7. Matter of Urgent Public Importance (Standing Order Eight, Rule 4)

Establishment of an Inland Dry Port at Emene, Enugu State:

Hon. Paul Sunday Nnamchi (*Enugu East/Isi-Uzo Federal Constituency and 14 Others*) introduced the matter and prayed the House to:

- (a) consider and approve the matter as one of urgent public importance; and
- (b) suspend Order Eight, Rule 4 (3) to allow debate on the matter forthwith.

Question that the matter be considered as one of urgent public importance — Agreed to.

Question that the House do suspend Order Eight, Rule 4 (3) to enable it debate the matter forthwith — Agreed to.

Establishment of an Inland Dry Port at Emene, Enugu State:

The House:

Notes that Inland Dry Port refers to a secure inland intermodal terminal or location for handling temporary storage, inspection and customs clearance of freight moving hinterland under international trade, by any mode of transport such as road, railways or airports;

Aware that Emene, Enugu, was the former regional capital of the Southeastern part of Nigeria, hosting industrial layouts like Anambra Motor Manufacturing Company, EMENITE Aluminium, Sunrise Flour Mills, Eastern Plastics, NIGERSTEEL, NNPC Depot, International passenger/Cargo Airport, including Railway lines;

Also aware that Emene has an existing infrastructure, such as Customs and Immigration offices, proximity to Nigerian Army (82 Division), Air Force base, Transportation hubs, Oil and Military establishments, which contribute significantly to the economic and strategic development of the area;

Acknowledges that Emene is very strategic in fostering economic growth, industrial development, and regional connectivity and enjoys proximity to the Southern and Northern Regions;

Cognizant that currently, the lack of a major inland port in Enugu, is hindering the region's potentials for efficient and cost-effective transportation of goods and speedy delivery of services;

Observes that the undue bureaucratic delays in clearing and forwarding processes in Nigerian major ports can be reduced with an Emene, Enugu Inland Dry Port due to its vast inter-state trade connectivity web, seamless transport logistics;

Also observes that the abundance and availability of solid minerals in Enugu and some parts of South Eastern Nigeria, like Coal, Limestone, Lead/Zinc and abundant agricultural produce among others, can increase revenue and create employment opportunities for the government through the inland dry port;

Recognizes that the need for urgent establishment of an inland dry port at Emene, Enugu, will enhance trade relations, agricultural investments, supply chains and diversified economic cooperation in the South East region;

Resolves to:

- (i) urge the Executive Arm of Government to consider the urgent need for the establishment of an inland dry port at Emene, Enugu, as a means of increasing revenue and GDP of our country;
- (ii) mandate the Committee on Ports and Harbours to liaise with the management of Nigeria Ports Authority to come up with a workable modality that will ensure speedy establishment of an inland port at Emene, Enugu, as soon as possible;
- (iii) also mandate the Committees on Ports and Harbours, and Legislative Compliance to monitor and expedite necessary actions for the successful implementation of this resolution and report within three (3) weeks (*Hon. Paul Nnamchi — Enugu East/Isi-Uzo Federal Constituency and Fourteen Others*).

Debate.

Agreed to.
