5. Matters of Urgent Public Importance (Standing Order Eight, Rule 4)

(i) Call on the Federal Government to Suspend the Proposed 2021 Population and Housing Census to be Conducted by the National Population Commission (NPC):

Hon. Shehu Barwa Beji (*Bosso/Paikoro Federal Constituency*) introduced the matter and prayed the House to:

- (a) consider and approve the matter as one of urgent public importance; and
- (b) suspend Order Eight, Rule 4 (3) to allow debate on the matter forthwith.

Question that the matter be considered as one of urgent public importance — Agreed to.

Question that the House do suspend Order Eight, Rule 4 (3) to enable it debate the matter forthwith — Agreed to.

Call on the Federal Government to Suspend the Proposed 2021 Population and Housing Census to be Conducted by the National Population Commission (NPC):

The House:

Notes that the Federal Government, through the National Population Commission (NPC), has commenced preparations for 2021 population and housing census across the country;

Also notes that the state of insecurity in Nigeria has led to the displacement of numerous citizens who are dwellers of various communities to be captured in the exercise, in addition, many other citizens are being held captives by kidnappers, as such conducting such census will infringe on their constitutional rights;

Observes that some displaced persons have crossed over to neighbouring countries for refuge and cannot be captured if the census is to be conducted;

Also observes that with the overwhelming security challenges at hand, accuracy in any census exercise now would be like passing an elephant through the eyes of a needle;

Aware that posting enumerators or *Ad-hoc* staff to volatile areas of the country in the name of conducting census is irrational, as it would amount to exposing them to criminals;

Recalls that past census exercises conducted had yielded controversial statistics for the nation as a result of partial coverage of the actual population of the country which must not be allowed to perpetuate;

Further observes that the precarious situation that has befallen our nation apparently informs the need to set priorities in governance, which should be tilted towards a lasting solution to the killings, kidnappings and other criminal activities tormenting the nation;

Also aware that the general elections are proposed to hold in the first quarter of the year 2023, indicating that the whole of the preceding year 2022 would mostly be about campaigns, which will provide no room for census activities;

Further aware that the necessary consequence of active political activities and the National head count will be political manipulation by over ambitious politicians;

Resolves to:

- (i) call on the Federal Government to suspend the upcoming census exercise until security of the country is stabilised;

- (ii) mandate the Committees on Population, and National Planning and Economic Development to inquire into the work plans of the National Population Commission with regards the census exercise;
- (iii) also mandate the Committee on Population to interface with the Chairman of the National Population Commission on the feasibility of conducting census in the face of insecurity (*Hon. Shehu Barwa Beji — Bosso/Paikoro Federal Constituency*).

Debate.

Agreed to.

- (ii) ***Rampant Movement of Camels on Major Roads in Bauchi State:***
Hon. Kani Abubakar Faggo (*Shira/Giade Federal Constituency and 3 others*) introduced the matter and prayed the House to:
- (a) consider and approve the matter as one of urgent public importance; and
- (b) suspend Order Eight, Rule 4 (3) to allow debate on the matter forthwith.

Question that the matter be considered as one of urgent public importance — Agreed to.

Question that the House do suspend Order Eight, Rule 4 (3) to enable it debate the matter forthwith — Agreed to.

Rampant Movement of Camels on Major Roads in Bauchi State:

The House:

Notes that Bauchi State shares a close proximity with Jigawa State which is located on the national border with the Republic of Niger;

Also notes that the Republic of Niger is well known for breeding camels and due to proximity, camel herders have, over the years, moved with their camels from Niger to the neighbouring Jigawa and Bauchi States to source for food;

Aware that many of the animals are left to roam about without anybody controlling them and generally constituting a nuisance to road users in the Northern part of Bauchi State, particularly Shira, Giade, Jama'are, Itas-Gadau, Katagum, Zaki and Gamawa Local Government Areas of the State;

Worried that there have been several reports, over the years, of fatal accidents on major roads across Bauchi State due to uncontrolled movement of these camels;

Also worried that the herders often travel with their camels through illegal routes, and their immigration status is unaccounted for by the Nigeria Immigration Service;

Disturbed that the camel herders allegedly smuggle arms and dangerous weapons through the routes, which have been used to unleash mayhem on unsuspecting road users and residents of Bauchi State;

Further worried that apart from the destruction of lives and properties, the animals also destroy farm produce and fruit trees which serve as sources of livelihood to the residents of Shira, Giade, Jama'are, Itas-Gadau, Katagum, Zaki and Gamawa Local Government Areas of Bauchi State;

Concerned that hoodlums have taken advantage of the strategic position of the camels to continuously unleash mayhem on innocent travelers;

Also concerned that the activities of the foreign nomads and their camels constitute a threat to the socio-economic development of the affected areas, and could further worsen the volatile security situation in the region;

Further concerned that despite the menace they have been causing for several years now, no action has been taken against them by relevant authorities;

Cognizant that if urgent steps are not taken to curb the havoc being wrecked by foreign nomads and their camels in Bauchi State, they could become further emboldened in their nefarious activities, and may lead to a complete breakdown of order and loss of too many lives and properties;

Resolves to:

- (i) urge the Federal Ministry of Interior to take cogent steps to secure the Nation's international borders by ensuring that the influx of foreigners through the land borders is adequately controlled;
- (ii) also urge the Federal Road Safety Corps to ensure the safety of road users in Bauchi and Jigawa States by, among other things, ensuring that camels and other animals are taken off the roads;
- (iii) mandate the Committees on Federal Road Safety Commission, and Interior to ensure compliance (*Hon. Kani Abubakar Faggo — Shira/Giade Federal Constituency*).

Debate.

Agreed to.

Resurgence of Wanton Killings of Innocent Nigerians in Gwer West and Other Local Government Areas (LGAs) of Benue State by Suspected Herdsmen:

The House:

Alarmed at the brutal murder of 17 innocent Nigerians by suspected herdsmen in Mbamundu Village, Vengav in Avihijime Ward of Gwer-west Local Government of Benue State on Sunday, 2 May, 2021 and the recent resurgence in the murder of innocent helpless Nigerians by suspected herdsmen in Gwer-west, Guma, Makurdi and Agatu LGA'S of Benue State where over 70 people have been murdered in the last three weeks with over 24 people murdered in Gwer-west LGA alone;

Concerned about the seeming inability of “Operation Whirl Stroke Operatives” stationed in Gwer-West LGA and other security agencies in the area to counter the current guerilla tactics of these attackers, immediately respond to distress calls by the victims, proactively prevent

these attacks and identify or apprehend any of these murderers in the last three weeks suspected to be exacting vengeance on innocent citizens in Benue because of their displeasure with the Benue State Governments enforcement of the Anti-Open Grazing Law which is legitimate legislation that the Police and other security agencies are alleged to not be supporting the Benue State government with implementation and enforcement;

Worried at the thousands of Internally Displaced Persons (IDPs) who have fled their homes as a result of these attacks and are currently seeking refuge in very unsanitary and uncovered schools and locations in different parts of the state without any means of sustenance, shelter or protection and at the mercy of inclement weather and likelihood of further attacks by the suspected herdsmen;

Also worried at the increasing number of IDPs these attacks have created in addition to the hundreds of thousands of IDPs already existing across Benue, Nasarawa and Taraba States who for several years have been unable to return to their homes nor have they been resettled rather are languishing in inhuman conditions with increasing cases of loss of lives from malnourishment and disease which have enhanced maternal and infant mortality in circumstances where children have been born for over five years without access to education or proper medical care;

Resolves to:

- (i) urge the National Emergency Management Agency (NEMA) to immediately provide relief materials for the affected communities and IDPs in Gwer West LGA and other affected LGAs of Benue, Nasarawa and Taraba States which should include food items, clothing, building materials, temporary shelter and health intervention; and mandate the Committees on Emergency and Disaster Preparedness, and Internally Displaced Persons to ensure compliance;
- (ii) mandate the Committees on Emergency and Disaster Preparedness, and Appropriation to prevail on the Budget Office and NEMA to ensure adequate extra allocation is provided in any supplementary budget and in NEMA 2022 budget to enable NEMA provide monthly comprehensive intervention to IDP camps across Benue, Nasarawa and Taraba States as is currently the case with IDP camps in Borno State;
- (iii) urge the Defence Ministry and Nigerian Army to immediately deploy more personnel and equipment including surveillance and intelligence gathering technology to Operation Whirl Stroke Operatives in Benue State to enable them tackle this resurgence of attacks by suspected herdsmen and mandate the House Committees on Defence and Army to ensure compliance;
- (iv) mandate the Committees on Defence, and Army to immediately conduct investigation into the prevailing circumstances and conditions of Operation Whirl Stroke and other military operations across the country with a view to identifying any constraints in their carrying out of their mandate of protecting the lives and property of Nigerian and report back within four (4) weeks;
- (v) also mandate the Committees on Police Affairs, and Justice to investigate the allegation that the Police is unwilling to support the Benue State Government in the enforcement of the anti open grazing law and the constitutional implication and position in this regard and report back within four (4) weeks;
- (vi) call on the Executive Arm to immediately intervene in the plight of IDPs across Benue, Nasarawa and Taraba States with a view to returning them to their homes or resettling them, reconstruction of damaged communities and provision of educational, health and other required facilities in line with the pronouncement of

Vice President Yemi Osinbajo in Benue State on 18 May, 2018 that ₦1 billion had been approved by the President for reconstruction and resettlement of communities in Nigeria ravaged by herdsmen attacks (*Hon. Mark Terseer Gbillah — Gwer East/Gwer West Federal Constituency*).

Debate.

Amendment Proposed:

In Prayer (ii), immediately after the words “comprehensive intervention to”, *leave out* all the words, and *insert* the words “all IDP camps in Nigeria” (*Hon. Muhammad Ali Wudil — Wudil/Garko Federal Constituency*).

Question that the amendment be made — Agreed to.

Question on the Motion as amended — Agreed to.

The House:

Notes that fish is one of the healthiest food on the planet as it contains nutrients such as vitamin D that is a great source of Omega-3, Folic Acid which is important for body and brain development, thereby contributing about 40% of the country's protein intake;

Aware that Nigeria as a nation with large coastal area is rich in marine species, yet over half of the fish being consumed are imported from China and Netherland, thus placing Nigeria's production of fish at 759.828 metric tons annually, according to the Report of the World Fish Centre in 2017;

Also aware that Nigeria is the 4th largest importer of fish in the world with about 2 million metric tons per annum for an estimated population of over 200 million people;

Worried that Nigeria loses a whopping sum of 70 million (USD) annually to Chinese and other European Trawlers due to illegal fishing activities in the nations waters as observed by the Nigerian Navy in 2017;

Also worried that despite Nigeria non-fishing agreement and arrangements with distant nations such as China and the European Union, illegal fishing on Nigeria's waters persists due to bilateral agreements with the nearby Country of Sao Tome and Principe;

Concerned by the Overseas Development Institute's Report of 2018 that illegal fishing boats from China, Netherlands and Spain operating in the Country's territorial waters commonly transfer catches from their trawlers into container and cargo vessels on the high seas, thereby flouting quota regulations;

Also concerned that the Gulf of Guinea Commission which was established in 2001 to check issues bordering on fisheries beyond 20 nautical miles of each member nation is yet to come up with a legally binding framework to tackle illegal fishing activities;

Further concerned that illegal and unregulated fishing in Nigeria's waters undermines the economy, poses a security threat to the nation's territorial waters, degrades the coastal communities and renders artisan fishermen redundant;

Resolves to:

- (i) urge the Federal Ministry of Agriculture and Rural Development, the Nigerian Navy and the Nigerian Maritime Administration and Safety Agency (NIMASA) to put measures in place to curb illegal fishing activities on Nigeria's waters;
- (ii) also urge the Federal Government to review its licensing policy that tends to favour foreign trawlers at the expense of their local counterparts and encourage indigenous investments into this agricultural sector;
- (iii) further urge the Federal Government to prevail on the Gulf of Guinea Commission to urgently introduce a legally binding framework to check excessive fishing or overfishing in the Region;
- (iv) mandate the Committee on Agricultural Production and Services to investigate the matter and report back within three (3) weeks (*Hon. Patrick Ifon — Eket/Onna/Esit Eket/Ibeno Federal Constituency*).

Debate.

Agreed to.

16. Need to Address Complaints Surrounding Online Learning Platform of the University of Lagos (UNILAG)

Motion made and Question proposed:

The House:

Notes that University of Lagos, a federal tertiary institution, was one of the first institutions to embrace and pioneer e-Learning through its e-Learning Management System;

Aware that the dreaded Coronavirus pandemic has forced numerous changes in the systems and workings of the country (and the world at large), one of which is the educational sector which resorted to online learning;

Concerned that the launch of e-Learning Platform has been characterized by complaints, challenges and controversies which make learning challenging to students;

Cognizant of extreme cases where submission of test results fails on the Platform or correct answers marked as being wrong, while some cannot access the platform to take the tests, which makes the students feel that they are being set up for failure;

Aware that the advent of the online learning system was to make learning easier and not to frustrate the students' efforts or have lecturers completely abandon their duties of educating students;

Convinced that failure to address the challenges with the Platform would make students view education as cumbersome, discouraging and stressful which is capable of undermining the nation's educational development;

Also convinced that the University should devise ways of addressing the matter by allowing for provisional tests to be taken in a way that will ensure a fair chance for all students before their final grading and also make online learning more appealing and exciting to students;

Resolves to:

- (i) urge the Management of the University of Lagos to find provisional solutions that would enable the students and lecturers to ease into the online learning system, even if it means adopting a blended system while following all COVID-19 protocols strictly;
- (ii) also urge the Management of the University to ensure that the online learning system is well tested, and meets the minimum standard of what is obtainable in other jurisdictions where the system is a preferred choice;
- (iii) further urge the Management of the University to ensure that lecturers are continually trained on utilizing these new teaching methods to make learning more interactive;
- (iv) mandate the Committee on Tertiary Education and Services to ensure compliance (*Hon. Akinola Adekunle Alabi — Egbeda/Ona-Ara Federal Constituency*).

Motion made and Question proposed:

The House:

Notes that Lokogoma Community in the Federal Capital Territory, Abuja is affected by an increasing gully erosion that resulted in the loss of farmlands, vegetation and loss of lives;

Recalls that sometimes in 2017 a torrential rainfall which started around 7 am and lasted for about 4 hours submerged a bridge and a vehicle conveying three members of a family plying the road;

Worried that one Kenneth Nwaogu, a 49-year old father reportedly died in the canal while trying to rescue his daughter and son who were washed by flood in a bid to escape from a car that was submerged in the flood;
