MOTIONS

6. **Need to investigate the Abandonment of over Thirty Industrial Development Centres (IDC) Across the Country:**
Hon. Emeka Idu Godwin.

The House:

Notes that over thirty Industrial Development Centres (IDCs) were established in the seventies with the objectives of providing assistance to small and medium scale industries;

Also notes that despite the four Zonal Centres located in Osogbo, Owerri, Zaria and Maiduguri, the country cannot be said to have benefitted much from the establishment.

Aware that the Osogbo IDC was established in February 1976 on 70 hectares of land by the Federal Government in collaboration with the United Nations Industrial Development Organization (UNIDO) and the United Nations Development Programme (UNDP) to provide technical assistance in the field of small and medium scale industries development in the country;

Observes that the Osogbo and other Centres have been neglected and abandoned over the years, leading to private entities taking over their lands and buildings;

Also aware that the main objective of establishing the centres with public funds were to promote the industrialization, reduce foreign exchange demand, and provide numerous benefits to the country.

Cognizant that the thirty Industrial Development Centres (IDCs) particularly the four Zonal Centres were fully equipped with heavy machineries for the purpose of disseminating industrial technical knowledge and skills that would have impacted tremendously on the country's drive towards industrialization;

Concerned that over the years, virtually all of the IDCs, Staff and equipment are wasting away and some of the equipment have become obsolete;

Also concerned that although the Federal Government had handed over these Centres to the Small and Medium Enterprises Development Agency of Nigeria (SMEDAN) for some years now, nothing has been done holistically to redress the pathetic situation in these Centres;

Also cognizant that if this trend is not checked, the Country will continue to lose the benefits of industrialization, which will in turn affect the standard of living of the people.

Resolves to:

mandate the Committee on Small and Medium Scale Enterprises to investigate the neglect and abandonment of over thirty Industrial Development Centres, recommend appropriate optimal utilization for their objectives and report within four (4) weeks for further legislative action

7. Need for Strengthen Security in Odo-Otin/Ifelodun/Boripe Federal Constituency to Restore Banking Operations:

Hon. Olusoji Abidemi Adetunji:

The House:

Notes that access to banking services is a fundamental driver for economic growth, financial inclusion and citizen empowerment, hence every Federal Constituency in Nigeria deserves at least one functional and secured banking institution;

Also notes that all banking operations within Odo–Otin/Ifelodun/Boripe Federal Constituency have been suspended due to persistent and violent armed robbery attacks, making financial transactions and commercial activity nearly impossible for residents and businesses;

Recalls that the attacks began on 12 February 2016 with the coordinated robbery of three banks—Skye (now Polaris), First Bank, and Union Bank in Ikirun leading to ten deaths;

Concerned that subsequent deadly robberies, including the 28th September 2021 attack on Wema Bank in Iragbiji (which left four dead), and similar incidents in Okuku and Iree, has resulted in the loss of more lives and escalated insecurity across the constituency;

Aware that the Constituency, with a population of over 800,000 across 540 km², is served by only six police divisions, around 420 personnel, and one functional patrol vehicle, which is grossly inadequate for its security needs;

Also aware that Section 33(1) of the 1999 Constitution guarantees citizens the right to life and security, which the government is obligated to uphold;

Worried that the shutdown of banks has forced residents to travel 30 to 50 kilometres to Osogbo for basic financial services, increasing hardship and risk;

Conscious that the absence of banks undermines economic growth and worsens financial exclusion, with long-term implications for livelihoods and development;

Resolves to:

- (i) urge the Federal Government to establish and implement a robust and sustainable security architecture to curb persistent armed robbery attacks, thereby enabling the safe reopening of banking institutions across Odo–Otin/Ifelodun/Boripe Federal Constituency of Osun State;
- (ii) also urge the Inspector General of Police to immediately deploy sufficient, well-equipped security personnel armed with modern weapons, communication tools, and operational patrol vehicles to strategically cover key locations within the constituency and deter further criminal attacks;
- (iii) mandate the Committees on Legislative Compliance and National Security and Intelligence to monitor the implementation of this resolution and ensure prompt and effective action by relevant authorities.

CONSIDERATION OF REPORTS

- 8.** A Bill for an Act to Amend the 2024 Appropriation Act to Further Extend the Capital Components of the Act From 30th June 2025 to 31st December, 2025 and for Related Matters (HB.2404) – (*Hon. Julius Ihonvbere, Owan Federal Constituency*) Committee of Supply
