10. Need to Complete the Rehabilitation of Mubi-Maiha-Sorau Road with Spur from Mubi-Bukula in Adamawa State

Motion made and Question proposed;

The House:

Notes that the Federal Government, sometime in 2014, awarded the contract for the Rehabilitation of Mubi-Maiha-Sorau road with spur from Mubi-Bukula to Messrs De-Pacific Investment Ltd at the cost of ₦2,997,940,010.26 (Two Billion, Nine Hundred and Ninety-Seven Million, Nine Hundred and Forty Thousand and Ten Naira, Twenty-Six Kobo) and an advance payment of ₦449,691,001.50 (Four Hundred and Forty-Nine Million, Six Hundred and Ninety-One Thousand and One Naira, Fifty

Kobo) was made to the contractor who mobilized to site but abandoned it when the Boko Haram insurgents were approaching the area;

Concerned that the contractor failed to move back to site even though the area has been cleared of Boko Haram insurgents since January 2015, but the Federal Ministry of Power, Works and Housing in December 2016 intervened and the contractor signed an undertaking to go back to site but has failed to do so;

Worried that the deplorable state of the road is causing untold hardships to commuters and inhabitants of the communities along the routes who are predominantly farmers and are now finding it difficult to transport agricultural produce and other goods to the markets, thereby reducing economic activities and development in those areas.

Resolves to:

- (i) urge the Federal Ministry of Power, Works and Housing to direct the contractor to go back to site to continue the work or refund the advance payment of ₦449,691,001.50 (Four Hundred and Forty-Nine Million, Six Hundred and Ninety-One Thousand and One Naira, Fifty Kobo) already paid to it;
- (ii) mandate the Committees on Works, and Appropriations to make allocation for the project in the 2017 budget; and
- (iii) also mandate the Committee on Legislative Compliance to ensure compliance with the resolution (*Hon. Abdulrahman Shuaibu Abubakar — Miahia/Mubi North/Mubi South Federal Constituency*).

Agreed to.

(HR. 89/2017).

Motion referred to the Committees on Works, and Appropriations, pursuant to Order Eight, Rule 9 (5).

11. Call for Assistance to the Victims of the 2016 Flooding at Bile Kingdom

Motion made and Question proposed;

The House:

Notes with concern the devastation caused at Bile Kingdom in Degema Local Government Area of Rivers State by flooding in 2016;

Also notes that the flooding has become a re-occurring incidence in the last five years between the months of January/February, May/June, and then October/November;

Further notes that it is the Akpority, Bebe, Nengi, Jacob-Sanipe, Soso, Krikama, Tunmbo-ama and Dike-ama Rivers which often flood simultaneously and leave, in their wake, devastation beyond comprehension;

Aware that after each flooding, lives are lost and the people lose their livestock, properties, homes, places of worship and business, schools, etc. and the survivors are left homeless and have to move to make-shift tents, while school children remain out of schools;

Concerned that since the 2016 flooding, no organized camp facility has been provided for the internally displaced persons (IDPs) who have also not had any reliable means of supporting themselves, thus creating the likelihood of their posing a security threat to the society;

Resolves to:

- (i) urge the National Emergency Management Agency (NEMA) to liaise with the State Emergency Management Agency (SEMA) to provide relief materials to cushion the sufferings of the victims of this incident and also provide badges and giant boats to enable the people move their property to safer places;
- (ii) mandate the Committees on Emergency and Disaster Preparedness, and Legislative Compliance to ensure implementation and report back within three (3) weeks for further legislative action (*Hon. Randolph Iwo Oruene Brown — Degema/Bonny Federal Constituency*).

Agreed to.

(HR. 90/2017).

Motion referred to the Committees on Emergency and Disaster Preparedness, and Legislative Compliance; pursuant to Order Eight, Rule 9 (5).

12. **Need to Connect Every Local Government Headquarter to the National Grid**

Motion made and Question proposed;

The House:

Notes that only about 26% of rural households have access to electricity, leaving the mass population of rural dwellers to rely on wood, kerosene, fuel and other expensive, unhealthy, environmentally unfriendly and unsustainable sources of energy, with their attendant hazards and inefficiencies;

Aware that electric power, being the critical factor that engenders growth and development of society, civilization, industrialization and modern economies is a top priority issue and an imperative amongst the responsibilities of Government to her citizens;

Observes the wide scope of the impact of electricity on Agricultural-irrigation, crop processing and preservation, electric oven, fish drying and cold room storage for fish and aqua-culture harvests; Trade, commerce and industry-artisans, micro, cottage and small scale enterprises; Health-sterilization and preservation of medical supplies, maternity services, surgical and other medical interventions at the rural health centres, reduction of indoor pollution and the attendant incidents of respiratory diseases; Security - lighting of public space; Social - educational, leisure, entertainment and communication activities among others;

Also observes that communities without access to electric power have their productivity and developmental capacities severely hampered, resulting in perennial poverty, heightened insecurity, wasted potentials and general backwardness;

Further observes, as a classic example, that Ngo and Opobo, which are the headquarters of Andoni and Opobo/Nkoro Local Government Areas respectively which make up the Andoni-Opobo/Nkoro Federal Constituency, have never been connected to the national grid to enjoy this basic infrastructure;

Concerned that the poverty alleviation and economic diversification policies and efforts of Government may fail to achieve the desired results if this enabling factor is not given renewed and increased attention;

Resolves to:

- (i) urge the Federal Government to declare a state-of emergency in the power sector as the fulcrum of our economic recovery;

- (ii) mandate the Committee on Power to interface with the Federal Ministry of Power, Works and Housing, the Rural Electrification Agency of Nigeria and other relevant agencies to facilitate, as a matter of urgency, the connection of all Local Government Headquarters in Nigeria to the National Grid, in the first instance;
- (iii) develop, in consonance with the same agencies, a strategic road map for the acceleration of rural electrification and report back within eight (8) weeks for further legislative action (*Hon. Awaji-Inombek D. Abiante — Andoni-Opobo/Nkoro Federal Constituency and 15 others*).

Agreed to.

(HR. 91/2017).

Motion referred to the Committee on Power, pursuant to Order Eight, Rule 9 (5).

13. The Ban Clamped on the Use of 200 Horse Power Outboard Engines in the Niger Delta Area
Motion made and Question proposed;

The House:

Notes the recent ban imposed by the Nigerian Navy and the Nigerian Maritime Administration and Safety Agency on the use of 200 Horse Power outboard engines in the riverine areas of Niger Delta without due consideration of the fact that some areas like Burutu Federal Constituency, for example, are completely surrounded by water and the use of speed boats is the only means of transportation from and to, and within communities;

Observes that since the ban was announced, numerous operators and other stakeholders in the marine transport sub-sector have come out with strident outcries that the policy has deprived thousands of people in the sub-sector and their dependents of their means of livelihood;

Concerned that a downside of the ban is that while it seeks to curtail insecurity, it is also laden with other variants of insecurity because when people are now made to travel in sluggish moving boats, they become vulnerable to robberies and kidnaping by sea pirates;

Also concerned that the claim that the 200-Horse Power outboard engine is difficult to track down is not founded on any empirical or altruistic reasons other than a clear demonstration of vindictiveness and high-handedness by some state actors who want to shield what seems to be a state of helplessness in charting a better and more humane policy options with minimal adverse consequences on the people;

Resolves to:

- (i) call on the Federal Government to halt forthwith the continued implementation of the ban and initiate the process of registration of all 200 Horse Power outboard engines and carry out proper documentation and profiling and monitoring of the owners and operators of such speed boats;
- (ii) mandate the Committee on Maritime Safety, Education and Administration to ensure implementation and report back within four (4) weeks for further legislative action (*Hon. Julius G. Pondi — Burutu Federal Constituency*).

Debate.

14. **Need for Immediate Reconstitution of the Investment and Securities Tribunal (IST)**

Motion made and Question proposed;

The House;

Observes that following the dissolution of Boards of Ministries, Departments and Agencies by the Federal Government on 16 July, 2015 through a circular from the Office of the Secretary to the Government of the Federation, the Investment and Securities Tribunal has not been able to sit to adjudicate on issues that bother on the Capital Market;

Also observes that concerted efforts to make the Federal Government realize the strategic importance of the tribunal to the national economy, and therefore the need for reconstitution of its membership and reiterate its status as a civil court and not a board, has yielded no positive results;

Worried that in the last eighteen months of the non-reconstitution of the Tribunal, the case docket has grown with about 51 pending cases;

Also worried that prior to the dissolution of the Tribunal, it had from inception in 2007 adjudicated on matters with a cumulative monetary value of about ₦400 billion, which has gone a long way in stabilizing the market and the economy;

Disturbed that the continued non-reconstitution of Membership of the Tribunal is grossly affecting its role as the "Capital Market Adjudicator" through which disputes are resolved;

Also disturbed that this has impugned on the credibility and integrity of the IST as Capital Market Stakeholders now doubt its relevance and investors' confidence is gradually being eroded;

Alarmed that due to the unfortunate situation, while many litigants are getting restive and frustrated as they cannot find any lawful avenue to ventilate their grievances, some others are mooting the idea of self-help, which is inimical to the health of the Capital Market and national economy;

Concerned that the Federal Government does not realize that for the Capital Market to play its role as an alternative source for long term capital amidst dwindling oil revenue and economic recession, there is urgent need to strengthen the IST;

Aware that some countries in Europe, America, Asia and Africa have better developed markets because they have developed adjudicatory systems that are independent and operate with a measure of predictability and certainty;

Resolves to:

- (i) call on the Federal Government to expedite action on the re-constitution of the membership of Investment and Securities Tribunal (IST);
- (ii) mandate the Committee on Capital Market and Institutions to liaise with the Federal Ministry of Finance and other relevant MDAs with a view to working out short term solutions that would enable the Investment and Securities Tribunal (IST) function before the re-constitution of its Membership (*Hon. Yusuf Tajudeen — Kabba/Bunu/Ijumu Federal Constituency*).

15. Need to Intervene in the Payment of Local Vendors in the Oil and Gas Industry with a View to Saving the Local Contractors in Line with the Local Content Act

Order read; deferred by leave of the House.

11. Need to Arrest the Resurgence of Kerosene Explosions with Attendant Fatalities

Motion made and Question proposed;

The House:

Notes the current high incidence of kerosene explosions in various parts of the country which have resulted in loss of several lives and destruction of properties;

Also notes the prevailing high cost of Dual Purpose Kerosene (DPK) which presently sells at about ₦260 per liter, making kerosene more expensive than Fuel (PMS);

Further notes that kerosene is the fuel used by most average and rural Nigerians for cooking and lighting.

Worried that Dual Purpose Kerosene (DPK) and Aviation Fuel (ATK) have similar properties and composition, further suggesting that high cost of kerosene and its consequent adulteration could result in very unsafe situation for the aviation industry and the entire nation;

Aware that kerosene is sold/dispensed by unregistered vendors out of surface tanks at unregulated locations that are highly prone to sharp practices;

Also worried that there is always a nexus between the high cost of kerosene, kerosene adulteration with cheaper fuel and the attendant fatalities from kerosene explosions as kerosene gets adulterated with cheaper and highly inflammable fuel with low flash point;

Concerned that hapless Nigerians enduring the hardships of the time are now confronted with a new double tragedy of high cost of an essential domestic consumable and a present danger of tragedy from product adulteration;

Resolves to:

- (i) mandate the Committee on Petroleum Resources (Downstream) to, as a matter of urgency, liaise with relevant agencies to inquire about the high cost of kerosene with a view to unraveling the root causes;

- (ii) urge the Nigerian National Petroleum Corporation (NNPC) and other relevant agencies to urgently regularize the supply of kerosene across the country and normalize its pump head price;
- (iii) also mandate the Committee on Legislative Compliance to ensure implementation and report back in four (4) weeks for further legislative action (*Hon. Agbo Dennis Nnamdi — Igbo-Eze North/Udeni Federal Constituency*).

16. **Need to Address the Menace of Hazardous Black Soot Causing Panic in Port Harcourt, Rivers State and its Environs**

Motion made and Question proposed;

The House:

Notes that black soot are fine particles composed mainly of carbon produced by incomplete combustion of oil, wood or fuel and consists of acid rain, metals, soils and dust and is causing serious panic among residents of Ikwerre and other parts of Port Harcourt as it makes people to sneeze and cough out a black substance after inhaling the soot;

Also notes that the presence of the black soot is noticeable on spread cloths, parked cars, water stored in drums, and when a white handkerchief is used to clean one's face or to sneeze;

Concerned that once the soot enters the bloodstream, it can cause a wide array of serious respiratory and other health issues, including shortness of breath, bronchitis, asthma, stroke, heart attack, cancer and ultimately, premature death, especially among children who are more at risk;

Also concerned that if the sources of the emission of the black soot into the air are not identified and addressed urgently, there would be more fatalities in the oil rich city of Port Harcourt;

Resolves to:

- (i) urge the Federal Ministries of Environment and Health to, as a matter of urgency, constitute an emergency team of experts to identify the sources of the black soot and propose how to remedy the situation to avert a potential catastrophe in the city;
- (ii) also urge the Federal Ministries to create awareness on the effects of the black soot and further urge the National Emergency Management Agency (NEMA) to offer first aid measures to the people; and
- (iii) mandate the Committees on Environment and Habitat, and Healthcare Services to ensure implementation and report back within four (4) weeks for further legislative action (*Hon. Chidi Frank Wihioka — Ikwerre/Emoha Federal Constituency*).

Debate.

Amendment Proposed:

Insert a new Prayer (iv) as follows:

“Urge the Armed Forces to desist from setting ablaze the illegal refineries and adopt a more civilized and internationally acceptable method of curbing the illegal refineries” (*Hon. Chinda Kingsley — Obio/Akpor Federal Constituency*).

Question that the amendment be made — Agreed to.

Question on the Motion as amended — Agreed to.

17. Call for Upgrade of Medical Facilities at Michika/Madagali Federal Constituency for Treatment of Victims of the Insurgency and the Returning Internally Displaced Persons (IDPs):
Motion made and Question proposed;

The House:

Notes the recent attacks at market squares, military check-points, worship places etc in Madagali Local Government Area of Adamawa State by suicide bombers which killed many innocent people and several others sustaining various degrees of injuries;

Aware that Michika/Madagali federal constituency has one burnt cottage hospital at Gulak and a dilapidated general hospital at Michika which serve as centers for treatment of victims of the insurgency whenever an attack occurs;

Observes that those two health facilities lack the resources and equipment to treat the large number of casualties from the attacks, given for instance, that the foundation of Michika general hospital was laid in 1984 by President Muhammadu Buhari when he was the Military Head of State and the hospital was constructed with pre-fabricated fibers which have maximum life span of 20 years, unlike the concrete buildings that last longer;

Worried that with the spate of casualties and the high number of patients seeking health services, especially the returning IDPs, the two hospitals lack the required standard to meet up with the demands;

Cognizant that the Federal Government has set up a Presidential Committee on Northeast Initiative (PCNI) to intervene in the face of wholesale destruction of infrastructure in the zone;

Resolves to:

- (i) urge the Presidential Committee on Northeast Initiatives (PCNI) to, as a matter of urgency rehabilitate and equip the cottage hospital, Gulak, the general hospital, Michika and their access roads to sustain the high number of patients, victims of insurgency and returning IDPs seeking medical care at the hospitals;

- (ii) mandate the Committees on Health Institutions, and Healthcare Services to ensure implementation and report back within six (6) weeks for further legislative action (*Hon. Adamu Dali Usman Kamale — Madagali/Mitchika Federal Constituency*).

Agreed to.

(HR. 96/2017).

Motion referred to the Committees on Health Institutions, and Healthcare Services, pursuant to Order Eight, Rule 9 (5).
