 Sen. Robert Ajayi Boroffice (*Ondo North*)
 -That the Senate do receive the report of the Committee on Science and Technology on the Chemical Weapons (Prohibition) Bill, 2018 (SB. 585) - *To be Laid.*

ORDERS OF THE DAY

MOTION

1. Irregularities in the ongoing Oil and Gas Lease Renewal and massive loss of government revenue.

Sponsor: Sen. Omotayo D. Alasoadura (*Ondo Central*)

Co- Sponsors: Sen. Baba Kaka Bashir Garbai (*Borno Central*) Sen. James E. Manager (*Delta South*)
 Sen. Gershom H. Bassey (*Cross River South*)

The Senate:

Notes with concern that the Senate Committee on Petroleum Resources Upstream has since December 2017 been inundated with a plethora of petitions and complaints and has *son motu* observed that there are multiplicity of irregularities surrounding the ongoing renewal of oil and gas leases being undertaken by the Honourable Minister of State for Petroleum and Department of Petroleum Resources;

Notes with concern that the Honourable Minister of State for Petroleum Resources is granting all manner of illegal discounts and rebates in the process of the ongoing renewal of the leases;

Concerned that the action of the Honourable Minister of State for Petroleum Resources is capable of short-changing the country and denying the Federation the appropriate revenue accruable from the renewal of the said leases;

Notes that the Honourable Minister of State for Petroleum Resources and Department of Petroleum Resources is proceeding to renew leases of companies that have brazenly and illegally refused to pay royalties due to government from oil and gas lifted by the said companies in contravention of extant laws;

Observes that under the provision of extant laws, failure to pay royalties is a ground for revocation of leases and a legal barrier to renewal of applicable leases;

Notes further that there is a subsisting legal framework and due process mandated by extant law for the renewal of leases that are due for renewal;

Observes that the Honourable Minister of State for Petroleum Resources and the Department of Petroleum Resources have deliberately, willfully and brazenly decided to depart from the subsisting legal framework and due process mandated by extant law for the renewal of all leases;

Concerned that the irregularities being perpetrated by the Honourable Minister of State for Petroleum Resources and the Department of Petroleum Resources in the ongoing lease renewal process is capable of denying government revenue in excess of \$10 Billion as a result of illegal discounts and rebates in the process of lease renewal;

Concerned that the Department of Petroleum Resources has willfully and deliberately refused to provide the Senate Committee on Petroleum Resources Upstream with relevant information and data related to the ongoing lease renewal;

Satisfied of the need to thoroughly investigate the ongoing lease renewal being undertaken by the Honourable Minister of State for Petroleum Resources and the Department of Petroleum Resources given the potential alarming impact this will have on government in terms of loss of revenue accruable to the federation and to ascertain the reasons for the anomalies in the ongoing lease renewal process and also to identify appropriate measures to deal with these anomalies through appropriate legislative and other supportive instruments,

Accordingly resolves to:

Mandate the Senate Committee on Petroleum Resources Upstream to investigate all issues relating to the ongoing lease renewal being undertaken by the Honourable Minister of State for Petroleum Resources and the Department of Petroleum Resources and to report to the Senate the anomalies in the ongoing lease renewal process and identify appropriate measures to correct the said anomalies.
