5. Matters of Urgent Public Importance (Standing Order Eight, Rule 4)

(i) *Need to Enforce the Price Control Act to Regulate and Monitor Price of Essential Goods and Services in the Country:*

Hon. Hussaini Mohammed Jallo (*Igabi Federal Constituency*) introduced the matter and prayed the House to:

- (a) consider and approve the matter as one of urgent public importance; and
- (b) suspend Order Eight, Rule 4 (3) to allow debate on the matter forthwith.

Question that the matter be considered as one of urgent public importance — Agreed to.

Question that the House do suspend Order Eight, Rule 4 (3) to enable it debate the matter forthwith — Agreed to.

Need to Enforce the Price Control Act to Regulate and Monitor Price of Essential Goods and Services in the Country:

The House:

Notes the existence of Price Control Act to ensure that goods are to be sold at government approved prices to stabilize the general price level, prevention of hoarding of goods, protection of customers from exorbitant prices, etc.;

Also notes that the current rising price of Petroleum and Agricultural Products in Nigeria with its attendant effect on goods and services;

Cognizant of the need to enforce the Price Control Act to stabilize the nation's economy by preventing excessive inflation and ensure affordability of essential commodities for the blue print of all;

Also cognizant that the absence of a Price Control Board will give room to manufacturers, wholesalers and retailers of agricultural products to inflate the costs of production, thus disrupting the economics equilibrium of the nation;

Worried that lack of proper regulation on prices of commodities has resulted in unpredictable rise on the costs of petroleum products especially Petroleum Motor Spirit (PMS), Automotive Gas Oil (AGO) and kerosene, the volatility in pricing affects the transportation sector which in turn influence the cost of living for the ordinary citizen;

Further cognizant that if the present economic hardship in the nation is left unchecked it may lead to economic disparity and subsequently contributes to social unrest and discontent amongst the citizenry and perceive the government as insensitive to their needs;

Resolves to:

- (i) urge the Federal Ministry of Trade and Investment to reactivate a Price Control Board in the 36 States of the Federation and the Federal Capital Territory with the following key provision:
 - (a) impose zero duty on Agricultural Products for a period of five years to encourage agricultural growth and reduce the burden on farmers, increase

food production and make available to all and sundry;

- (b) the Price Control Board will be responsible for setting, regulation and monitoring the price of essential commodities not only limited to cement, sugar and food items but it will include Agricultural/Petroleum Products especially Petroleum Motor Spirit, Automotive Gas Oil and Kerosene to ensure that Manufacturers and Farmers do not impose price arbitrarily;
 - (c) the Board will oversee the price of Petroleum Products including Petroleum Products comprising of Premium Motor Spirit, Automotive Gas Oil and Kerosene;
 - (d) ensure zero VAT on Petroleum Products to directly reduce the cost of Transportation and living standards;
- (ii) mandate the Committee on Commerce to ensure compliance and report within four (4) weeks (*Hon. Hussaini Mohammed Jallo — Igabi Federal Constituency*).

Debate.

Agreed to.

Hon. Gboyega Isiaka (*Yewa North/Imeko Afon Federal Constituency*) introduced the matter and prayed the House to:
 - (a) consider and approve the matter as one of urgent public importance; and
 - (b) suspend Order Eight, Rule 4 (3) to allow debate on the matter forthwith.

Question that the matter be considered as one of urgent public importance — Agreed to.

Question that the House do suspend Order Eight, Rule 4 (3) to enable it debate the matter forthwith — Agreed to.

Ordeal of Nigerians Living in Igbokofi, Border Town Between Nigeria and Benin Republic:

The House:

Notes that Igbokofi is one of the communities in Yewa North Local Government Area of Ogun state that shares international border with the Republic of Benin. Typical of most border communities in Ogun State, the community faces not only extremely poor infrastructural facilities but great security challenges brought about by encroachment into the Nigerian territory by Beninoire authorities and activities of child traffickers, kidnappers, suspected arms running and such other transborder crimes. These poses great danger to lives and property of Nigerians living in and around this community;

Also notes that there has been a long standing border disputes between Nigeria and Benin Republic in Igbokofi community and as we speak a Benin Republic Police post located on the Nigerian land is still generating controversy;

Further notes that since June 2022, the community was being given Security protection by the Rapid Response Squad (RRS) of the Nigerian Immigration Service. The few men in the Nigerian Police Post in the community are completely unarmed (even with batons) and have had to run away many times on sensing danger. There are no other security or para military agent within the vicinity;

Worried however that in July this year, the RRS of Nigerian Immigration Service have also been withdrawn assumedly by the management of NIS. Since then, there has been greater threat to live and properties to the residents of Igbokofi and residents believe that arms and child trafficking through the area have evidently increased and there are reliable information that attacks that threaten the international border demarcation even further may be in the offing. This undoubtedly has created a lot of tension, anxiety, and fear within and around the community by residents as these can only lead to loss of lives and properties within and around the Igbokofi community;

Resolves to:

- (i) urge the Nigeria Police Force (NPF), Nigerian Immigration Service Rapid Response Squad (RRS) and other sister agencies to immediately restore fully all armed security personnel in Igbokofi;
- (ii) also urge the Inspector General of Police or any other designated Senior Police Officer to visit the community with a view to carry out on the spot assessment of the security threat to effect necessary changes;
- (iii) mandate the Committees on Interior, and Police Affairs to ensure compliance (*Hon. Gboyega Isiaka — Yewa North/Imeko-Afon Federal Constituency*).

Debate.

Motion made and Question proposed, “That the House do suspend Order Eight, Rule 4 (4) to enable it take more than two matters of urgent public importance” (*Hon. Kabir Ibrahim Tukura — Fakai/Sakaba/Wasagu Danko/Zuru Federal Constituency*).

Agreed to.

- (iii) ***Need to Address Security Challenges in Zuru, Fakai, Wasagu-Danko and Sakaba Local Government Areas of Kebbi State:***

Hon. Kabir Ibrahim Tukura (*Fakai/Sakaba/Wasagu Danko/Zuru Federal Constituency*) introduced the matter and prayed the House to:

- (a) consider and approve the matter as one of urgent public importance; and
- (b) suspend Order Eight, Rule 4 (3) to allow debate on the matter forthwith.

Question that the matter be considered as one of urgent public importance — Agreed to.

Question that the House do suspend Order Eight, Rule 4 (3) to enable it debate the matter forthwith — Agreed to.

Security Challenges in Zuru, Fakai, Wasagu-Danko and Sakaba Local Government Areas of Kebbi State:

The House:

Notes that Zuru/Fakai/Wasagu-Danko and Sakaba Federal Constituency of Kebbi State has been plagued by a relentless wave of kidnappings, with incidents occurring in towns such as Bena, Wasagu, Ayu, Dan-Ummaru, among others;

Also notes that the Constitution of the Federal Republic of Nigeria and other Federal and State laws are in tandem with the phrase 'safety of the people is the supreme law of the land'. The same Constitution added that "security and welfare of the people shall be the primary purpose of government";

Aware that the affected towns are predominantly agrarian communities that play a crucial role in providing a significant portion of both the state and national food supply through their

agricultural produce;

Also aware that kidnapping and banditry are significantly negatively impacting farming in Zuru/Fakai/Wasagu-Danko and Sakaba Federal Constituency and farmers are afraid to go to their farms for fear of being kidnapped or attacked by bandits. This leads to a decrease in food production and an increase in food prices;

Worried that the current security situation in the constituency has severely impacted farming activities, threatening the food security of the entire region and potentially leading to a looming famine;

Also worried that, over the past six months, more than 300 individuals have fallen victim to these kidnappings, with some victims only regaining their freedom after paying hefty ransoms, while others remain in captivity due to their inability to meet these ransom demands;

Concerned that the scourge of banditry has inflicted untold hardship on the people of Zuru/Fakai/Wasagu-Danko and Sakaba Federal Constituency, transforming the once proud and prosperous agrarian communities into scenes of abject misery and poverty.

Also concerned that the peace-loving residents of the affected areas are homeless and economically worthless. The number of widows and widowers is increasing; their children cannot go to school, farmers do not have access to their farmlands, and local markets cannot be operated;

Resolves to:

- (i) urge the Executive Arm of Government to urgently:
 - (a) take immediate and decisive action to address the grave security crisis in the Zuru/Fakai/Danko-Wasagu and Sakaba Federal Constituency of Kebbi State,
 - (b) establish a Mobile Police Base in Wasagu, within Wasagu/Danko Local Government Area, to assist the local security formation to mitigate the impact of security challenges in the constituency;
- (ii) also urge the National Emergency Management Agency (NEMA) to provide food items and other relief materials to the thousands of Internally Displaced Persons within the four Local Government Areas of the Constituency (*Hon. Kabir Ibrahim Tukura — Fakai/Sakaba/Wasagu Danko/Zuru Federal Constituency*).

9. Victimization and Maltreatment of Nigerians in Addis Ababa, Ethiopia

Motion made and Question proposed:

The House:

Notes the alleged incidence of victimization, maltreatment and forced imprisonment of Nigerians, including air travellers, in Addis Ababa, Ethiopia;

Also notes that one Dr Paul Ezike in a "save our soul message" circulated a message at the instance of a Nigerian allegedly arrested and put in Ethiopia prison;

Further notes that some Nigerians are currently serving at the Chaota Maximum Security and other prisons in Ethiopia most of whom are travelers that use the Ethiopian Airport as a transit point where they are indiscriminately arrested at the Ethiopia Airport in Addis Ababa, taken to the hospital and forcefully injected with some substances and later taken to the prison facilities;

Again notes that Nigerians in Addis Ababa and all over the world and their air travelers should be protected and should be accorded the same protection Nigeria gives to foreigners who live in Nigeria;

Aware that 250 Nigerians are currently serving prison terms in Ethiopia as a result of frequent attack and may die in prison, if urgent steps are not taken to save them;

Also aware that these Nigerians are not only poorly treated, but are also subjected to very agonizing conditions, poor feeding and without medication;

Cognizant that the Economic Community of West African States (ECOWAS) joined the rest of Africa to sign a remarkable Trade Agreement for the continent and the fact that Nigerians are industrious entrepreneurs and have spent years transacting business in Addis Ababa and air travelers contributing to their economy;

Worried that if early interventions and diplomatic measures are not taken by the Nigerian Government to check the incessant attacks on Nigerian in Addis Ababa, Ethiopia and air travelers would be at risk;

Resolves to:

Mandate the Committees on Diaspora, and Foreign Affairs to interface with the Hon. Minister of Foreign Affairs and the Chairman, Nigerians in Diaspora Commission on the preventive measures taken to protect Nigerians and air travellers to Addis Ababa and report within three (3) weeks (*Hon. Kingsley Chinda — Obio/Akpor Federal Constituency and Ten Others*).

Amendment Proposed:

In the Prayer, immediately after the word “Affairs”, *insert* the words “and Human Rights” (*Hon. Mudashiru Lukman Alani — Ayedire/Iwo/Ola-Oluwa Federal Constituency*).

Question that the amendment be made — Agreed to.

Question on the Motion as amended — Agreed to.

10. Commemoration of the 2023 International Day of the Girl Child "Invest in Girls' Rights: Our Leadership, Our Well-being"

Motion made and Question proposed:

The House:

Notes that 11th of October every year is globally celebrated as International Day of the Girl-Child and this year's theme is "Invest in Girls' Rights: Our Leadership, Our Well-being". It provides a platform for the global community to understand the disadvantages the Girl-Child faces in life;

Also notes that International Day of the Girl-Child is a day adopted by the United Nations to remind young girls of their uniqueness, strength and prowess; it is a day set aside to address issues such as early or child marriage, violence against girls, rape, child molestation, education deprivation and all other issues faced by girls;

Aware that the International Day of the Girl Child acknowledges the importance, power and potential of adolescent girls around the world by spotlighting other issues such as poor learning opportunities, discrimination, tackling issues posed by stereotypes and exclusion of children with disabilities and those living in marginalized communities;

Also aware that adolescent girls have the right to a safe, educated and healthy life, investing in girls' leadership includes creating space and platforms for girls to raise their voices at every level of policy-making;

Further aware that in most countries, patriarchy and power dynamics affords boys comparative advantages compared to girls in most domain; last survey from UNICEF revealed that 18.5 million children are out of school, out of this number, 60% are girls a factor that left them behind across multiple dimensions;

Worried about the high number of out-of-school girls that engage in drugs and other vices, throughout history, girls have been systematically held back and undervalued in society;

Informed that investment in critical steps such as the Girls Rights under the Convention of the Elimination of all forms of Discrimination Against Women (CEDAW) and the Convention on the Rights of the Child (CRC) will help to fast track the Sustainable Development Goals (SDGs) of the United Nations;

Also informed that the current trend in Nigeria reveals that young girls who are sexually abused by their parents/guardians, return back to the same house where they were abused after police intervention;

Resolves to:

- (i) urge the National Drug Law Enforcement Agency (NDLEA) National Orientation Agency (NOA) and other Stakeholders to initiate ways of educating and sensitizing adolescent girls on the dangers of drug and alcohol abuse in commemoration of the 2023 International Day of the Girl Child in Nigeria going forward;
- (ii) also urge the Ministries, Departments and Agencies (MDAs) that are saddled with the responsibility of training and empowerment to ensure compulsory vocational skills acquisition training for girls to keep them engaged and productive enough to keep them away from drugs;
- (iii) further urge the Federal Ministry of Women Affairs, the Maryam Babangida National Center for Women Development and the National Agency for the Prohibition of Trafficking In Persons (NAPTIP) to build a well-furnished rehabilitation shelter/homes for sexual abuse survivors across the 36 States and FCT;
- (iv) again urge the Federal Ministry of Education to drastically reduce the number of out-of-school girls by ensuring compulsory free education for girls across the country; and
- (v) mandate the Committee on Women Affairs to engage with all relevant Ministries, Departments and Agencies to ensure compliance (*Hon. Kafilat A. Ogbara — Kosofe Federal Constituency*).

Debate.

Agreed to.

Aware that the International Day of the Girl Child acknowledges the importance, power and potential of adolescent girls around the world by spotlighting other issues such as poor learning opportunities, discrimination, tackling issues posed by stereotypes and exclusion of children with disabilities and those living in marginalized communities;

Also aware that adolescent girls have the right to a safe, educated and healthy life, investing in girls' leadership includes creating space and platforms for girls to raise their voices at every level of policy-making;

Further aware that in most countries, patriarchy and power dynamics affords boys comparative advantages compared to girls in most domain; last survey from UNICEF revealed that 18.5 million children are out of school, out of this number, 60% are girls a factor that left them behind across multiple dimensions;

Worried about the high number of out-of-school girls that engage in drugs and other vices, throughout history, girls have been systematically held back and undervalued in society;

Informed that investment in critical steps such as the Girls Rights under the Convention of the Elimination of all forms of Discrimination Against Women (CEDAW) and the Convention on the Rights of the Child (CRC) will help to fast track the Sustainable Development Goals (SDGs) of the United Nations;

Also informed that the current trend in Nigeria reveals that young girls who are sexually abused by their parents/guardians, return back to the same house where they were abused after police intervention;

Resolved to:

- (i) urge the National Drug Law Enforcement Agency (NDLEA) National Orientation Agency (NOA) and other Stakeholders to initiate ways of educating and sensitizing adolescent girls on the dangers of drug and alcohol abuse in commemoration of the 2023 International Day of the Girl Child in Nigeria going forward;
- (ii) also urge the Ministries, Departments and Agencies (MDAs) that are saddled with the responsibility of training and empowerment to ensure compulsory vocational skills acquisition training for girls to keep them engaged and productive enough to keep them away from drugs;
- (iii) further urge the Federal Ministry of Women Affairs, the Maryam Babangida National Center for Women Development and the National Agency for the Prohibition of Trafficking In Persons (NAPTIP) to build a well-furnished rehabilitation shelter/homes for sexual abuse survivors across the 36 States and FCT;

- (iv) again urge the Federal Ministry of Education to drastically reduce the number of out-of-school girls by ensuring compulsory free education for girls across the country; and
- (v) mandate the Committee on Women Affairs to engage with all relevant Ministries, Departments and Agencies to ensure compliance (HR. 241/10/2023).

11. Need to Replace Damaged Concrete Electric Poles in Gurka, Aviri, Gavin-Gumi and Makama and connect Neighbouring Communities in Zaki Local Government Area of Bauchi State to the National Grid

Motion made and Question proposed:

The House:

Notes that reliable electricity is critical for sustainable development in any society and the core mandate of the Rural Electrification Agency of Nigeria is to provide access to reliable electricity for rural dwellers in a way that would allow a reasonable return on investment at an appropriate tariff that is economically responsive and supportive of the average rural customers;

Also notes that it is the responsibility of the Rural Electrification Fund (REF) to promote, support and provide rural electrification through public and private sector participation;

Concerned that while contracts to provide electricity in Gurka, Arid, Garin-Gami and Makawa communities did not include connecting them to the national grid, Kafin Larabawa, Alangawari, Gumai, Lodiyo and Bursali all in Zaki Federal Constituency have never had electricity; and

Cognizant that lack of electricity in rural areas stalls their progress, thus, connecting them to the national grid will grant them access to clean, safe and reliable energy and enhance socio-economic activities therein;

Resolves to:

- (i) urge the Rural Electrification Agency of Nigeria to make provision in the 2024 budget estimates for the electrification and connection to the national grid of Kafin Larabawa, Alangawari, Gumai, Lodiyo, Bursali, Gurka, Arid, Garin-Gami and Makawa communities in Zaki Local Government Area of Bauchi State;
- (ii) mandate the Committee on Power to ensure compliance (Hon. Mohammed Dan Abba Shehu — Zaki Federal Constituency).

Agreed to.

(HR. 242/10/2023).

Motion referred to the Committee on Power, pursuant to Order Eight, Rule 9 (5)

12. Employment of Corps Members who were Victims of Election Violence into the Civil Service or Independent National Electoral Commission

Motion made and Question proposed:

The House:

Notes that the Independent National Electoral Commission held the Presidential and National Assembly Elections on February 25, 2023, followed by Governorship and House of Assembly Elections on March 11, 2023, and April 15th, 2023, for supplementary elections;

Also notes that the Independent National Electoral Commission co-opted over 200,000 youth Corps

members as *Ad-hoc* staff to assist in the administration of the elections, thus, constituting approximately 80% of the INEC *Ad-hoc* staff;

Worried that some of the corps members were reported to have been victims of election violence, sustaining injuries from gunshots and matchets;

Cognizant that despite facing threats, the corps members remained committed in ensuring that the 2023 elections were conducted in accordance with their assigned roles;

Also cognizant of their sacrifice for this important National Assignment there is need to employ the corps members who were victims of the election violence to compensate for their losses and encourage future participation;

Resolves to:

- (i) urge the National Youth Service Corps (NYSC) and the Independent National Electoral Commission (INEC) to produce a comprehensive list of corps members that participated in the last 2023 elections and were victims of election violence;
- (ii) also urge the Federal Character Commission and the Federal Civil Service Commission to review and subsequently consider employing victims of election violence into the public service of the Federation; and
- (iii) mandate the Committees on Federal Character, Public Service, and Electoral Matters to ensure compliance (*Hon. Emmanuel Ukpong-Udo — Ikono/Ini Federal Constituency*).

Debate.

Agreed to.

13. Construction of Igbo - Chokota - Ikwerrenguro - Umuebule Uwaza Road

Motion made and Question proposed:

The House:

Notes that Igbo/Chokota/Ikwerrengwo/Umuebule/Uwaza neighbouring Communities in Rivers State and Abia State host about 117 Oil Wells, 3 Gas Plants, 5 Flow Stations and 3 Manifolds that contribute richly to Nigeria's economy;

Also notes that residents of the said communities are predominantly engaged in various agricultural activities including farming and fishing as well as trading in food items, thus the road plays a crucial role in facilitating movement of food items to other parts of the country;

Aware that Section 7 (1) (b) of the Niger Delta Development Commission Act mandates the Commission to conceive, plan and implement projects and programmes for the sustainable development of the Niger-Delta in the field of transportation including roads, jetties and waterways, health, education, employment, industrialization, agriculture and fisheries, housing and urban development, water supply, electricity and telecommunications;

Worried that the aforementioned communities have no good access roads and the two main bridges connecting the communities at Imo River and Otamirioche River have collapsed, crippling socio-economic activities and causing untold hardship to the people even as their land feeds the country's economy in great measures via oil exploration by international and local oil companies;

Also worried that failure to construct roads for the people and give them a sense of belonging could lead to unimaginable social vices;

Resolves to:

- (i) urge the Niger Delta Development Commission (NDDC) to make provisions for construction of Igbo - Chokota - Ikwerrengwo - Umuebule - Uwaza Road in the 2024 Budget estimates; and
- (ii) mandate Committee on Niger Delta Development Commission (NDDC) to ensure compliance (*Hon. Kelechi Nwogu — Etche/Omuma Federal Constituency and one Other*)

Agreed to.

(HR. 244/10/2023).

Motion referred to the Committee on Niger Delta Development Commission (NDDC), pursuant to Order Eight, Rule 9 (5).

14. Revitalization of the Biomass Ethan Project Abandoned by the Nigerian National Petroleum Company Limited (NNPCL) in Benue State

Motion made and Question proposed:

The House:

Notes that the Nigerian National Petroleum Corporation Limited (NNPCL) was mandated by the Federal Government in 2005 to establish a domestic fuel ethanol industry, reduce Nigeria's reliance on imported gasoline, and environmental pollution, and create a sustainable commercial sector;

Aware that as part of the August 2005 Federal Government directive, the Nigerian National Petroleum Corporation Limited was directed to establish a fuel ethanol industry in six geo-political zones of Nigeria to improve automotive fossil fuel quality. The project included a sugar cane feedstock plantation, a sugar mill, and a fuel ethanol processing plant;

Also aware that in 2017, a Memorandum of Understanding (MOU) was signed between the Nigerian National Petroleum Corporation Limited and the Benue State Government on the Biomass Ethanol Project in Benue State, aimed at establishing a biogas cogeneration plant that will generate 64 megawatts of electricity, carbon dioxide recovery and bottling plant to produce 2000 tonnes annually and animal feed plan;

Also Cognizant that the Benue State Government and Nigerian National Petroleum Corporation Limited have provided 50,000 hectares of unencumbered land, completed a perimeter survey, a topographical survey for engineering designs, educated and mobilized local communities for the project, while Nigerian National Petroleum Corporation Limited has completed feasibility studies, an environmental impact assessment, and has unannounced core investors;

Worried that the Nigerian National Petroleum Corporation Limited, the Benue State Government, and Federal Government of Nigeria have spent millions of dollars on the Biofuel ethanol project.

Further aware the project aims to reduce insecurity in North Central Nigeria, create over 10,000 jobs for farmers, and alleviate unemployment among the region's youth and women;

Resolves to:

- (i) urge the Nigerian National Petroleum Corporation Limited to revitalize the project and return it to its original location, as per the MOU between the Nigerian National Petroleum Corporation Limited and the Benue State Government;
- (ii) mandate the Committee on Downstream Petroleum to invite the Nigerian National Petroleum Corporation Limited to ascertain why the project was abandoned and the need for it to be revitalized; and
- (iii) also mandate the Committee on Legislative Compliance to ensure compliance (*Hon. Sekav Dzua Iyortyom — Buruku Federal Constituency*).

Debate.

15. Reconstruction of the Kisi-Soro-Igboho Road in Oyo State

Motion made and Question proposed:

The House:

Notes that the Federal Government Trunk 'A' Road, a 29-kilometre economic artery in Oke Ogun, Nigeria, was constructed in 1959 but is currently in colossal disrepair, spanning Kisi, Soro, Igboho, to Ibadan and an alternative route to the northern parts of Nigeria;

Also notes that the federal road links agrarian communities like Igboho, Soro, Kisi, Igbeti, and Igbope, serving as a significant food basket in the Southwest and the country.

Worried that lack of regular maintenance and rehabilitation of the road since it was constructed 64 years ago has led to a harrowing experience for farmers, motorists, and other Nigerians plying this road;

Aware that an Auditor-General's Annual Report of 2016 stated that a contract with reference number OORBDA/S/472/2014/VOL.1/027 was awarded in September 2014 by the Ogun-Osun River Basin Development Authority, Abeokuta for ₦99.8 million to rehabilitate the Kisi-Igboho road;

Also aware that the Auditor-General's Annual Report of 2016 revealed that the contractor was paid ₦87.8 million, but materials worth ₦39.5 million were not supplied, and expenditure on ₦5.2 million was unjustified;

Concerned that the poor state of the road has led to high rates of armed robbery, kidnappings, accidents, and other vices, causing insecurity and economic hardships in the area;

Cognizant of the detrimental effects of the road on the social and economic well-being of the affected communities, potential risks to human lives, and the local agrarian economy, including worsening security in Oke Ogun areas of Oyo State, which requires urgent attention;

Resolves to:

- (i) urge the Federal Ministry of Works to commence the design for the road and award the construction of Kisi-Soro-Igboho Road in Oyo State to enhance economic growth in Nigeria;
- (ii) mandate the Committees on Appropriations and Works to include the reconstruction of Kisi-Soro-Igboho Road in Oyo State in the 2024 budget estimates; and
- (iii) also mandate the Committee on Works to ensure compliance (*Hon. Olaide Lateef Mohammed — Irepo/Orelope/Olorunsogo Federal Constituency*)

Agreed to.

(HR. 246/10/2023).

Motion referred to the Committees on Appropriations and Works, pursuant to Order Eight, Rule 9 (5).

16. Rehabilitation of the Jibiro-Sarou-Belel Road

Motion made and Question proposed:

The House:

Notes the importance of good road infrastructure to the development of any community is of paramount importance, particularly as it affects the livelihood of people of the area;

Also notes that the rehabilitation of the Jibiro-Sarou-Belel Road was awarded for construction to alleviate the suffering of the people of the area due to the bad road which is very crucial for the sustenance of their living;

Aware that provision for the rehabilitation of the Jibiro-Sarou-Belel road was made in the budget for the past Seven (7) years and allocations were made for the said road and a contract was awarded for which to the people's utmost dismay there has been no visible progress of any work on the road leaving them in a continued hardship;

Disturbed that funds allocated for the rehabilitation of the road are either misappropriated or mismanaged and that causes great concern;

Also disturbed that the failure to commence rehabilitation work on the road despite the contract awarded raises questions about the effectiveness of the procurement and execution process. The delay has not only caused frustration for the people of the communities but also undermines public trust in the government's commitments to infrastructural development;

Concerned that continuous neglect of the road impacted negatively on the people of the area causing unabated suffering, economic loss, limited access to essential services and significant hardship on their livelihood;

Resolves to:

- (i) urge the Federal Ministry of Works to take all the necessary steps to expedite action on the rehabilitation of the Jibiro-Sarou-Belel road by ensuring that the contract is executed promptly when the construction work commences; and

- (ii) mandate the Committee on Works to investigate the cause of delay in the commencement of the rehabilitation and execution, after funds were allocated and report within four (4) weeks (*Hon. Aliyu Wakili Boya — Fufore/Song Federal Constituency*)

Agreed to.

(HR. 247/10/2023).

Motion referred to the Committee on Works, pursuant to Order Eight, Rule 9 (5).

17. Investigation of Alleged Weak Accountability, Reckless Spending, Deliberate Diversion, and Mismanagement N200 Billions of COVID-19 Intervention Funds from 2019 to 2022

Order deferred by leave of the House.

18. Flooding in Wudil Local Government Area of Kano State

Motion made and Question proposed:

The House:

Notes that in an earlier resolution via a Motion, the House urged the Federal Government to take rapid preventive measures towards curtailing the predicted flooding events as stated by the Nigerian Meteorological Agency (NIMET) for 2023;

Also notes that Wudil Local Government Area in Kano State, which has a large concentration of rice and fish farmers as the major occupation in the area, is bedeviled by recurrent flooding often leading to loss of lives and damage to farmlands and agricultural produce worth millions of Naira;

Concerned that a majority of the farmers affected by the flooding took loans under the Federal Government's Anchor Borrowers' programme may be unable pay back as a result of the losses incurred in the flooding incidents which has displaced a large number of the residents and destroyed their livelihood, causing them untold hardship;

Also concerned that flooding, which has defied various interventions by individuals and private organizations, has destroyed most of the buildings in the Aliko Dangote University of Science and Technology, Wudil, forcing academic activities to stop, thus the students are unable to continue in their various academic pursuits;

Worried that if the flooding in Wudil is not urgently checked, it will adversely affect the food supply chain, thus leading to food insecurity and economic hardships in Kano State and the country at large;

Resolves to:

- (i) urge the National Emergency Management Agency (NEMA) to provide relief materials to the victims of flooding in Wudil Local Government Area of Kano State;
- (ii) also urge the National Commission for Refugees, Migrants, and Internally Displaced Persons (NCFRMI) to help with a temporary relocation of the displaced flood victims pending when their communities are restored, and the Ecological Fund Office provides a lasting solution to the problem of flooding in Wudil Local Government Area of Kano State; and
- (iii) mandate the Committees on Emergency and Disaster Preparedness, Internally Displaced Persons and Refugees (IDPs) and Ecological Fund to ensure compliance and report within four (4) weeks (*Hon. Abdulhakeem Kamilu Ado — Wudil/Garko Federal Constituency*).

Agreed to.

(HR. 248/10/2023).

Motion referred to the Committees on Emergency and Disaster Preparedness, Internally Displaced Persons and Refugees (IDPs) and Ecological Fund, pursuant to Order Eight, Rule 9 (5).

19. Compelling Road Users to Obey Traffic Light Signals and Road Traffic Regulations in the Federal Capital Territory, Abuja

Motion made and Question proposed:

The House:

Notes that traffic control lights are signalling devices placed at road intersections, Pedestrian crossings, and other locations to control vehicular and pedestrian traffic, and are designed to regulate the flow of traffic and prevent accidents;

Concerned that rather than regulate the flow of traffic and prevent accidents, motorists in the Federal Capital Territory by commission or omission, constitute hazard to other road users, by refusing or neglecting to obey traffic signs, and particularly the amber, red and green signs, displayed on the traffic control lights;

Also notes that the greatest violators of the traffic control light signals are VIP vehicles, bullion vans, motorcyclists, despatch riders, tricyclists and taxi cab vehicles etc;

Concerned that data published by the National Bureau of Statistics (NBS) shows that the Federal Capital Territory, Abuja, currently has the highest incident of car crashes in Nigeria;

Aware that in most jurisdictions, technology is deployed to track and arrest violators of traffic rules and regulations;

Resolves to:

- (i) urge the Federal Road Safety Commission to exercise their powers under the Federal Road Safety Commission, Act 2007 and arrest and prosecute persons who run against traffic light signals, and violate other road traffic regulations;
- (ii) also urge the Federal Capital Territory Administration to deploy technology that will track and arrest violators of traffic rules and regulations in the FCT; and
- (iii) mandate the Committees on Federal Road Safety Commission and the Federal Capital Territory to ensure compliance (*Hon. Igariwey Iduma Enwo — Afikpo North/Afikpo South Federal Constituency*).

Order deferred by leave of the House.

21. Need for the National Primary Healthcare Development Agency (NPHDA) to collaborate with Relevant Health Agencies in States and Local Governments to ensure the functionality of Primary Healthcare Centres

Motion made and Question proposed:

The House:

Notes that Nigeria is the largest economy in Africa, with a GDP of over \$430 billion and a 213 million population, and is projected to double by 2050, putting pressure on the health sector;

Concerned that Nigeria's primary healthcare sector faces alarmingly high rates of dilapidated facilities, it is estimated that Nigeria has about 39,983 hospitals and clinics as of 2020, with the primary Healthcare Centres accounting for about 34,000 which is 86%, however, only 20% of these primary Healthcare Centres are functional, particularly in rural areas lacking adequate facilities and staffing;

Also concerned that the lack of medical equipment, drugs, qualified personnel, electrical systems, beds, and road networks has increased the death toll in healthcare centers, necessitating revitalization with a budget of 80 million dollars for additional bed spaces;

Worried that the military regime of General Ibrahim Badamosi Babangida and Prof. Olikoye Ransome Kuti has led to a 70% decline in primary healthcare, with many centres falling into disuse;

Alarmed that the Federal and State Health Ministries inaccurate representation of primary healthcare centres hinders proper budgeting and access to quality healthcare in rural areas, leading to premature deaths;

Resolves to:

- (i) urge the Federal Government to declare a state of emergency in the health sector and allocate significant votes to it in the 2024 budget estimates;
- (ii) also urge the Federal Ministry of Health to encourage States to resuscitate the comatose primary healthcare programme at the grassroots level and provide qualitative and affordable Medicare for the masses;
- (iii) further urge the Federal Ministry of Health, in collaboration with State Ministries, Local Governments, and other stakeholders, to establish a task force to eradicate medical malpractice, particularly in rural areas and furnish the Committee on Healthcare Services with the summary reports in evaluating the standard of the primary Healthcare Centres from 2016-2022;
- (iv) mandate the Committee on Healthcare Services, to oversee the activities of Primary Healthcare Centres across the country and ascertain their real state; and
- (v) also mandate the Committees on Healthcare Services, and Legislative Compliance to ensure compliance (*Hon. Fayinka Moses Oluwatoyin — Mushin II Federal Constituency*).
