MOTION**8. Call to Investigate the Fraudulent Award of Contracts Amounting to ₦42 Billion on Rural Electrification Schemes in some Federal Universities:****Hon. Darlington Nwokocha:**

The House:

Notes that the Rural Electrification Access Program in the Federal Universities is a pilot scheme designed by the Federal Ministry of Power, Works and Housing to electrify eight (8) Federal Universities in the first instance and later replicate same across the remaining Universities;

Also notes that the sum of Nine Billion, Five Hundred Million Naira (₦9,500,000,000) was appropriated for the projects in the 2017 Appropriation Act;

Aware that the projects, which were supposed to be spread across the six geo-political zones of the country were not evenly distributed, but mainly concentrated in some zones to the disadvantage of the others, which is against the principle of federal character enshrined in Section 14 (3) of the Constitution of the Federal Republic of Nigeria, 1999;

Also aware that the projects, which were initially approved at ₦9.5 billion in the Appropriation Act, were later awarded at the total cost of ₦42 billion in violation of the Public Procurement Act;

Concerned that the contracts were selectively awarded to two (2) contracting companies that do not have any records of achievements in the fields which is tantamount to further violation of the Public Procurement Act;

Resolves to:

- (i) urge the Federal Ministry of Power, Works and Housing to stop forthwith further procurement processes on the projects, pending the outcome of investigation; and
- (ii) mandate the Committees on Power and Public Procurement to investigate the matter and report back in three (3) weeks for further legislative action.
