Consideration of Motion deferred to another Legislative Day.

(b) Urgent Need to investigate the loss of \$9 billion annually due to illegal mining and the smuggling of gold in Nigeria:

Motion made: That the Senate notes that Nigeria lost close to \$54b from 2012 - 2018 due to illegal smuggling of gold. The country is said to be losing about \$9 billion yearly to illegal mining and gold exportation, a huge amount of money unaccounted for under the radar sales of the expensive commodity;

concerned that the activities of unlicensed miners are becoming prevalent within the industry and the incessant smuggling of the solid minerals out of the country by middlemen and smugglers, is leading to loss of government revenue;

aware that gold mining operations in Nigeria is capable of providing no fewer than 250,000 jobs and over \$500 million dollars annually in royalties and taxes to the Federal Government and as mineral resources;

further aware that this would further diversify our economy and improve the foreign exchange reserve. Given our current estimated gold reserves of over 200 million ounces, most of which have not been exploited, developing sustainable programmes that will catalyse increased investment in the extraction and refining of gold sourced from mines in Nigeria, is indeed vital;

observes that Data from the Ministry of Solid Minerals and Development show that there are gold deposits in Federal Capital Territory Abuja, Abia, Bauchi, Cross River, Edo, Niger, Sokoto, Kebbi, Oyo, Kogi, Zamfara, Osun and Kaduna States;

further observes that if the country conserves her gold reserves, and ensures effective exploitation, the accruing revenue would surpass that of oil and gas;

aware that Section 44 (3) of the Nigerian Minerals and Mining law of 1999 provides that ownership and control of all minerals in Nigeria is vested in the Federal Government, which is mandated to manage such natural resources in a manner as may be prescribed by the National Assembly;

further aware that the Federal Ministry of Mines and Steel Development is responsible for granting licences to operators and any operator without a licence from this Ministry

is deemed to be carrying out illegal activities;

disturbed that illegal gold mining has been a reprehensible activity and has continued to thrive despite government's threat to prosecute culprits. Unofficial figures from various open source web sites such as the U.S. Geological Survey estimate that some 18,000kg of gold valued at about \$9 billion was smuggled out of Nigeria between 2018 and 2019 alone, while the Nigeria Extractive Industries Transparency Initiative (NEITI) has indicated that Nigeria lost about \$9 billion from 2014 to 2015 and a total of \$54 billion in the last six (6) years;

further disturbed that beyond the economic leakages, illegal miners had also polluted the environment in the mining communities with poisonous heavy metals like lead, thereby making it unsafe for human consumption and irrigation;

worried that illegal mining activities especially in Zamfara, Kebbi, Plateau and Osun are ongoing in collaboration with foreign nationals from countries like China and Burkina Faso. These criminal activities have significant effect on insecurity in the mineral producing states; and

Accordingly resolves to:

- (i) urge the Executive to intensify efforts to combat illegal mining activities and seal up all revenue leakages from such clandestine activities; and
- (ii) urge the Committee on Solid Minerals, Mines, Steel Development and Metallurgy to investigate this matter and report within six (6) weeks (*Senator Orji Uzor Kalu — Abia North*).

Debate:

Proposed Resolution (i):

Question: That the Senate do urge the Executive to intensify efforts to combat illegal mining activities and seal up all revenue leakages from such clandestine activities.

Amendment Proposed:

Leave out Proposed Resolution (i) and *insert* the following instead thereof:

“urge the Executive to intensify efforts to combat illegal mining activities through the establishment of local mining firms or companies that will assist artisanal miners in the country and to collaborate with foreign companies to take part in mining activities in Nigeria” (*Senator Ibrahim A. Gobir — Sokoto East*).

Question that the amendment be made, put and agreed to.

Proposed Resolution (ii):

Question: That the Senate do urge the Committee on Solid Minerals, Mines, Steel Development and Metallurgy to investigate this matter and report within six (6) weeks — *Agreed to.*

15. Adjournment:

Motion made: That the Senate do now adjourn till Thursday, 10th December, 2020 at 10.00 a.m.
(*Senate Leader*).

Adjourned accordingly at 1:58 p.m.

Ahmad Ibrahim Lawan, Ph.D, CON
