MOTION

1. The Disappearance of Retired Major General I M Alkali.

Sponsor: Sen. Mohammed Hassan (*Yobe South*)

The Senate:

Notes with serious concern the disappearance of Major General IM Alkali, a retired Army General and the immediate past Director of Administration of Nigerian Army on Monday, 4th September, 2018 barely two months after his retirement;

Concerned that on Monday, 4th September 2018, his wife Mrs. Salamatu Alkali alerted the Army authorities that her husband who had departed Abuja the previous day in the morning for Bauchi had not reached his destination, after informing her the previous day on Monday, 3rd September, 2018 at about noon that he arrived Jos safely and would be passing through DU Road to Bauchi;

Notes with sympathy that that was the last communication she had with her husband until this moment as his where about is presently unknown;

Further notes that following his disappearance, the Nigerian Army with the support of the Nigerian Police, Department of State Security, Fire Service and other security agencies embarked on intensive search vide tracking of his phone up to when it was switched off as well as relying on Tip-offs;

Acknowledges the thoroughness of the investigation of the Nigerian Army and other Security Agencies who narrowed their search to a pool of water in Lafande Community in Du District of Plateau State by using local divers from Wase and Taraba State to search the pond since the community claimed they did not have local divers;

Concerned that earlier efforts of the Army and other Security Agencies did not yield the desired result, hence the whole pond was drained amidst protest from local women from the community who attempted to stop the Army from draining the water on the pretense that it was their only source of drinking water;

Laments that after two days of draining of the pond, a bus was found in it alleged to belong to a young man that had earlier disappeared along that road, while on 29th September, 2018 at about 6:00pm a Toyota car with Registration Number MUN 670 AA belonging to Maj. Gen IM Alkali was pulled out of the water with some of his belongings without any trace of his person, while another car (Rover) was recovered from the pond whose owner disappeared in 2013;

Acknowledges with serious concern the reported disappearance of numerous commuters along the DU axis for the past few years, especially Bauchi on-ward bound travelers and the need to address same urgently;

This incident raises some pertinent questions;

- Why did the people from Du Community refused to assist the Security Agencies during the search;
- Why did the people (women) try to prevent the Army from draining the water;
- Why didn't the community raise a formal complaint from the local government to the state government about the draining of the water;

- Who were those spreading false information about the circumstances of the disappearance of Maj. Gen IM Alkali and what were their motives,

Accordingly resolves to:

- i. **Urge** the Federal Government to setup an investigative Panel of enquiries to:
 - a. examine and determine the remote and immediate circumstances surrounding the dumping of cars in the ponds in DU District;
 - b. Identify and interrogate possible suspects in this dastardly act and ensure that the perpetrators face the full wrath of the law to serve as deterrence to other criminally minded persons in the strongest possible terms;
- ii. **Condemn** the act and urge all the surrounding communities (DU axis) to cooperate with Security Agencies to uncover this crime and criminality; and
- iii. **Urge** the Security Agencies to intensify effort towards finding Maj. Gen IM Alkali.
