MOTIONS

14. **Need to Map out a Reintegration Plan for Internally Displaced Persons in the Country:**
Hon. Felix Uche Nwaeke:

The House:

Observe that as of April 2024 the internally displaced persons in Nigeria were estimated at about 3.3 million persons living in over 300 camps across Benue, Kaduna, Kano, Katsina, Kogi, Nasarawa, Niger, Plateau, Sokoto, and Zamfara States;

Notes that visitations by humanitarian organizations and government agencies to these camps are immersed with calls for improved welfare, feeding, and security of the displaced persons in these over 300 camps;

Also notes that there has to be a plan on how to prepare these persons who had been forced out of their homes and subjected to living conditions lower than they are used to psychologically, emotionally, and physically to reintegrate them back to a normal standard of living;

Worried that if the displaced persons, most of whom are women and children, are returned home after relative peace is restored in their communities without a structured reintegration plan that would be providing cash assistance, food and clothing, and psychological and emotional counseling and support, it would amount to insensitivity to their plight and, at most, abandonment;

Resolves to:

- (i) urge the Federal Ministry of Humanitarian Affairs and Poverty Reduction and the National Emergency Management Agency (NEMA) to conduct an assessment of the situation in the IDP camps across the country and draw up a reintegration plan for IDPs;
- (ii) also mandate the Committee on Emergency and Disaster Management to ensure compliance.

15. **Need to Establish a Mobile Police (MOPOL) Camp and Civilian JTF at Guga Ward, Bakori Local Government Area, Katsina State:**
Hon. Abdullahi Balarabe Dabai:

The House:

Notes the increasing cases of insecurity in Guga and Kandarawa Wards, Bakori Local Government Area of Katsina State, characterized by banditry, kidnappings, armed attacks, and general lawlessness;

Also notes that Guga and kandarawa Wards, due to their vast and porous landscape, has become vulnerable to criminal elements exploiting the lack of a robust security presence;

Aware that communities in and around Guga and Kandarawa Wards were attacked, in Unguwar Labo seventeen (17) persons were abducted, two (2) killed, and five (5) injured, while in Unguwar Galadima cattle and sheep were rustled, at Rinji village 2 persons were abducted and cattle rustled;

Disturbed that Danbawa village has been taken over by bandits, in Unguwar Mai-Kalangu and Gidan Sarkin Noma nineteen (19) people were abducted while Sabon Layin Kakumi and Yar Dabaro, all in Guga Ward, suffered relentless attacks leading to loss of lives, destruction of farmlands, internal displacement, and general socio-economic instability;

Worried that lack of a Mobile Police Camp in Guga Ward has hindered response to distress calls and increased violence, necessitating the establishment of a dedicated camp;

Also aware that Section 14(2) (b) of the Constitution of the Federal Republic of Nigeria, 1999 (as amended) provides that the security and welfare of the people shall be the primary purpose of government;

Cognizant of the need to establish a dedicated MOPOL Camp in Guga Ward to serve as a deterrent and intervention in the fight against insecurity, restoring peace and confidence of residents;

Resolves to:

- (i) urge the Inspector General of Police to establish a Mobile Police (MOPOL) Camp in Guga Ward, Bakori Local Government Area of Katsina State and provide necessary funding and logistics support for the successful operation of the camp;
- (ii) also urge the National Emergency Management Agency (NEMA) and other humanitarian bodies to assess the humanitarian situation and provide relieve materials to the displaced persons in the affected communities; and
- (iii) mandate the Committee on Police Affairs to interface with the Nigeria Police Force and relevant authorities to fast-track the establishment and deployment of Police personnel to the proposed MOPOL Camp.

16. Need to Strengthened Security Architecture to Restore Banking Operations in Odo-Otin/Ifelodun/Boriye Federal Constituency:

Hon. Olusoji Abidemi Adetunji:

The House:

Notes Access to banking services is crucial for economic growth, financial inclusion, and citizen empowerment and every federal constituency in Nigeria deserves to have at least one functional and secure banking institution, however, banking operations in Odo-Otin/Ifelodun/Boriye Federal Constituency have been suspended due to violent robbery attacks;

Recalls that on February 12, 2016, ten people were killed in a coordinated robbery of Skye Banks (now Polaris), First Bank, and Union Bank-in Ikirun, similarly on the 28 September 2021, another attack on Wema Bank in Iragbiji, Okuku and Iree left four persons dead, thereby escalating insecurity across Odo-Otin/Ifelodun/Boriye Constituency;

Aware that the constituency with a population exceeding 800,000 across 540 km, is served by only six police divisions, around 420 personnel and one functional patrol vehicle grossly inadequate for its security needs;

Also aware that Section 33(1) of the Constitution of the Federal Republic of Nigeria, 1999 (as amended) guarantees citizens the right to life and security, which the government is obligated to uphold;

Worried that the closure of the Bank has resulted in residents having to travel 30-50 kilometers to Osogbo for basic financial services, causing increased hardship and risk.

Conscious that the absence of banks undermines economic growth and worsens financial exclusion, with long-term implications for livelihoods and development;

Resolves to:

- (i) urge the Federal Government to establish and implement a robust and sustainable security architecture to curb persistent armed robbery attacks, thereby enabling the safe reopening of banking institutions across Odo-Otin/Ifelodun/Boripe Federal and Constituency of Osun State;
- (ii) also urge the Inspector General of Police to immediately deploy sufficient, well-equipped security personnel-armed with modern weapons, communication tools, and operational patrol vehicles-to strategically cover key locations within the constituency and deter further criminal attacks; and
- (iii) mandate the Committees on National Security and Intelligence and Legislative Compliance to ensure compliance.
