

HOUSE OF REPRESENTATIVES FEDERAL REPUBLIC OF NIGERIA FIRST VOTES AND PROCEEDINGS

Tuesday, 24 July, 2018

1. The House met at 11.52 a.m. Mr Speaker read the Prayers.
2. **Votes and Proceedings**
Mr Speaker announced that he had examined and approved the *Votes and Proceedings* of Thursday, 19 July, 2018.

The Votes and Proceedings was adopted by unanimous consent.

3. **Message**
Mr Speaker read a message from the President of the Federal Republic of Nigeria:

PRESIDENT,
FEDERAL REPUBLIC OF NIGERIA

18th June, 2018

Rt. Hon. Yakubu Dogara
*Speaker of the House of Representatives,
National Assembly Complex,
Three Arms Zone,
Abuja.*

Dear Rt Hon. Y. Dogara,

**DECLINING ASSENT TO FIVE (5) CONSTITUTION OF THE FEDERAL
REPUBLIC OF NIGERIA, 1999 (FOURTH ALTERATION) (AMENDMENT)
BILLS PASSED BY THE NATIONAL ASSEMBLY (NAMELY, BILLS NO. 8,
NO.15, NO. 22, NO. 24 AND NO. 28)**

Pursuant to Sections 9 (2) and 58 (4) of Constitution of the Federal Republic of Nigeria, 1999

(as amended), I hereby convey to the House of Representatives, my decision, on 7th June, 2018 to decline to assent to the following five (5) Bills:

- (a) **The CFRN, 1999 (Fourth Alteration, No. 8) Bill, 2017** — as Section 7 of this Bill may need to be redrafted to clearly indicate that it is Section 109 (1) (e) of the 1999 Constitution that is being amended. Also, there are existing laws that cater for legislative Service Commissions. Finally, prescribing a specific date in the 1999 Constitution for an annual State of the Nation Address may create practical challenges in diarizing this event;
- (b) **The CFRN, 1999 (Fourth Alteration. No.15) Bill, 2017** — as Section 5 (a) of this Bill should also amend the marginal note to Section 214 of the 1999 Constitution;
- (c) **The CFRN, 1999 (Fourth Alteration No. 22) Bill, 2017** — as some of the functions proposed to be undertaken by the Nigeria Security and Civil Defence Corps are currently the responsibility of other agencies of government. Furthermore, imbedding these functions in the 1999 Constitution may impair future efforts to change the role of the Corps to meet new and emerging challenges;
- (d) **The CFRN, 1999 (Fourth Alteration, No. 24) Bill, 2017** — as this Bill appears not to take full cognisance of the provisions of Section 9 (3) of the 1999 Constitution; and
- (e) **The CFRN, 1999 (Fourth Alteration, No. 28) Bill, 2017** — Section 2 (b) and Section 3 (b) of this Bill appear not to take full cogisance of the provisions of Section. 58 (4) of the 1999 Constitution.

Please accept, Right Honourable Speaker, the assurances of my highest consideration.

Yours Sincerely,

(Signed)

Muhammadu Buhari

7. Matter of Urgent Public Importance (Standing Order Eight, Rule 4)

Call to Constitute the North East Development Commission (NEDC):

Hon. Abdussamad Dasuki (*Kebbe/Tambuwal Federal Constituency*) introduced the matter and prayed the House to:

- (a) consider and approve the matter as one of urgent public importance; and
- (b) suspend Order Eight, Rule 4 (3) to allow debate on the matter forthwith.

Question that the matter be considered as one of urgent public importance — Agreed to.

Question that the House do suspend Order Eight, Rule 4 (3) to enable it debate the matter forthwith — Agreed to.

Call to Constitute the North East Development Commission (NEDC):

The House:

Notes that the North East region has been ravaged by violent insurgency for almost a decade now;

Also notes that the insurgency by extremist Boko Haram terrorists has devastated mostly Borno, Yobe and Adamawa States in the period;

Further notes that it is estimated that no fewer than 100,000 people lost their lives, with over 3 million displaced as refugees in neighbouring countries of Niger, Chad and Cameroon as Internally Displaced Persons (IDPs) in various camps across the country;

Concerned that over \$20 billion dollars worth of properties have been destroyed;

Also concerned that most public institutions such as schools, hospitals, markets, prisons, police formation, military barracks and other security establishments had been totally razed down;

Further concerned that in recognition of the enormous challenges confronting the country especially the North East, the House of Representatives set in motion measures aimed at addressing these challenges early in the life of this Assembly when the Rt. Hon. Speaker, Yakubu Dogara, personally, and along with 300 other members sponsored the motion on the urgent need for the rehabilitation, reconstruction, resettlement and recovery of the North East region;

Recalls that the Speaker has also been visiting different IDP camps across the country, donating relief materials and even paid examination fees for scores of IDP children;

Also recalls that the Speaker personally sponsored the North East Development Commission establishment Bill, 2015;

Further recalls that the Bill was passed by both the Senate and House of Representatives on January 13, 2017. However, the Executive expressed reservations with some aspects of the Bill as a result of which it was returned to the National Assembly for further legislative input;

Aware that the Bill was further considered and all areas of concern to the Executive were adequately taken care of consequent upon which it was retransmitted back to the President in September 2017 for his assent;

Also aware that the President assented to the Bill on October 25, 2017. This finally birthed the long-awaited and highly anticipated Commission that will kick-start and pioneer the onerous task of rebuilding and rehabilitating the violence ravaged region;

Further aware that one month after the Bill was assented to, His Excellency, President Muhammadu Buhari, GCFR, presented the 2018 Appropriations Bill before the Joint Session of the National Assembly and budgeted the sum of ₦45 billion for the North East Intervention Fund;

Disturbed that the National Assembly having worked on the budget and the President signed the Appropriations Bill into law on June 20, 2018 and nine months after signing into law the NEDC Act, and one month after signing the 2018 budget into law, the President is yet to constitute the Commission;

Worried that the delay in setting up the NEDC is coming at a time the scale of humanitarian crisis in the North East is increasing exponentially following renewed attacks by the insurgents; there is therefore the urgent need to set up the commission so as to kick-start the work of rebuilding the region in earnest;

Resolves to:

Urge the President of the Federal Republic of Nigeria, to as a matter of urgency, constitute the North East Development Commission (NEDC) without further delay (*Hon. Abdussamad Dasuki — Kebbe/Tambuwal Federal Constituency*).

Debate.

Agreed to.

The House:

Notes that some of the numerous tourist attractions in Nigeria are the Water-falls across the various Geopolitical Zones of the Country;

Also notes that one of the most amazing and breathtaking waterfall in Nigeria is the Olumirin Waterfall, located in Erin-Ijesha, Oriade Local Government Area, Osun State;

Further notes that according to Yoruba history, Akinla, a granddaughter of Oduduwa who founded Erin-Ijesha town, discovered the waterfall in 114 A.D;

Aware that the water flows from the top of the mountain and have seven falls, each providing a different perspective and forms a large pool of water on the ground, surrounded by vegetation;

Also aware that due to its breathtaking nature, Olumirin Waterfall attracts over 50,000 visitors annually, especially during the celebration of the Osun Osogbo festival and has the potential of attracting 1,000,000 local and foreign tourists annually;

Cognizant that the water current from the Olumirin Waterfall, if harnessed, is capable of generating 1500 megawatts of electricity for the National Grid for the benefit of Nigerians;

Observes that this magnificent and highly profitable Waterfall has not been properly harnessed and developed into a befitting world class tourist site;

Also observes that with proper intervention, development and investment by the Federal Government of Nigeria, the site will evolve into a major tourist destination and will continue to generate millions of naira as revenue for the Nigerian Economy;

Regrets that previous attempts by stakeholders in the private sector and the Osun State Government have not been successful;

Worried that if urgent steps are not taken to preserve and develop the tourist site, Nigeria will lose value and profits that would have accrued from it and will continue to lose potential revenue from the tourists;

Resolves to:

- (i) urge the Federal Ministry of Information and Culture and, the Nigerian Tourism Development Corporation to initiate steps and implement ideas in order to develop the site to a world class tourist Destination;

14. Need for Proactive Steps on the Unplanned Rural - Urban Migration in Nigeria
Motion made and Question proposed:

The House:

Aware that Boko Haram Terrorists have driven people from many rural communities in Borno, Yobe and Adamawa States;

Also aware that as a result of the killings unleashed on the rural communities of the Middle Belt Region, other parts of the North and Southern States, hundreds and thousands of people are fleeing the rural areas, causing a massive and unplanned Rural -Urban migration;

Further aware that presently, several states, including Adamawa, Benue, Taraba, Nasarawa, Plateau, Niger, Kogi, Edo, Delta, Ebonyi, Ondo, and Zamfara are afflicted by the killings that have shocked the international community;

Concerned that rather than abating, these challenges are expanding and spreading to more States across the nation;

Also concerned that the consequence of the continuous conflicts is the acquisition of, and crude manufacture of arms by Communities which feel threatened;

Disturbed that the void being created in the rural areas or expanding "ungoverned spaces" may be taken over by bandits, terrorists and rogue elements;

Also disturbed that the "ungoverned spaces" like the notorious Sambisa forest usually provide room for training, planning and execution of violence by Non-State Actors;

Cognizant that the consequence of unplanned urbanisation include pressure on infrastructures and increased violent crimes;

Worried that currently IDP camps around the country are developing into unregulated and unplanned permanent settlements;

Also worried that at the moment thousands of persons flooding into urban areas are creating and developing settlements in unplanned suburbs centres which may be difficult to remove in future.

Resolves to:

- (i) call on relevant Federal and State Government Agencies to create planned settlements to accommodate persons coming to towns from rural areas;
- (ii) urge the Federal and State Governments to develop the security and infrastructural facilities to enable the slowdown of the migration;

- (iii) declare emergency on the security situation in Nigerian rural areas; and
- (iv) mandate the Committee on National Security and Intelligence to investigate the rapid unplanned urbanisation and report back within eight (8) weeks for further legislative action (*Hon. Rimamnde Shawulu Kwewum — Donga/Ussa/Takum Federal Constituency*).

Debate.

Amendment Proposed:

- (i) *Leave out Prayer (iv) and insert a new Prayer (iv) as follows:*
“set up an Ad-hoc Committee to investigate all forms of migration from the rural area to urban areas” (*Hon. Obinna Chidoka — Idemili North/Idemili South Federal Constituency*)

Question that the amendment be made — Agreed to.

Question on the Motion as amended — Agreed to.

- (iv) set up an *Ad-hoc* Committee to investigate all forms of migration from the rural area to urban areas and report back within 8 weeks for further legislative action (HR. 43/07/2018).
