- 6. Need to Rehabilitate Ojapata, Ankpa, Ibana-Okpo Failed Portion of Itobe, Anyigba, Otukpa Federal Highway:  
Hon. Abdullahi Ibrahim All Halims:**

**The House:**

*Recalls* that the administration of former Military President General Ibrahim Badamasi Babangida, initiated and constructed the Itobe, Anyigba, and Otukpa Federal Highway in 1986, linking part of the North-Central to the entire Southeastern States and the South-south geopolitical zone of Nigeria;

*Notes* that since the construction of the road, major rehabilitation work was carried out by late President Umaru Musa Yar'adua's administration neglecting the Ojapata, Ankpa and Ibana-Okpo road which falls within the Ankpa federal constituency, thus leaving the road in a state of disrepair, causing accidents and untold hardship to road users;

*Resolves to:*

- (i) urge the Federal Ministry of Works and Housing in collaboration with the Federal Road Maintenance Agency (FERMA) to rehabilitate the road to prevent hardship and multiple auto crash on the road;
- (ii) mandate the Committee on Legislative compliance to ensure implementation.

- 7. Need to Reconstruct Warri-Sapele-Benin Road and Sapele-Amukpe to Agbor Road in Delta State:  
Hon. Oberuakpefe Anthony Afe Hon. Ben Rolands Igbakpa:**

**The House:**

*Notes* that the importance of road infrastructure in socio-economic development cannot be over-emphasized, hence the need to reconstruct the parlous Warri- Sapele-Benin Road and Sapele-Amukpe to Agbor Road that serves Edo, Delta, Bayelsa and Rivers States with other South-South oil producing States in particular and Nigeria generally;

*Also notes* that the major road of about 104.5km distance was constructed 27 years ago and is the most preferred route for articulated vehicles used for oil and gas haulage operating from Delta State to other parts of Nigeria;

*Aware* of similar roads in the country that are not as important as the Warri-Sapele-Benin Road and Sapele-Amukpe to Agbor Road constructed within the same period have undergone rehabilitation while Warri-Sapele-Benin Road and Sapele-Amukpe to Agbor Road, through which the country derives its source of wealth, is left in a total state of disrepair;

*Disturbed* by the sufferings of the people plying the road and cries of loss of man-hour as a journey of one hour now takes about eight hours due to the deplorable state of the road, thus paralyzing the socio-economic activities in the zone;

*Also aware* that the road is a federal road and the Governor of Delta State, Dr. Ifeanyi Okowa has expended billions of naira to fix some affected portions of the road, but with the recent pronouncement by the Federal Government that directed States to stop intervening on the federal roads has made the State to hands up road repairs, thus leaving the road in total disrepair;

*Worried* that criminals have taken advantage of the deplorable state of the road to rob, kill and kidnap road users and motorists along the highways;

*Resolves to:*

- (i) Urge the Federal Ministry of Works and Housing to embark on the reconstruction of the road;
- (ii) also urge the Inspector General of police to deplore more Police Officers to the affected roads to protect citizens from being attacked;
- (iii) mandate the Committee on Works to ensure compliance.
