MOTION

1. Need to investigate the abandoned Four Hundred Billion Naira, National Primary Health Center Project.

Sponsor: Sen. Oloriegbe, Yahaya Ibrahim (*Kwara Central*)

Co-Sponsor: Sen. Umar, Sadiq Suleiman (*Kwara North*)

The Senate:

Notes that a National Primary Health Center project was initiated by the administration of former President Olusegun Obasanjo in the year 2006 to build in each of the Seven Hundred and seventy Four (774) Local Government Areas in Nigeria, a sixty (60) bed Primary Health Centers which was to be complemented with a three bedroom flat, doctors quarters, an ambulance, all basic hospital equipment and drugs;

Further notes that in order to achieve this lofty project, the Federal Government deducted monies from the excess crude account of all the 774 Local Government Areas on a monthly basis, warehouse the same with the then Platinum Habib Bank (now Keystone Bank) until the funds required for the actualization of the project was realized;

Aware that the Bill of Quantities for the project was prepared by the then Federal Ministry of Works and Housing and approved by the Bureau of Public Procurement;

Further aware that despite all those professional pre-contract activities, the contract for the execution of the projects in the entire 774 Local Government Areas was awarded to Messrs Mattans Nig. Ltd without any known tendering and selection process;

Observes that Messrs Mattans Nig. Ltd. Proceeded and sub-contracted out the jobs to consultant and sub-contractors without any verification of capacity and capabilities to properly execute the jobs and without the consent of the government or its agencies involved then;

Further observes that various sums of money were released to these sub-contractors through the accounts of Messr Mattans Nig. Ltd domiciled with the then platinum Habib Bank (now Keystone Bank) to carry out the projects at the selected locations across the 774 Local Government Areas in the Country; and

Disturbed that some of these projects were commenced and abandoned at various stages while majority of them were never started despite huge sums of money released to all the sub-contractors.

Accordingly resolves to:

1. *Mandate* its committees on Health and Primary Health Care and Communicable Disease to undertake an Investigation in order to:
 - i. *Determine* the status of the 100% project funds warehoused with the then Bank PHB (now Keystone Bank);
 - ii. *Determine* the level of progress and status of the projects in each of the 774 Local Government;
 - iii. *Carry-out* evaluation of the consultant, contractor and sub-contractors that participated in the project;
 - iv. *Carry-out* a schedule of dilapidation on the projects; and
 - v. *Recommend* ways of completing the projects nationwide.
