4. Personal Explanation:

Rising on Rule 43, Senator Ike Ekweremadu (*Enugu West*) drew the attention of the Senate to advertorial publication on pages 20, 21, and 22 of the Leadership Newspaper of 11th July, 2017 by the Attorney-General of Kogi State with respect to his contribution on the Floor of the Senate over the process of recalling Senator Dino Melaye (*Kogi West*). He stated that the Attorney-General did not advised the State Government appropriately over the matter. He observed that the advertorial deliberately refuse to quote the relevant Constitutional Provisions which provides that the Senate must be satisfactorily convinced of the genuineness of the cause for the recall. He therefore, affirmed his earlier submission on the matter.

5. Matter of Urgent Public Importance:

Rising on Rule 42, Senator Buhari Abdulfatai (*Oyo North*) drew the attention of the Senate to the predicament of over 32,000 students of Ladoke Akintola University of Technology, Ogbomoso, Oyo State who had been at home for more than a year due to the closure of the University. He sought and obtained the leave of the Senate to present the matter.

Matter to stand over to the next Legislative Day [Rule 42(2)].

6. Matter of Urgent Public Importance:

Rising on Rules 42 and 52, Senator David Umaru (*Niger East*) drew the attention of the Senate on the flood disaster that affected Suleja and Tafa Local Government Areas of Niger State which rendered people homeless and led to loss to lives and properties. He sought and obtained the leave of the Senate to present the matter forthwith:

The Senate is concerned over the fierce flooding that ravaged homes and farmlands in Tafa and Suleja Local Government Areas of Niger State as a result of heavy rainfall on Sunday, July 9th, 2017;

aware that the unconfirmed reports contained in electronic and print media have put the death toll from the Suleja flood incident to over 15 persons with many lives waiting desperately for shelter, food and medical assistance;

concerned that the scale of the devastation is beyond the capacity of Suleja and Tafa Local Government Councils and indeed Niger State Government to handle except with intervention from the relevant relief agencies of the Federal Government;

worried that recent flood disasters in the country appear to have consistently caught victims off guard in spite of early weather forecast, including prediction of flood, thunderstorm and other extreme weather conditions by the Nigerian Meteorological Agency (NIMET)); and

alarmed that the victims of these flood incidents in Suleja, Tafa and other parts of the country are presently at the risk of contracting water borne diseases such as cholera and even malaria as a result of the devastation caused by the flood to their sanitation and immediate surroundings.

Accordingly resolves to:

- (i) commiserate with the Government and people of Niger State and other areas affected by the flood and other areas so affected aptly described as “waters of sorrows” by the Africa Independent Television (AIT);

- (ii) urge the Federal Government to send relief materials through the National Emergency Management Agency (NEMA) and also support the affected States in any other ways to ensure the immediate repair and reinforcement of damaged infrastructure that could withstand future rainfall and pave way for the resettlement of all flood victims;
- (iii) urge NIMET to intensify its weather forecasts with emphasis on translating such forecasts in languages widely spoken in areas that are likely to experience flood, thunderstorms and other extreme weather conditions;
- (iv) urge the Federal Government to as an emergency intervention measure, release funds from the Ecological Funds to the Niger State Government for immediate construction of drainage systems in Suleja, Tafa and other flood prone areas of Niger State;
- (v) urge Government at all levels to take seriously weather forecast and flood predictions by NIMET and accordingly take proactive measures to minimize loss of lives and properties associated with flooding and other natural disasters; and
- (vi) observe one minute silence in honour of those who lost their lives as a result of the flood incident.
