19. Erosion Ravaging some Parts of Kila Town and Communities in Gwaram Local Government Area in Jigawa State

Motion made and Question proposed:

The House:

Notes that the people of Kila and other Communities of Gwaram Local Government Area in Jigawa State are predominantly farmers, and suppliers of agricultural produce to major food markets in Nigeria;

Aware that erosion in Gwaram Local Government Area has constituted threats to lives, roads, farms, and other properties, as several properties running into billions have been destroyed, causing displacement of families from their homes, and hardship, which results to loss of economic activities;

Concerned that Gwaram Local Government Area experienced erosion threats, destroying billions of properties, displacing families, and causing hardship, leading to economic loss;

Disturbed that the erosion-induced hardship in this Local Government has hampered poverty alleviation, wealth creation, and productivity, thus, worsening food shortages and resulting in a low standard of living;

20. Devastating Flood and Erosion in Makoko and Otumara Communities in Lagos Mainland

Motion made and Question proposed:

The House:

Notes that the impacts of flooding on socioeconomic outcomes and community development have become perturbing, especially as low-income areas and overcrowded communities are more vulnerable to the rapidly escalating phenomenon;

Also notes that Otumara Ilaje and Makoko are riverine communities in Lagos Mainland with an estimated population of one million, two hundred and fifty thousand people, respectively, which have immense tourist potentials that can be harnessed through thoughtful and participatory planning;

Concerned that the two communities have, for many years, been bedeviled by ravaging floods and the attendant coastal erosions, for each time there is a heavy rainfall, the communities are flooded for days, submerging houses, destroying businesses, drowning helpless residents and displacing families;

Also concerned that the 2024 rainy season is fast approaching and if the flooding in the communities are not urgently mitigated, it will result in devastating consequences when the rains start;

Worried that the incessant flooding in the communities has exacerbated their susceptibility to waterborne diseases like malaria, cholera, typhoid, yellow fever, diarrhea, leptospirosis and hepatitis A, among others;

Also worried that the gully erosions caused by the floods have rendered access roads in the communities impassable, causing untold hardship for the residents as they must travel long distances to access medical care and many other essential services;

Resolves to:

- (i) urge the National Emergency Management Agency to provide relief materials and first aid care to the victims of flooding in Makoko and Otumara Communities in Lagos Mainland Federal Constituency of Lagos State;
- (ii) also urge the Federal Roads Maintenance Agency (FERMA) to immediately commence rehabilitation of the damaged roads in Makoko and Otumara;

21. Need to stem the tide of Proliferation of Orphanage Homes in Nigeria

Motion made and Question proposed:

The House:

Notes that by the Provisions of Sections 14(2)(b) of the Constitution of the Federal Republic of Nigeria, 1999 (as amended) the primary duty of Government is to provide security and welfare to the people;

Also notes that the primary aim for establishment of Orphanage homes is to cater for the orphans and ensure their safety and wellbeing in Nigeria;

Aware that of the disturbing increase in the establishment of orphanage homes in Nigeria;

Also aware that the increase in the number of orphans in Nigeria are mainly due to the insecurity in nearly all parts of Nigeria such as kidnapping, fulani herdsmen attack;

Observes that most proprietors of orphanage home often prioritize profit over their core mandate, turning orphanage into baby factories where teenage girls are accommodated to produce babies which are sold and used for rituals and other heinous activities;

Worried that a good number of orphanage homes are being used for human trafficking whereby innocent girls are being recruited to embark on illegal migration to foreign countries where they eventually end up either being abused;

Cognizant of the urgent demand by government at all levels to formulate stringent conditions for the establishment of orphanage in the country to prevent and curb the proliferation of orphanage homes;

Convinced of the urgent need to clamp all unregistered and or criminally motivated orphanage homes in the country in fulfilment of government primary duty of security and welfare of her citizens;

Resolves to:

- (i) condemn the abuse and proliferation of Orphanage homes in Nigeria;
- (ii) urge the Federal Ministry of Health and Social Welfare to interface with all thirty - six (36) States and the FCT for immediate and full compliance of the mandate of orphanage homes across the country; and
- (iii) mandate the Committee on Women Affairs and Social Development to liaise with the Federal Ministry of Health and Social Welfare to ensure standardization of orphanage homes and close those under-resourced (*Hon. Emerengwa Boniface Sunday — Emohua/Ikwerre Federal Constituency*).

22. Construction of Oju-Uwokwu-Iboko-Abakaliki Federal Road, Oju-Ainu-Idelle-Enugu and Rehabilitation of Loko-Oju Federal Roads, Benue State:

Motion made and Question proposed:

The House:

Notes that Section 14 (2) (b) of the Constitution of the Federal Republic of Nigeria, 1999 (as amended) specifies that the security, safety, and welfare of the people of Nigeria shall be the fundamental objective of government;

Also notes that the National Assembly is saddled with the task of making laws for the peace, order, and good governance of the Federation or any part thereof (including Oju/Obi Federal Constituency) as enshrined in Section 4 (2) of the Constitution of the Federal Republic of Nigeria, 1999 (as amended), and that the infrastructural and economic development of the country and its component parts constitutes one of the fundamental objectives of the Federal Government as enshrined in the Constitution;

Aware that a good road network is a panacea for economic development in any country and the immediate rehabilitation of Loko-Oju under the construction of Loko-Otukpo-Oju federal road, Oju-Uwoku-Iboko (Izzi Local Government Area, Ebonyi State) Abakaliki detour to Oju-Ainu-Idelle-Enugu Federal roads are very vital for the movement of goods and services from the north to the south-east and south-west, the absence of a roadway has confined and isolated the people of Igede from other parts of the country;

Observes that the Oju-Uwoku and Izzi Local Government Areas in Benue and Ebonyi States, with Abakaliki detour to Oju-Ainu-Idelle-Enugu road, is crucial for socio-economic development in the North-Central, South-South, and South-East regions;

Acknowledges that if the roads are constructed, it will alleviate the hardship of the Igede people open up arable land in Benue State especially in the Uwoku community of Benue State and Izzi Local Government Area of Ebonyi State and enhance the economic value of Benue, Ebonyi, Enugu, and Cross-River States;

Cognizant that the Rehabilitation of Oju - Uwoku - Iboko - Abakaliki Federal Road, Oju - Ainu - Idelle - Enugu and Completion of Loko - Oju Federal Roads, Benue State will alleviate Igede people's hardships, open arable land and enhance the economic value of Benue State;

- (i) urge the Federal Ministry of Works, the Federal Roads Maintenance Agency (FERMA) and the Ecological Fund Office to embark on the immediate construction and rehabilitation of the roads; and
- (ii) mandate the Committees on Works, and Federal Roads Maintenance Agency to investigate the abandonment of the Loko-Oju and Oweto-Otukpo-roads by the Federal Roads Maintenance Agency (FERMA), include the construction and rehabilitation of the roads in the 2024 Supplementary Appropriations or 2025 budget estimates and ensure compliance (*Hon.
