The Senate:

Aware that the National Policy on Education recognizes the importance of computer education and ICT by providing for the training of teachers and provision of basic facilities for teaching computer knowledge in primary and secondary schools;

Aware that computer knowledge is been taught in primary and secondary schools across Nigeria;

Observes that computer knowledge is a practical subject that must be practiced for effective understanding;

Further observes that most public school in Nigeria lack competent teachers in computer knowledge and the basic facilities to properly teach pupils and students in primary and secondary schools computer knowledge; and

Notes almost all aspect of Nigerian and global sectors is now ICT based and our future generation are not been prepared for the future, reminded that Education (inclusive of computer education) is a fundamental right.

Accordingly resolves to:

- i. *Urge* the Federal Government and all stakeholders in the education sector to address the sorry state of computer education by providing computer training for teachers in public schools and basic computer facilities for the proper training of pupils and students in computer knowledge;
- ii. *Urge* the government to formulate a policy for the building and equipping of a computer lab in primary schools; and
- iii. *Mandate* the committee on Education when constituted to liaise with all stakeholders in education to comply with the policy.

The Senate:

Notes that the Federal Government through the Federal Ministry of Works, Housing and Power in June, 2018 launched the reconstruction of Abuja -Kaduna- Zaria-Kano road, with 36months completion period;

Notes also that the development led to the creation of many diversions leading to gridlock, accidents and loss of lives and properties on the road;

Worried that due to lack of fully equipped Emergency Medical Units on the road, people involved in accidents who ought to have been saved, lost their lives due to lack of prompt medical assistance;

Worried also that many travelers on that road suffer untold hardship and are exposed to numerous risks due to blockade and several diversions. This in turn results to loss of time, accidents and sometimes deaths,

Disturbed that the accident which occurred on 10th June, 2019 claimed many lives including four Police cadets who were in their 400 Level at Police Cadet Academy, Wudil-Kano and a professor of Pediatrics with Ahmadu Bello University, Teaching Hospital Zaria;

Disturbed also that despite the number of recurring accidents and untold hardship by motorists, the Federal Road Safety Commission, Kaduna Sector Command has only a small emergency unit in Birnin Yero to attend to accident victims with only one ambulance;

Observed that the contractor handling the project has no safety engineers who are expected to take safety measures to protect motorists and other road users; and

Observed also that the causes of accidents on Nigerian roads include; over speeding, dangerous overtaking, over loading, use of expired Tukumbo Tyres, reckless driving, phone calls, disregard for traffic rules and regulations among others.

Accordingly resolves to:

- i. *Observe* a minute silence for those who lost their lives on the road since the work commenced; and
- ii. *Urge* the Federal Ministry of Health to establish emergency Medical Units (Trauma Centres) on the road.
