The Senate:

Aware and recognizes with delight that Friday, 27th May as Children's day with the theme 'Stop Violence against Children;

Notes that the 27th of May each year is observed as Children's Day in Nigeria;

Recognizes the significant role of the Nigerian Child in the nation's development and the need to lay a good foundation for them and secure their future;

Appreciates the children of Nigeria through the passage of legislations such as:
The Child Rights Act, 2003, which defines a new child protective system and allows opportunities for the participation of children in matters that concern their rights and welfare which had been adopted and is being implemented in 23 states including the Federal Capital Territory. The Universal Basic Education Act, 2004 which makes the education of the Nigerian Child compulsory and enforceable rights, with penalties for parents and guardians who fail or neglect this obligation;

Acknowledges that a proper system of education and good health care delivery are indispensable towards making the Nigerian child relevant in the global context;

Recognizes under the National Health Act, 2014, all pregnant women, the elderly, the disabled and children are to be exempted from paying for services in public hospitals;

Worried that this is not so in practice, as children and pregnant women still pay for medical services in public hospitals contrary to the expressed provisions of the National Health Act, 2014;

Further Worried that as a result of insurgency and the general security situation in the country, children and women have been rendered more vulnerable; and

Alarmed that over 70% of the people in Internally Displaced Persons (IDPs) Camps are women and children who have been rendered orphans and widows.

Accordingly resolves to:

(i) *Congratulate* the Nigerian children on the celebration of the 2016 Children's Day;

(iv) *Mandate* the joint Committees of Women Affairs and Health to visit IDP Camps and look into the health and welfare of the women and children and recommend appropriately to the Senate;
