Question that the matter be considered as one of urgent public importance — Agreed to.

Question that the House do suspend Order Eight, Rule 4 (3) to enable it debate the matter forthwith — Agreed to.

Need for the Federal Government to Prioritize Funding of Counter-Insurgency Operations in the Country:

The House:

Notes the general state of insecurity in the country ranging from insurgency, militancy, banditry, herdsman-farmers clashes, cattle rustling, pipeline vandalism, hooliganism, cultism and extrajudicial killings;

Also notes that the Nigerian Armed Forces is carrying out various operations and counter-insurgency initiatives aimed at combating terrorism, deadly herdsman, cattle rustling, kidnapping, oil theft, pipeline vandalism, and armed robbery across the country;

Aware that such operations exist in all the six geopolitical zones of the country, with Operation Lafia Dole in the North-East which handles the overall Counter-Terrorism and Counter-Insurgency Operations with expanded scope, scale and depth comprising three divisions and then five states dovetailing into other specialized operations like Operation Crackdown, Operation Gama Aiki, and Operation Safe Corridor;

Also aware of several counter-insurgency operations by the Armed Forces including Operations Safe Haven, Sharan Daji, Harbin Kunama, Delta Safe (formerly Pulo Shield), Crocodile Smile, Mesa, Safe Conducts, Quick Response Squad, 777, Whirl Punch, etc;

Further aware that since the inception of the current administration, the security budget of the nation comprising allocations for the Ministries of Defense and Interior, and the Office of the National Security Adviser (ONSA) is structured to address the aforementioned internal security threats;

Observes that budget allocation for the security sector was ₦932 billion in 2014, ₦969 billion in 2015, ₦1.063 trillion in 2016, ₦1.142 trillion in 2017, ₦1.323 trillion in 2018 and has minimally increased in the 2019 budget;

Also observes that the policy framework guiding the Federal Government's security budget decision is to ensure that security operatives are properly equipped and well-motivated to combat insurgency, reintegrate Internally Displaced Persons and rebuild communities which have been adversely affected by the insurgency especially in the North-East;

Concerned about the daily reported cases of officers and men of the Nigerian Armed Forces being killed by insurgents in Borno State and other parts of the North-East;

Worried by the rate at which men of the armed forces lose their lives in the fight against insurgency in the North East particularly the report that six soldiers, including a colonel were recently reported killed in an ambush by the Boko Haram insurgents in Borno State;

Also worried that the Nigeria Armed Forces are still not well armed compared to the fire power of the Boko Haram insurgents;

Cognizant of the claim by the Federal Government that Boko Haram and insurgency in the North East have been technically defeated having reclaimed all the 14 Local Governments initially controlled by the insurgents in Borno State;

Acknowledges the urgent need to properly fund the counter-insurgency operations in the country to be timely and on target, taking into account the welfare needs and challenges of the men at the frontlines and their families;

Resolves to:

- (i) call on the Federal Government to provide sufficient funding of the counter-insurgency Operations in the country a priority; and
- (ii) mandate the Committee on Defence to ensure that appropriated funds are judiciously applied to security needs (*Hon. Satomi Ahmed — Jere Federal Constituency*).

Order read; deferred by leave of the House.

9. Need to Curtail Nylon and Plastic Pollution

Motion made and Question proposed:

The House:

Notes that over 15% of the solid waste generated in major cities across the country are from nylons' and plastics;

Worried that due to inadequate supply of drinking water in most homes, households resort to sachet and plastic bottled water thereby generating large volume of waste;

Concerned that burning of nylon and plastic wastes cause air pollution due to the release of poisonous gases into the air which jeopardizes public health and depletes the ozone layer;

Also notes that organic waste poses a lesser hazard to the environment due to its easy decomposition while inorganic wastes like nylons and plastics constitute serious environment hazards because it takes more than 30 years for nylon and plastic to decompose;

Resolves to:

- (i) urge the Federal Ministry of Environment to carry out a sustainable campaign on the dangers of Nylon and Plastic waste, and to, as a matter of urgency, initiate a programme for collection and recycling of nylon and plastic waste across the nation; and
- (ii) mandate the Committee on Environment to Investigate the circumstances surrounding the non-implementation of Plastic Policy of the Federal of Environment in Collaboration with States and report back within four (4) weeks (*Hon. Chukwuma Umeoji — Aguata Federal Constituency*).

Debate.

Order read; deferred by leave of the House.

11. Need to Investigate Sterling Oil Exploration and Energy Production Company Limited (SEEPCO's) Non-Compliance with Nigeria Local Content Act

Motion made and Question proposed:

The House:

Notes that the enactment of the Nigerian Oil and Gas Industry Content Development Act of 2010 (otherwise called the Local Content Act) was a milestone in the Nigerian Oil and Gas Industry;

Also notes that the Local Content Act was enacted to provide a Legal Framework for increased Nigerian's participation in all the activities connected with exploration, exploitation, development, transportation and sale of crude oil and gas resources in the Nigerian oil and gas industry;

Further notes that the Local Content Act specifies 70% use of indigenous labour, materials and resources in all oil and gas projects in the Nigerian oil and gas sector;

Aware that Sterling Oil Exploration and Energy Production Company Limited (SEEPCO), an Indian company with businesses in 6 continents and several countries such as India, USA, China, Japan, Europe, Middle East and South East Asia, ventured into Nigerian oil and gas market in 2005 and is presently, successfully producing crude oil in the Niger Delta;

Observes that most of the human and material resources and services being utilized by SEEPCO in the Niger Delta region and particularly, in Ndokwa/Ukwuani Federal Constituency are mostly Indians;

Informed that the Local Content Act prescribed that the minimum Nigerian content requirement in any project, service or product specification to be executed in the Nigerian oil and gas industry shall be consistent with the level set-out in the Schedule to the Act;

Cognizant that the neglect over the years by the Nigerian Content Monitoring Board that is saddled with responsibility to monitor, supervise and coordinate the Local Content Act; has grossly defeated the purpose of the prescribed minimum thresholds for Nigerian participation in the activities within the Nigerian oil and gas industry;

Also aware that Section 16 I(c) of the Constitution of the Federal Republic of Nigeria, 1999 enjoins the Federal Government to "manage and operate major sectors of its economy," thereby avoiding foreign domination of the economy;

Resolves to:

Mandate Committees on Petroleum Resources(Upstream), Petroleum Resources (Downstream)and Nigerian Content and Monitoring Development to investigate the level of utilization of the Local Community and the Nigeria human and material resources by SEEPCO in Ndokwa/Ukwuani Federal Constituency of Delta State and report back within four (4) weeks (*Hon. Ossai Nicholas Ossai — Ndokwa East/Ndokwa West/Ukwuani Federal Constituency*).

Debate.

Amendment Proposed:

Leave out all the words in the Prayer and *insert* the following:

"Mandate Committees on Local Content, Petroleum Resources(Upstream), and Petroleum Resources (Downstream) to investigate the level of utilization of the Local Community and the Nigeria human and material resources by SEEPCO in Ndokwa/Ukwuani Federal Constituency of Delta State and report back within four (4) weeks" (*Hon. Ossai Nicholas Ossai — Ndokwa East/Ndokwa West/Ukwuani Federal Constituency*)

Question that the amendment be made — Agreed to.
