MOTION

1. Urgent need to check the alarming trend of inhuman treatment and torture of Nigerian Citizens by Foreign Nationals in the country.

Sponsor: Sen. Degi-Eremienyo, W. Biobarakuma (*Bayelsa East*)

The Senate:

Notes the series of brutality and inhuman treatments occasioning even deaths of Nigerian citizens by some foreign nationals, especially of Lebanese, Turkish and Chinese descent, doing business in some major cities and rural areas in the Country;

Worried about the recent case of brutality in the FCT, Abuja meted against one Anayo Friday Ndubuisi, a security personnel working with Cougars Security and Services Ltd and two others including a Chadian (a certain Amos), attached to Hussein Technical Company, Gudu District, a company in the business of servicing of caterpillars and heavy duty machineries;

Extremely worried that on the 22nd of February, 2022, the two citizens of Nigeria and the Chadian were brutalized in a fashion so repugnant, on an allegation of theft of iron rods, which ultimately led to the death of the latter. The said torture was ordered and carried out by a Lebanese citizen working with Hussein Technical Company, in collusion with some of his Nigerian subordinates and a dog belonging to the Lebanese;

Notes with consternation that in a bid to elicit a confession from the victims with respect to the alleged stolen iron rods, the Lebanese ordered some of his Nigerian subordinates to gag the mouths of Anayo Friday Ndubuisi and the late Chadian with rags to stifle any noise from them, beat the victims mercilessly with iron rods, tied them to a car and drove them round their premises, gave them condemned oil and diesel to drink and poured same in their ears and eyes. The Lebanese also set his dog upon the victims and the said dog attacked them by biting and scratching them and also licked the blood gushing from their mouths and private areas;

Further notes with utter dismay that the second Nigerian (a security personnel), on trying to defend and absolve Anayo Friday Ndubuisi from any allegation whatsoever was shot with an arrow, thereby leading to grievous bodily harm;

Aware that in spite of the injuries inflicted upon the victims, the Lebanese further ordered that the victims be burnt alive, and upon objection by some of his Nigerian subordinates after a car tyre and petrol was brought, the Lebanese ordered that the victims be tied upside down to a tree and more bodily injuries inflicted upon them with iron rods. Several hours after that stretched into the early morning, the rope was cut off with the victims landing on their heads;

Further aware that all of these eventually led to the death of the Chadian, while Anayo who has been defecating blood, with a dead leg and one of his ears impaired, is currently receiving intensive medical care in Lagos on the sponsorship of Mr Ahmed Isah, a renowned Radio Presenter on Human Rights Radio which airs on Frequency Modulation (FM) 101.1, Abuja. This was after the victims were abandoned at the National Hospital by all the parties involved, including their respective employers;

Again aware that some suspects have been arrested and paraded by officers of the Nigeria Police Force in connection with this nauseating crime against humanity but without the Lebanese being equally apprehended or paraded;

Alarmed that certain insinuations have been made by some police officers involved in the matter that since the late Chadian was an illegal migrant, little or nothing can be done about the case;

Notes that the administration of criminal justice system provides protection for foreigners such as the late Chadian irrespective of his migration status; and

Worried about the despicable level of gross subjugation of Nigerians in their own Country by some foreign nationals, noting that this type of incident has become one too many and must be urgently checked to preserve sanctity and dignity of human life at all times in accordance with our bill of rights as enshrined in chapter 4 of our constitution and other international conventions and protocols, bearing in mind that even in the animal kingdom, there are salient rules for hunting game.

Accordingly resolves to:

- i. *Roundly condemn* in the strongest of terms the dastardly acts committed against the victims, as this is seen as the height of man's inhumanity to his fellow man; and
- ii. *Call on* the Inspector General of Police to commence thorough investigations into these wicked acts of the said Lebanese in question, his dog and similar infractions by other foreign nationals, acting by themselves
