Aware that the Bills were re-gazetted as HBs. 32, 143, 478 and 1176 respectively and read the first time;

Resolves to:

Commit the Bills to the Committee of the Whole for consideration.

7. **Need to Stop the Production and Circulation of Unwholesome Drinks and Fake Drugs in Nigeria:** **Hon Henry Nwawuba:**

The House:

Notes that unwholesome drinks or counterfeits are illegally produced drinks that may be contaminated with wrong ingredients;

Also notes that according to the National Agency for Food and Drug Administration and Control (NAFDAC) findings, Nigeria is the largest market for fake and counterfeit drugs among developing nations of the world and about 70% of pharmaceutical products in Nigeria are fake;

Worried that youths rely on energy drinks and drugs for energy to commit atrocities such as armed robbery, kidnappings, rape, killings etc., which leads to a decline in their health status and destroys their capacity to contribute to societal development;

Concerned that the productive capacity of the youth, an asset of any nation, are destroyed at a time when the Federal Government of Nigeria is diversifying the Nigerian economy from oil to agriculture which requires Nigerians to go back to farming which also requires lots of energy;

Disturbed of the Report of the World Health Organization which states that over 120,000 Africans die annually due to fake malarial drugs, 16% of fake counterfeit drugs contain the wrong active ingredients and that about 33% of all anti-malarial drugs in patent medicine stores, pharmacies, clinics and hospital in sub-Saharan Africa are fake;

Also disturbed that Nigeria's case is worst due to poor health delivery system which has turn hospitals and healthcare centres to mere consulting centres;

Resolves to:

- (i) Urge the Federal Ministry of Health to intensify efforts aimed at eradicating fake drinks and substandard drugs from the country;
- (ii) mandate the Committee on Healthcare services to ensure compliance

8. Urgent Need to Re-open Idiroko Border and other Land Borders in Nigeria:

Hon. Kolawole Lawal

Hon. Umar Abdullahi Kamba

Hon. Babtunde Humpe

Hon. Sada Soli

Hon. Musa Sarkin Adar

Hon. Abdullahi Balarebe Saleme

Hon. Daniel Asuquo

Hon. Awaji-Inombek D. Abiante

Hon. Olajide Olatunbosun

Hon. Isreal Sunny Goli

Hon Michael Etaba Irom:

The House:

Notes that in the effort to curb smuggling of goods, the Federal Government, in August 2019 closed Nigeria's land borders with neighbouring Benin Republic, Republic of Cameroon, Chad and Niger Republics;

Also notes that the Federal Executive Council eventually resolved and opened all land borders by December 31, 2020;

Aware that before the closure of the borders, the Nigeria-Benin Republic Border at Idiroko in Ipokia Local Government Area of Ogun State alone generates annual revenue of over Six Billion Naira;

Also aware that the Seme, Illela, Maigatari and Mfun land Borders have since been reopened leaving other land Borders still closed;

Concerned that since the closure of Nigeria's borders in August 2019, residents of Idiroko in Ogun State have witnessed a massive economic downturn;

Also concerned that the government's decision to ban illegal importation of food items under the guise of border closure has not increased farmers' food production as the country is experiencing food inflation;

Further concerned that the decision to stem smuggling of goods through the closure of land borders has increased food smuggling and other prohibited items as well as other crimes, thus raising questions about the measure's effectiveness and the actual reasons for the decision;

Disturbed that with the closure of petrol stations around the Idiroko border, the economic activities in the town has crippled thus causing untold hardship to the people of the area;

Worried that border closure has profound repercussions on the landmark free trade agreement signed by 54 of Africa's 55 Countries, an initiative hailed as a crucial step towards removing the continent's trade barriers;

Also worried that inhabitants of other border communities across the country have had it rough since the border closure and have had to take desperate measures to survive, thus exacerbating the insecurity situation of the country;

Further worried that if Idiroko and other closed land borders across the country are not urgently re-opened, the people will further suffer and, considering the growing agitation as a result of the closure, may resort to aggravated crimes to survive as the country continues to lose huge revenue;

Resolves to:

- (i) Urge the Federal Government to re-open the Idiroko and other land borders to boost economic activities and revenue generation to the nation's economy;
- (ii) also urge the Federal Government to invest in better border security and surveillance as well as strengthen human capacity at the borders to curb insecurity, smuggling and other crimes around the border communities;
- (iii) mandate the Committees on Interior and Customs and Excise to ensure compliance.

**9. Need to Provide 132/133 KVA Substation in Ayedaade/Irewole/Isokan Federal Constituency, Osun State:
Hon. Taiwo Olukemi Oluga:**

The House:

Notes that Security and Welfare of the People shall be the primary purpose of government, as such, Government is enjoined to provide a suitable environment to boost economic activities and secure the lives of the citizenry;

Also notes that item 13 Part II of the Second Schedule to the Constitution of the Federal Republic of Nigeria, 1999 (as amended) provides that the National Assembly may make laws for the Federation or any part with respect to electricity and the establishment of electric power stations, and the generation and transmission of electricity in or to any part of the Federation and from one State to another;

Aware of the importance of electricity to the improved standards of living, boost economic activities and also improves the security of any locality within the Federal Republic of Nigeria;

Also aware that the provision of 132/133 KVA Electricity Substation in Ayedaade/Irewole/Isokan Federal Constituency will improve economic activities and security in Irewole, Ayedaade and Isokan Local Government Areas in Osun State and rejuvenate ailing industries in Apomu, Gbogan, Orile Owu, Araromi, Ikire, Ayetoro Balogun, Wasimni Communities;

Cognizant that the Nigerian Electricity Value Chain includes Electricity Generation, Transmission and Distribution with their respective roles in meeting the Power needs of the nation and most of these entities are either wholly-owned or part-owned by the Federal Government of Nigeria;

Also cognizant of Governments' objective to ensure electrification in rural communities, the Federal Government established the Rural Electrification Agency which has been championing the Nigerian electrification Project to increase and catalyze electricity access to rural communities;

Resolves to:

- (i) Urge the Ministry of Power to make provision for an Electricity Substation in Ayedaade/Irewole/Isokan Federal Constituency in the 2022 budget estimates;
- (ii) mandate the Committees on Power and Appropriation to include the provision of a substation in Ayedaade/Irewole/Isokan Federal Constituency of Osun State in the 2022 Budget.

10. Need to Rebuild the Confidence of Expatriate Investors in Nigeria:

Hon. Yusuf Buba Yakub:

The House:

Notes that the prevailing security challenges in Nigeria in the last ten years have resulted in other incendiary crimes and acts of criminality, like kidnapping for ransom, banditry, theft, gross circulation of small arms and light weapons, drug abuse, Internet crimes as well as other anti-social behaviours;

Also notes that the activities of criminals has aggravated the cost of living in the country by not only keeping farmers off farming but have caused manufacturers and investors mainly from China; importers, construction companies and site workers, who are expatriates, to invest heavily in measures aimed at securing themselves, their wards, as well as employees which have, arbitrarily increased the costs of production and delivery of services;

Aware that despite the efforts of the Government at containing the rising wave of insecurity in the country, the spate of kidnapping for ransom has assumed widening proportions with school children being the most vulnerable;

Worried that the latest statistics on kidnapping indicates that there are several expatriate executives and workers, like Chinese construction workers and other foreign Oil-Industry Investors in the country that have become victims of kidnapping for ransom, armed robbery and outright killing in the process of carrying out these nefarious acts against hapless victims;

Believes that if urgent steps are not taken to check the acts of criminality constituting threats to life and foreign investments in Nigeria, it may lead to the closure of critical industries that are currently struggling to survive from COVID-19 Pandemic and recession, as some notable businesses and companies are currently relocating to a neighbouring country like Ghana;

Resolves to:

- (i) Urge the Federal Government to provide adequate security at no extra cost for the business premises of major investors, both local and foreign nationals operating in Nigeria to boost their confidence and reduce costs of production and services;
- (ii) also urge relevant Security Agencies to collaborate and set up Security Posts manned by Inter-Agencies security arrangement to hold a 24-hour watch over manufacturing sites, critical national installations, like electricity, dams, telecommunications control masts, strategic construction sites and other work or business premises owned by investors in the country;
- (iii) mandate the Committee on National Security and Intelligence to ensure compliance.
