**2. Need to Avert the Cut-Off of the Sagbama/Ekeremor Road:  
Hon. Frederick Yeitiemone Agbedi:**

**The House:**

*Notes* that the Sagbama/Ekeremor road is one of the most important federal roads in Bayelsa State and connects most of the communities in Bayelsa West Federal Constituency;

*Also notes* that the road was constructed in 1970's starting from Sagbama junction off the East/West Road, passes through Sagbama to Orua, Ebrdebiri, Angalabiri Communities to Ekeremor Local Government Area and terminates at the seaside of Amatu 1 Community;

*Informed* that due to the recent flood and peculiar terrain of the area, the Sagbama axis of the road has started caving in, resulting in a huge sinkhole, hence making it very dangerous for commuters;

*Worried* that Sagbama/Ekeremor Federal Constituency is likely to be cut off from other parts of Bayelsa State and the country if urgent steps are not taken to address the situation;

*Aware* that the immediate solution to remedy the situation is to construct two span bridges each at the two damaged portions requiring intervention before the next rains;

*Resolves to:*

- (i) Commend the immediate past Bayelsa State Government for alleviating the plight of commuters last year by making the road passable;
- (ii) also commend the present Government of Bayelsa State for directing the State Ministry of Works to alleviate the plight of commuters by making the road passable this rainy season;
- (iii) urge the Federal Ministry of Works and Housing to provide temporary intervention to enable commuters use the road;

- (iv) also urge the Federal Ministry of Works and Housing to construct two short bridges of two span lengths each at the damaged point before the next rains;
- (v) request the Federal Ministry of Works and Housing to include the repair of the said section of the road in the 2021 Budget estimates before the National Assembly;

**3. Urgent Need to Investigate the Abandonment of the Construction of the Owerri–Aba Road and Bridge at Ulakwo in Owerri North, Imo State by Arab Contractors Nigeria Limited:  
Hon. Elezieanya Ikenna Onyechere.**

**The House:**

*Notes* that the Federal Government awarded a contract for the construction of Owerri-Aba express road bridge linking Ulakwo in Owerri North, considering the economic importance of the road as an exit point from Owerri to Aba in Imo State respectively;

*Also notes* that the road is in deplorable condition and adversely affecting the movement of commuters, mostly workers, students and visitors to the Airport, Aba and Owerri cities;

*Aware* that in spite of the importance of the road, the contractors handling the road construction have abandoned the work, leaving the road worse and creating further hardship for motorists plying the road;

*Worried* that the contractor, Arab Contractors Nigeria Limited, has excavated the road, leaving a very narrow part thereby making it a death trap for motorists and residents of the communities who have lost loved ones due to avoidable accidents on the road especially at night;

*Aware* that on numerous occasions, heavy duty vehicles have been trapped on the road, making it impossible for other users to gain access to the Airport, Owerri and Aba in Imo State;

*Resolves to:*

- (i) Urge the Federal Ministry of Works and Housing to direct Arab Contractors to resume work in order to complete the bridge;
- (ii) mandate the Committee on Works to, as a matter of urgency, investigate the abandonment of the road by Arab Contractors Nigeria Limited and report back within four (4) weeks for further legislative action.
