5. **Matter of Urgent Public Importance (Standing Order Eight, Rule 4)**

Invasion of Parts of Kaiama and Baruten Local Government Areas of Kwara State by Gunmen Suspected to be Cattle Rustlers and Insurgents:

Hon. Zakari Mohammed (*Baruten/Kaiama Federal Constituency*) introduced the matter and prayed the House to:

(a) consider and approve the matter as one of urgent public importance; and

(b) suspend Order Eight, Rule 4 (3) to allow debate on the matter forthwith.

Question that the matter be considered as one of urgent public importance — Agreed to.

Question that the House do suspend Order Eight, Rule 4 (3) to enable it debate the matter forthwith — Agreed to.

Invasion of Parts of Kaiama and Baruten Local Government Areas of Kwara State by Gunmen Suspected to be Cattle Rustlers and Insurgents:

The House:

Notes that the Kainji National Park in Borgu Local Government of Niger State, and both Baruten and Kaiama Local Government Areas of Kwara State covers over 397,002 hectares, i.e. 981,010 acres, which has been reserved for the park since the early 1960s;

Also notes that some parts of the park has become a fortress for all manners of gun toting individuals who use the thick vegetation of the area as camps from where they unleash mayhem on the surrounding communities causing untold hardship and loss of several lives;

Aware that a few days ago the criminals invaded Kaiama and its surrounding communities carting away foodstuffs, monies and properties of the law abiding citizens of the area, in the process killing several people including about eight (8) vigilante group members who were later found dead and dismembered in the most despicable manner;

Cognizant that although about sixty (60) men of the Nigeria Army New Bussa have been deployed to the area by the Kwara State Government. The measure has not been able to restore confidence in the area as economic and farming activities in the area has since been paralyzed, thereby rendering the Kaiama Local Government seemingly insolvent;

Resolves to:

- (i) urge the Federal Government to increase the presence of men of the armed forces in both the Kaiama and Baruten end of the park to protect the people and to avoid a resurgence of another Sambisa Forest in Kwara State;
- (ii) call on the National Emergency Management Agency (NEMA) to deploy relief materials to the affected communities to serve as succor to the affected families to let them start life again; and
- (iii) mandate the Committee on National Security and Intelligence to interface with all relevant security agencies to flush out these criminals who are still in the environs of the park and report back within two (2) weeks for further legislative action (*Hon. Zakari Mohammed — Baruten/Kaima Federal Constituency*).

Debate.

Agreed to.

Order read; deferred by leave of the House.

15. **Need to Deduct 13% Derivation from the \$1 Billion approved by the National Economic Council to Fight Boko Haram Insurgency**

Motion made and Question proposed:

The House:

Notes that at the 83rd meeting of the National Economic Council held at the Council Chamber of the Presidential Villa, Abuja on 14 December, 2017, the Council approved the deduction of the sum of \$1 Billion by the Federal Government from the Excess Crude Account (ECA) to fight the Boko Haram insurgency;

Aware that the proviso to Section 162 (2) of the 1999 Constitution states 13% of the proceeds of the oil producing States in Nigeria as derivation fund payable to the benefitting States of Akwa Ibom, Rivers, Delta, Bayelsa, Cross River, Edo, Abia, Imo, Ondo, Anambra and Lagos;

Also aware that the 13% derivation fund payable to oil producing States had not been deducted and paid to them from the \$1 Billion before or after the approval of the said sum to fight Boko Haram insurgency;

Concerned that if the 13% derivation fund is not deducted from the \$1 Billion and paid to the oil producing States, it would amount to double contribution from the said States and also a breach of section 162 (2) of the 1999 Constitution and Section 1 of the Allocation of Revenue (Federation Account, etc.) Act, Cap. A15, Laws of the Federation of Nigeria, 2004.

Resolves to:

- (i) urge the Federal Ministry of Finance to ensure that the sum representing 13% of the \$1 Billion approved by the National Economic Council on 14 December, 2017 to fight Boko Haram insurgency is deducted and paid to the oil producing States in Nigeria in compliance with section 162 (2) of the 1999 Constitution; and
- (ii) mandate the Committees on Finance and Legislative Compliance to ensure compliance (*Hon. Kenneth Anayo Chikere — Port Harcourt I Federal Constituency*).

Debate.

Debate adjourned.

Ordered: Committee on Finance to ascertain the status of the Excess Crude Account and report back within four (4) weeks.

16. **Call on the Federal Ministry of Education to Regularize the Appointments of Teachers Employed by the Parents Teachers Association (PTA) at the Federal Government College, Ohafia, Abia State and all other affected Federal Government Colleges**
Motion made and Question proposed:

The House:

Notes that the Federal Government College, Ohafia, Abia State was established, along with other Colleges to provide qualitative education for the youth in order to boost the literacy level in Nigeria;

Also notes that due to lack of teachers for such core subjects like Mathematics, English Language, Biology, Physics, Chemistry, etc. the Parents Teachers Association (PTA) of the College undertook to employ teachers for those subjects and pay them, a situation that is replicated at other Federal Government Colleges;

Further notes that while those teachers have been on the payroll of the Parents Teachers Association (PTA) for up to sixteen years on meagre emoluments of between ₦20,000 and ₦30,000 per month without any indication that the Federal Government would regularize their appointments, those of other teachers who were employed by the Federal Government many years after them, have been regularized;

Aware that it is becoming increasingly more difficult for the Parents Teachers Association (PTA) to continue to shoulder the burden of paying the salaries of those teachers given the failure of the Federal Ministry of Education to regularize their appointments despite several requests to the Ministry to do so;

Also aware that those teachers that were employed by the Parents Teachers Association (PTA) are far more in number than the regular teachers, and given the magnitude of the teaching responsibilities they bear, the College will be forced to shut down if those teachers are eventually frustrated out, a development that will have disastrous consequences for parents and students alike.

Resolves to:

Mandate the Committee on Tertiary Education and Services to interface with the Federal Ministry of Education with a view to ensuring the regularization of the appointments of the teachers employed and being paid by the Parents Teachers Association (PTA) at the Federal Government College, Ohafia and all other such Federal Government Colleges, and report back within six (6) weeks for further legislative action (*Hon. Nkole Uko Ndukwe — Arochukwu/Ohafia Federal Constituency*).

Debate.

Amendment Proposed:

In the Prayer, immediately after the words "Committee on", *leave out* the word "Tertiary" and *insert* the word "Basic" (*Hon. Orker-Jev Emmanuel Yisa — Buruku Federal Constituency*).

Question that the amendment be made — Agreed to.

Question on the Motion as amended — Agreed to.

The House:

Noted that the Federal Government College, Ohafia, Abia State was established, along with other Colleges to provide qualitative education for the youth in order to boost the literacy level in Nigeria;

Also noted that due to lack of teachers for such core subjects like Mathematics, English Language, Biology, Physics, Chemistry, etc, the Parents Teachers Association (PTA) of the College undertook to employ teachers for those subjects and pay them, a situation that is replicated at other Federal Government Colleges;

Resolved to:

Mandate the Committee on Basic Education and Services to interface with the Federal Ministry of Education with a view to ensuring the regularization of the appointments of the teachers employed and being paid by the Parents Teachers Association (PTA) at the Federal Government College, Ohafia and all other such Federal Government Colleges, and report back within six (6) weeks for further legislative action (**HR. 26/2018**).

17. **Need for the Federal Government to Review Nigeria's Visa Issuance Policy to American citizens and Other Applicants from One-Year Single Visa Entry to Up to Five Years Multiple Visa in Conformity with Up to Five Years Multiple Visa being Issued to Nigerian Visa Applicants by the United States Government**

Motion made and Question proposed:

The House:

Notes that Nigeria's Visa issuance procedures and rules approves only a maximum of One Year Single Entry Visa for American Visa Applicants and other Applicants from other countries entering Nigeria, whereas the American Government issues a maximum of up to five years multiple entry Visas to Nigerian Applicants;

Also notes that the issuance of One Year Entry Visa to Americans and Applicants from other countries, irrespective of their purpose of visit to Nigeria is counter-productive to the economic growth of the nation, bilateral relations and inflow of foreign investments;

Aware that given the close ties the United States of America and many European and Asian countries have with Nigeria in the areas of economy, public health, peace, security and education, the issuance of only One Year Single Entry Visas and unnecessary Visa policies to citizens of those friendly countries has inadvertently affected the number of foreign visitors willing to invest in Nigeria;

Also aware of statistics showing that over 850,000 Nigerians applied for United States Visas and successful applicants were issued a maximum of up to five years' entry Visas and reports indicate that two of every Nigerian applicants are successful in their quest for Visa to the United States;

Cognizant of the need for a review of the nation's Visa policy which will likely lead to an increase in the number of American, Asian and European investors visiting the country for businesses and also increase the presence of tourist visitors to the country, thereby boosting the economy through tourism;

Further aware that an estimated one million Nigerians and Nigerian Americans live, study and work in the United States and Nigeria has the highest population of African immigrants in the country which makes it imperative for Nigeria to sustain the cordial relationship by reciprocating the good gesture of the United States by reviewing our Visa issuance policy from a single One-Year Entry to up to Five-Years for American Visa Applicants and those of other countries;

Resolves to:

Mandate the Committee on Interior to interface with relevant Government Agencies on the need for an upward review of the length of the Visa issued to American applicants from One-Year to Five-Years in order to encourage the flow of foreign investments, open up the economy and build local base for businesses in the country (*Hon. Ehiozuwa Johnson Agbonayinma — Egor/Ikpoba/Okha Federal Constituency*).

Debate.

Amendments Proposed:

- (i) In the Prayer, immediately after the words "Committee on", *leave out* the word "Interior" and *insert* the words "Foreign Affairs" (*Hon. Ogun Sergius Oseasochie — Esan Northeast/Esan Southeast Federal Constituency*).

Question that the amendment be made — Negatived

- (ii) *Leave out* all the words in the Prayer and *insert* as follows:
"Mandate the Committee on Foreign Affairs, to interface with the Federal Ministries of Foreign Affairs, and Interior to fashion out a suitable visa policy for all countries based on reciprocity" (Hon. Pwajok Edward Gyang — Jos South/Jos East Federal Constituency).

Question that the amendment be made — Agreed to.

Question on the Motion as amended — Agreed to.

The House:

- *Noted* that Nigeria's Visa issuance procedures and rules approves only a maximum of One Year Single Entry Visa for American Visa Applicants and other Applicants from other countries entering Nigeria, whereas the American Government issues a maximum of up to five years multiple entry Visas to Nigerian Applicants;

18. **Need for Special Budgetary Intervention for NAPRI-Zaria towards Solving the Recurring Herdsmen/Farmers Clashes**
Motion made and Question proposed:

The House:

Notes that the devastations caused by herdsmen have presented serious security challenges in our recent national experience, and resulted in loss of numerous lives, maiming of people and wanton destruction of properties across several States in the country;

Also notes that available security reports indicate that the company of cattle herders might have been infiltrated by criminal bandits and terrorist elements with a clearly sinister agenda of destabilizing the nation;

Observes that the practice of herdsmen roaming in the wild and dangerous terrains across the length and breadth of the country in search of pasture, away from desert encroachment and adverse effects of climate change is the root cause of the clashes with farmers and is also exposing them to the danger of falling prey to cattle rustlers and kidnappers, further complicating the security challenges in the country;

Convinced that granting attention to provision of essential pasture and feeds for cattle (by modern breeding practices), is the key to effectively terminate the avoidable and tortuous mobility of the herdsmen and their cattle stock;

Aware that the National Animal Production Research Institute (NAPRI) at Shika-Zaria, was established in 1976 as the foremost Animal Production Research Institute to provide technical support and extension services in animal husbandry in Nigeria, with the exact mandate of developing and promoting those modern practices that make nomadic farming unnecessary,

Also aware that NAPRI, sited on an expansive 1,800 hectares of land, has developed high energy, high vitamin and high protein grass species that can be multiplied to feed much more than our current national cattle population all year round, as well as improved cattle varieties for high meat and milk production, and also the technology for fast animal growth and multiplication, but unfortunately, all the facilities and capabilities available at NAPRI, have remained essentially latent due to long years of neglect;

Further aware that a good number of State Governments, cattle breeders and support farmers are desirous of embracing modern farming methods and now await relevant agencies such as NAPRI to provide the needed guidance and extension services to enable them proceed;

Also convinced that a determined resolve of Government to go in the right direction will encourage investments and emergence of support farmers that will greatly transform the cattle breeding value chain nationwide, in line with global best practices;

Resolves to:

Mandate the Committees on Agricultural Colleges and Institutions, Agricultural Production and Services and Appropriations to package a special intervention for NAPRI in the 2018 budget to enable the Institution realize its mandate, and so facilitate a quick resolution of the current security impasse in the country (*Hon. Dennis Nnamdi Agbo — Igbo-Eze North/Udenu Federal Constituency*).

Debate.

Agreed to.
