Hon. Kabiru Alhassan Rurum:

The House:

Notes that the Nigeria Meteorological Agency (NiMet) on August 16, 2022 predicted the possible heavy and prolonged rainfall in 19 states between August and September including Kano/Jigawa, and called on the affected states to intensify mitigation, adaptation and response mechanisms;

Also notes that the prolonged rainfall caused serious floods in Jigawa and Kano States, thus overflowing Tiga Dam which resulted in scores of deaths;

Further notes that the flood destroyed houses, farmlands, livestock, and properties and displaced residents and their livelihood in Birniwa, Kubayo, Masama, Suga, Jijan, Panduma, Gapta, Maragwado, Ilallah, Baturiya, Una, Musari, Abunabo, Garin mallam, Takazza, Matara, Gilakocini, Mayamme all in Jigawa State. In Kano State, the Following Federal Constituencies had been affected with many Villages and Farmlands completely submerged; namely Wudil/Garko Federal Constituency, Kura/Garun Mallam Federal Constituency, Dawakin Kudu/Warawa Federal Constituency and Rano/Bunkare/Kibiya Federal Constituency;

Aware that the flood submerged about 50 villages in Kirikasamma and 30 villages in Guri Local Government Areas of Jigawa State thus destroying farmlands worth millions of naira;

Worried that the flood-ravaged farm produce, properties, displacement of residents in Larabawa/zuwo, Sakarma/Ba'awa in Kiru Local Government Area, Tiga/Gwarmaji, Unguwar Tura, Bawai, Tubabbu, Baleen Boyi, Kargo, Kuki, Nasarawan Kuki, Bakin kogi, Gargai all in Bebeji Local Government Area of Kano State;

Also worried that the residents of the affected communities are living in palpable fear of being permanently displaced by the raging floods as well as the attendant destruction of properties and outbreak of diseases even as they are currently facing untold hardship in the aftermath of the flooding;

Cognizant of the need to dredge and fortify the wall of the Tiga Dam to forestall future occurrence

Resolves to:

- (i) Urge the Federal Ministry of Humanitarian Affairs, Disaster Management and Social Development to provide urgent relief assistance to the affected Communities;
- (ii) Also urge the National Emergency Management Agency (NEMA) to provide relief materials and medical attention to flood victims in Jigawa and Kano States;
