## MOTION

14. **Need to introduce Anti-Corruption Classes and Training into the Primary and Junior Secondary Schools Curricula to Aid in the Fight Against Corruption and Improve Civic Consciousness amongst the Nigerian Populace:**  
**Hon. Femi Gbajabamila**  
**Hon. Musa Bagos**

**Hon. Shehu Kakale**  
**Hon. Aisha Dukku**

### The House:

*Notes* that corruption is a scourge with devastating consequences on every facet of the Nigerian state, society and sectors of the economy;

*Aware* that the blight of corruption in the Nigerian society is a source of concern for all well-meaning citizens and friends of the country;

*Cognizant* of the various anti-corruption efforts by successive governments that have not put an end to corruption in the country;

*Observed* that unless drastic measures are taken with utmost urgency, corruption threatens to destroy the fabric of Nigerian society by continuously sabotaging our national sense of right and wrong beyond repair;

*Also observed* the increase of young people who are growing up in environments where casual subversions of rules and law through acts of private and public corruption have become the norm;

*Perceived* that one reason the fight against corruption has not achieved the desired objectives in the country is the absence of a deliberate national strategy to engage citizens from the early stages of their lives to identify, challenge and defeat corrupt practices wherever they may exist or manifest;

*Confident* that this narrative can be changed within a relatively short time, through sustained efforts by government, civil society, religious organizations, and citizens working together to reprogram the way we think about the causes and consequences of corruption in our society;

*Resolves to:*

- (i) convene a meeting of stakeholders in the education management and regulation sector to consider reviewing the primary and secondary school curricula to integrate anti-corruption awareness courses and programmes;
- (ii) urge the Committees on Basic Education Services and Legislative Compliance to ensure compliance.
