INTRODUCTION

This compendium of laws governing elections in Nigeria is put together to assist citizens and election stakeholders to better understand the legal regime surrounding elections in Nigeria. This Compendium extracts relevant portions of the Constitution directly impacting on elections, as well as the full and most up to date provisions of the Electoral Act, compiling it into this volume. Included in the volume is the Guidelines and Regulations issued on 12 January 2019 by the Independent National Electoral Commission (INEC) to guide the 2019 general elections in Nigeria.

Within this volume is the complete reproduction of the legal framework governing elections in Nigeria. As the current secretariat for the Nigeria Civil Society Situation Room, Policy and Legal Advocacy Centre (PLAC) has worked closely with the Nigerian National Assembly and INEC to follow closely the achievement of the current legal framework on elections in Nigeria and is a major repository of knowledge, history and tracking of legal regime for elections in Nigeria.
