

**SENATE OF THE  
FEDERAL REPUBLIC OF NIGERIA**  
**VOTES AND PROCEEDINGS**

Monday, 31st July, 2023

1. The Senate met at 12:41 p.m. The President of the Senate read prayers.

2. **Special Plenary**

*Motion made:* Pursuant to Order (7) that the Senate do sit this day Monday, 31<sup>st</sup> July, 2023 to deliberate on the request of Mr. President, Commander in Chief of the Armed Forces of the Federation for the Confirmation of Nominees for Appointments as Ministers of the Government of the Federation: (*Senate Leader*)

*Debate:*

*Question put and agreed to.*

3. **Votes and Proceedings:**

The Senate examined the Votes and Proceedings of Thursday, 27<sup>th</sup> July, 2023.

*Question was put and the Votes and Proceedings were approved.*

4. **Motion:**

*Urgent Need to Avert the Impending Strike by the Nigeria Labour Congress:*

The Senate:

*notes* that the Nigeria Labour Congress (NLC) has given the Federal Government a seven-day ultimatum to reverse what the union termed as "anti-poor policies" or face an indefinite nationwide strike from Wednesday, 2nd August, 2023;

*also notes* that the NLC has directed all its affiliates and state councils to immediately begin mobilization of workers and other Nigerians, including civil society allies, for a long-lasting strike and mass protests;

*aware* that the labour movement in a statement signed by its National President accused the Federal Government of failing to meet up with the demands it presented to it following the removal of the subsidy on petrol, which caused an astronomical rise in the pump price of the commodity;

*disturbed* that the strike would cripple the country and movement would be severely curtailed because commercial transport operators would withdraw their services, while markets, schools and healthcare facilities would be forced to shut down;

*further disturbed* that the action could heat up the polity when it occurs, and the gains from the strike are far below the costs to either of the parties in conflict;

*reflects* that the strike threat by the NLC, if not averted, could plunge Nigeria into deeper economic woes, dislocate businesses, hunger, frustration, more hardship that would lead to unquantified financial losses and reduce Nigeria's Gross Domestic Product (GDP);

*further aware* that NLC strike is also a bad reputation for the Nigerian economy and the educational system because it portrays the country in a bad light to the external world and discourages foreigners from coming to do business or study in Nigeria; and

*concerned* that the society always bears the brunt of strikes, such as increase in crime rate and social vices like armed robbery, oil bunkering, prostitution, cyber scams, etc.

*Accordingly resolves to:*

mandate the Leadership of the Senate to interface between the Nigeria Labour Congress and the Federal Government in order to avert the impending strike by the Nigeria Labour Congress (NLC) (*Senator Abdulrahman Kawu Suleiman — Kano South*).

*Debate:*

***Proposed Resolution:***

*Question:* That the Senate do mandate the Leadership of the Senate to interface between the Nigeria Labour Congress and the Federal Government in order to avert the impending strike by the Nigeria Labour Congress (NLC) — *Agreed to.*

*Resolved:*
