how the body feels and responds to pain;

Also disturbed that the easy access to this drug and inability of the dispensers to educate the buyers on the possible side effects can endanger the lives of those under the administration of the drug;

Aware that the drug has deadly side effects which include agitation, hallucination, fever, fast heart rate, overactive reflexes, nausea, vomiting, diarrhea, loss of coordination, fainting, seizure thus making it a drug in the class of Cocaine and other hard drugs;

Worried that this dilemma can be worsened by the unregulated accessibility of the drug over the counter in various drug stores and retail shops;

Resolves to:

Mandate the Committee on Drugs and Narcotics to liaise with the heads of the Pharmacists Council of Nigeria and NAFDAC to execute the following:

(*i*) ensure that Manufacturers and marketers must be required to give adequate consultations and information to patients on the correct and safe use of Tramadol purchased and on the preservation of medicinal products;

(*ii*) guarantee that controlled and delicate drugs like Tramadol should only be sold to customers with valid prescription from a medical practitioner. This prescription drug should only be provided in the framework of a qualified medical relationship, which is expected to involve at least, one medical examination during which the patient is in the presence of a medical practitioner;

(*iii*) identify, track and prevent inappropriate patterns of prescription and integrate prescription drug monitoring team or task force; and

(*iv*) work with media outlets, Healthcare Services Committee, advocacies and retailers to reduce drug abuse an implement programs to that effect (*Hon. Rita Orji — Ajeromi/Ifelodun Federal Constituency*).

Question that the House do suspend Order VIII, Rules 46 (3) *and* 49 *to enable it debate the matter forthwith — Agreed to.*

Need to Investigate the Disbursement and Utilization of Bail Out Funds to State Governments:

The House:

Notes that the Security and Welfare of the people is the primary purpose of Government;

Also notes that since 2015, when the Revenue of the Federal Republic of Nigeria came under unprecedented strain as price of crude oil in the international market nosedived, allocations from Federation Account to State Governments greatly reduced, thereby causing several States of the Federation to be unable to meet their financial obligations particularly to their employees at the various States. Over ⅔ of the 36 States of the Federation (precisely 27 States) approached the Federal Government for assistance on payment of workers' salaries and retirement benefits and gratuities of civil servants;

Aware that in order to ensure the welfare of the citizenry at the State Level, the current Federal Government in July 2015, approved the release and disbursement of bailout funds totaling a sum of ₦689.5 Billion to Twenty-Seven (27) States Governments in Nigeria. A further ₦20 Billion was disbursed to Kogi State Government about four months ago. Unfortunately, many of the beneficiary States have failed to utilize the sums or the entire sums released for payment of workers' salaries and are accordingly still owing workers salary till date;

Also aware that a recent report by Budget, a Private Sector Data Company reveals that as at April 30, 2016, Abia and Osun States were owing 2 months' salary each, whilst Bayelsa State was owing 5 month salary, Benue, Ekiti, Kwara, and Plateau States were owing 3 months' salary each, Oyo State is reported to have been owing 4 months' salary, whilst Delta, Niger and Ogun, Nasarawa States were all reported to be owing one month salary

each. Kogi State is currently owing more than seven (7) months' salary despite Bail-out release, the State Government paid 3 months' salary to a selected few who are just about 30% of the State workers. Adamawa, Akwa Ibom, Anambra, Bauchi, Borno and Cross River States were exonerated from the Bailout Beneficiary debtor States;

Worried that many States are reported to have collected bailout from the Federal Government but refused to utilize it for the payment of workers' salaries. Many States were reported to have stocked the Bailout Funds meant for staff salaries in interest earing Accounts (in most cases, interest bearing accounts) while their employees continue to wallow in hunger, poverty and lack. Some of these workers had even lost lives because their inability to meet their daily needs;

Also worried that the Public Enlightenment Department of Independent Corrupt Practices Commission (ICPC), in their recent report, indicted several State Governments on the utilization of the released funds;

Observes that there has been criticisms and counter-criticism on the usefulness of Bail-out Funds as critics have opined that the genuine intention of the Federal Government is being frustrated by the State Governments since the bail-out funds is not been utilized for the desired purpose by the beneficiary States;

Cognizant that the National Assembly of the Federal Republic of Nigeria is the representative of the people and is empowered by the Constitution of the Federal Republic of Nigeria to oversee the administration and disbursement of public finance. The National Assembly being the custodians of peoples fund, the good people of the Federal Republic of Nigeria deserve to know the how the funds are judiciously expended;

Resolves to:

Set up an *Ad-hoc* Committee to investigate the terms and conditions for the disbursement and utilization of the bail-out funds, the level of compliance, and to ascertain the necessity for further disbursement as been muted by the Federal Government and report back to the House within four (4) weeks (*Hon. Karimi Sunday Steve — Yagba East/Yagba West/Mopamuro Federal Constituency*).
