ORDERS OF THE DAY

MOTIONS

1. **Withholding of Assent.**

Senate Leader

The Senate:

Recalls that the President C-in-C had signified the withholding of his assent of the Federal Polytechnics Act (Amendment) Bill, 2018 (SB. 241) pursuant to section 58(4) of the Constitution of the Federal Republic of Nigeria 1999 (as amended);

Notes that the rationale for withholding the assent borders on the observation of Mr. President on clauses 3 and 16 of the Bill as follows:

- (a) Section 16(1)(2) of the Amendment Bill, which subjects the removal of Governing Council Members and Rectors of Polytechnics to the approval of the Federal Executive Council as a body, instead of the President's approval as is obtained in the Principal Act will make the removal process more administratively cumbersome;
- (b) Section 3(f) of the Amendment Bill which lists membership of the Governing Council of Polytechnics as consisting of representative of the Ministry or a regulatory body is not acceptable as this may ultimately jeopardize the supervisory role of the Ministry on the Council. It is desirable that the Ministry's presence on the Council is clear and unambiguous;

Notes that a Technical Committee of the Senate and House of Representatives has looked into Mr. President C-in-C observations,

Accordingly resolves to:

Refer the Bill to the Committee of the Whole for consideration and passage.

2. The militarization of the Nigerian Electoral Process and the inconsistent application of Electoral Laws by the Independent National Electoral Commission (INEC).

Sponsor: Sen. Dino Melaye (*Kogi West*)

Co-Sponsors: Sen. Mao Oluabunwa (*Abia North*)
 Sen. Samuel Anyanwu (*Imo East*)
 Sen. Ahmed Ogembe (*Kogi Central*)
 Sen. Obinna Ogba (*Ebonyi Central*)

Sen. Matthew Urhoghide (*Edo South*)
 Sen. Clifford Ordia (*Edo Central*)
 Sen. Biodun Olujimi (*Ekiti South*)

The Senate:

Conscious of the need to grow our nascent democracy through the institutionalization of procedures, application of civil laws and the restriction of excessive use of military force in the civil affairs of the state;

Aware of the growing militarization of our nations electoral process, and the inconsistent application of electoral laws by the institutional umpire – the INEC, especially as witnessed in the recent national election 2019, where the presence of the use of extreme military force akin to a war campaign was applied in electoral polling stations, and the declaration of 'inconclusive elections', as a term. – being used inconsistently, and partially at the whims of electoral officers in occasions that appear solidly as similar cases;

Concerned that this extreme militarization of a democratic electoral process, and the inconsistent application of electoral laws by INEC in matters of national elections – pose serious threats to our democracy, and has security implications that must be nipped in the bud;

Persuaded that the nation is on the edge of a precipice, and our democracy can be saved for future posterity, if only we can build strong institutions that can operate within established laws, and with our military forces restricted to their traditional roles of defending the nation,

Accordingly resolves to:

- i. *Condemn* the massive use of military forces in the national electoral process of the nation;
- ii. *Urge* the INEC to ensure the unrestricted and consistent application of all electoral laws without bias to a candidate or a party in all elections;
- iii. *Direct* the Senate Committee on INEC to investigate all perceived inconsistent application of electoral laws by INEC in the 2019 Elections; and
- iv. *Urge* the President of the Federal Republic of Nigeria to give assent to the recent Amendment to the Electoral Act to ensure a level playing field and adoption of equal standards in our national elections for a strong and peaceful democracy in Nigeria.
