Hon. Ndudi Elumelu (*Aniocha North/South/Oshimili North/South Federal Constituency*) introduced the matter and prayed the House to:

- (a) consider and approve the matter as one of urgent public importance; and
- (b) suspend Order Eight, Rule 4 (3) to allow debate on the matter forthwith.

Question that the matter be considered as one of urgent public importance — Agreed to.

Question that the House do suspend Order Eight, Rule 4 (3) to enable it debate the matter forthwith — Agreed to.

Need to Provide Equipments for the Federal Medical Centre (FMC), Asaba Annex:

The House:

Notes that the structure of the Federal Medical Centre, Asaba Annex was completed in 2014 with the intention of ameliorating the medical challenges that had bedeviled the locality and environs;

Also notes that the siting of this project was well received by indigenes living within and around the environment with the belief that their medical challenges will be ameliorated with their proximity to such medical facility;

Worried that from 2014 till date, the FMC, Asaba Annex is yet to be equipped and therefore, not functional, thus defeating the aim of the project;

Also worried that indigenes within and around the environment still go as far as Benin or Irrua for medical exigencies and in most cases, lives are lost as a result of the distance the patient have to traverse to access the facilities;

Concerned that if the medical centre is not equipped and put to use, it will not only amount to waste of scarce resources but could also result to loss of more lives;

Resolves to:

Urge the Committees on Appropriations, Finance, and Healthcare Services to make provisions in the 2022 Budget estimates for equipment of the Federal Medical Centre, Asaba Annex and for other critical infrastructural projects as resolved by the House (*Hon. Ndudi Godwin Elumelu — Aniocha North/South/Oshimili North/South Federal Constituency*)
