 - (b) suspend Order Eight, Rule 5 (3) to allow debate on the matter forthwith.

Question that the matter be considered as one of urgent public importance — Agreed to.

Question that the House do suspend Order Eight, Rule 5 (3) to enable it debate the matter forthwith — Agreed to.

Need for Intervention in the Escalating Rate of Insecurity in Esan North East and Esan South East Local Government Areas, Edo State:

The House:

Notes that Section 14 (2) (b) of the Constitution of the Federal Republic of Nigeria, 1999 (as amended) states that the welfare and security of all citizens shall be the primary purpose of governance. However, the level of insecurity in Esan North East and Esan South East Federal Constituency of Edo State has reached a critical juncture, with persistent and increasing incidents of killings, kidnappings, and other forms of violence;

Also notes that crimes such as kidnapping, armed robbery, murder, rape, and cult-related killings are now reported almost daily, necessitating serious and tactical operations to stem the situation, which is nearing a state of despair. The Police seem to be helpless or overwhelmed by the problem;

Saddened by the increasing rate of insecurity, the situation has become unbearable. This has caused constituents to live in fear, experience psychological trauma, and suffer a significant decline in their overall sense of security. Numerous people have been killed, and their mutilated bodies have been recovered, showing signs of organ harvesting;

Also saddened by the recent increase in the number of victims, including Mr. Sylvester and his mother, Mr Kingsley Okoboh, Mr Odion Onobhoebhin, Mr Akhere, Mrs Margaret Akpa, Mr Monday Ikah, Mr Eboh, Mr Ehiabhili (the Chairman of the Tipper Drivers' Association), Madam Sokoto, Miss Peace, Mr Eze, Seminarian Ephraim Akhere, Mr Victor and his wife,

Mr Samuel Inegbenebor, Miss Faith (an undergraduate student who is still in the hospital), 16-year-old Becky (who remains traumatized after being raped and mishandled), and three Youth Corps members, among numerous others. It is pertinent to also mention that some of these victims were killed despite ransoms having been paid;

Concerned that these criminals operate predominantly along the rail route from Uzea to Ugboha, Amedokhian, Udo, Eko-Ibadin, and Ubiaja to Ewohimi in the Esan North East/Esan South East Federal Constituency of Edo State, and have escalated their activities to include kidnapping people in their homes;

Recognizes the commendable efforts of H.E. Senator Monday Okpebholo, the Executive Governor of Edo State, for his innovative actions, including the establishment of Joint Security Task Force (Operation Rescue) to address the escalating insecurity across the state. This initiative includes the purchase and empowerment of security vehicles and other gadgets across the State, as well as the restructuring of the Edo State Security Corps to strengthen community-based security measures which have started yielding positive results;

Conscious of the paramount need to uphold its commitment to safeguarding the lives and well-being of the constituents, in alignment with the primary purpose of governance as enshrined in the Constitution;

Resolves to:

- (i) observe a minute of silence in honour of those who have lost their lives due to this menace;
- (ii) urge the Executive Arm of Government to direct the Department of State Services (DSS), the Nigeria Army, the Nigeria Police Force (NPF), and other relevant agencies, to conduct an intensive investigation to curb these nefarious activities, and to foster synergy among the security agencies and relevant stakeholders to effectively address the trend of insecurity in Esan North East/Esan South East Federal Constituency, Edo State;
- (iii) also urge the Federal Government, through the Defence Headquarters to establish a military base in Uromi, Esan North East Local Government Area to enhance security presence and response capabilities in the region; and
- (iv) mandate the Committees on Defence, Army, National Security and Intelligence, Police Affairs, and Legislative Compliance to ensure compliance and report within four (4) weeks (*Hon. Henry Odianosen Okojie — Esan North East/Esan South East Federal Constituency*).

Debate.

Agreed to.

(ii) ***Need to Rehabilitate the Oil and Gas Pipeline Networks Across Nigeria to a Vert Economic Loss for Nigeria:***

Hon. Muhammed Bello Shehu (*Fagge Federal Constituency*) and *Fourteen others* introduced the matter and prayed the House to:

- (a) consider and approve the matter as one of urgent public importance; and
- (b) suspend Order Eight, Rule 5 (3) to allow debate on the matter forthwith.

Question that the matter be considered as one of urgent public importance — Agreed to.

Question that the House do suspend Order Eight, Rule 5 (3) to enable it debate the matter forthwith — Agreed to.

Need to Rehabilitate the Oil and Gas Pipeline Networks Across Nigeria to a Vert Economic Loss for Nigeria:

The House:

Notes that Nigeria's oil and gas sector remains the backbone of the national economy, contributing approximately 9% to the Gross Domestic Product (GDP) and generating over 90% of export revenues. The effective transportation of petroleum resources is dependent on the integrity of the country's pipeline infrastructure;

Also notes that between 2018 and 2023, Nigeria recorded over 7,000 incidents of pipeline vandalism, resulting in the loss of \$12.74 million worth of crude oil;

Aware that in October 2024, crude oil supply to Shell's Forcados Terminal was reduced by 50% due to sabotage, leading to loading delays and the risk of force majeure declarations;

Concerned that in January 2025, a major pipeline spill from a facility owned by Shell's Nigerian subsidiary caused environmental devastation in the Niger Delta, worsening pollution and economic hardship for host communities.

Also concerned that in February 2025, Shell reported an oil spill near Port Harcourt caused by an overflow during pipeline flushing operations, highlighting ongoing risks in pipeline management;

Recognizes that recurrent pipeline breaches have led to extensive environmental degradation, loss of livelihoods, and substantial national revenue losses, further straining the country's economic and security landscape;

Also recognizes that the Niger Delta region has suffered from decades of oil spills, causing severe health hazards, destruction of farmlands, and contamination of water sources, thereby exacerbating poverty among local communities;

Observes that the Nigerian National Petroleum Corporation Limited (NNPCL) has intensified efforts to combat crude oil theft, uncovering 19 illegal pipeline connections and 58 illegal refineries in a single week in January 2025;

Believes that the deterioration of oil and gas pipeline networks not only threatens Nigeria's energy security but also undermines the country's potential for sustainable economic development;

Resolves to:

- (i) set up an *Ad-hoc* Committee to:
 - (a) investigate the state of oil and gas pipelines across Nigeria, including the causes and impacts of frequent vandalism and operational failures,
 - (b) assess the adequacy of existing security and maintenance measures in safeguarding national petroleum infrastructure,
 - (c) examine the effectiveness of past and present government interventions aimed at protecting pipelines,
 - (d) engage stakeholders, including the NNPC, Nigeria Upstream Petroleum Regulatory Commission (NUPRC), Nigerian Midstream and Downstream Petroleum Regulatory Authority (NMDPRA), National Security Agencies, oil companies, host communities, and civil society organisations, to recommend sustainable solutions;
- (ii) mandate the *Ad-hoc* Committee to report its findings and recommendations within four (4) weeks (*Hon. Muhammed Bello Shehu — Fagge Federal Constituency and Fourteen Others*).

Debate.

Agreed to.

- (iii) ***Suspension of the Increase in ATM Transaction Charges and Stoppage of Free ATM Withdrawals for Customers from Other Banks by the Central Bank of Nigeria:***
Hon. Marcus Onobun Iziegbeaya (*Esan Central/Esan West/Igueben Federal Constituency*)

introduced the matter and prayed the House to:

- (a) consider and approve the matter as one of urgent public importance; and
- (b) suspend Order Eight, Rule 5 (3) to allow debate on the matter forthwith.

Question that the matter be considered as one of urgent public importance — Agreed to.

Question that the House do suspend Order Eight, Rule 5 (3) to enable it debate the matter forthwith — Agreed to.

Suspension of the Increase in ATM Transaction Charges and Stoppage of Free ATM Withdrawals for Customers from Other Banks by the Central Bank of Nigeria:

The House:

Aware that the Central Bank of Nigeria (CBN) in its new circular, has reviewed the ATM transaction fees stipulated under section 10.7 of the "CBN Guide to Charges by Banks, Other Financial and Non-Bank Financial Institutions", prescribing an increase in ATM withdrawal charges and a discontinuation of the free ATM withdrawals for customers using ATMs of other banks, thereby imposing additional financial burdens on Nigerians;

Also aware that the said section 10.7 of this Guide was last reviewed in 2019, reducing ATM transaction fees from ₦65 to ₦35 per transaction;

Notes that according to this new policy, customers withdrawing from their Bank's ATMs will continue to enjoy free withdrawals. However, a fee of ₦100 per ₦20,000 withdrawals will be applied to customers from other Banks transacting from ATMs within the Bank premises. Similarly, Customers from other Banks transacting from ATM outside the premises of the Bank (Malls, Market places, and other public places) will be charged ₦100 and an additional surcharge of ₦500;

Disturbed that the citizens of Nigeria are already grappling with multiple economic hardships, including high inflation, increased fuel prices, electricity tariff hike, and numerous banking and service charges that significantly reduce disposable income and negatively impact the economic welfare of citizens;

Worried that the imposition of additional ATM withdrawal charges will further limit the financial inclusion of Nigerians by discouraging low-income earners from accessing banking services, thereby contradicting the CBN's financial inclusion agenda;

Cognizant of the fact that the banking sector has continued to record significant profits, imposing further charges on consumers without corresponding improvements in service delivery or infrastructure is unjustifiable;

Also notes that the role of government includes protecting citizens from exploitative financial practices that may lead to further economic distress;

Resolves to:

- (i) urge the Central Bank of Nigeria to immediately suspend the implementation of the policy;
- (ii) mandate the Committees on Banking Regulations, Banking and Other Ancillary Institutions, Digital and Electronic Banking, and Finance to liaise with the Central Bank of Nigeria to ensure compliance (*Hon. Marcus Onobun Iziegbeaya — Esan*

Central/Esan West/Igueben Federal Constituency).

7. Privilege (Order Six, Rule 2)

Hon. Igariwey Iduma Enwo (*Afikpo North/Afikpo South Federal Constituency*), on behalf of Members from Ebonyi State, drew the attention of the House to a petition presented by Hon. Ikeagwuonu Onyinye Ugochinyere on Thursday, 6 March, 2025, alleging that the Governor of Ebonyi State masterminded the abduction and detention of one Comrade Igboayaka O. Igboayaka. He noted that Section 308 (1) of the Constitution of the Federal Republic of Nigeria, 1999 (as amended) confers immunity on State Governors from civil and criminal proceedings. He further noted that mandating

the Committee on Public Petitions to investigate a sitting Governor was a violation of the Constitution. He viewed the matter as a breach of his privilege and Members from Ebonyi State. He therefore urged the House to rescind its decision of referring the matter to the Committee on Public Petitions.

Mr Speaker noted the matter and ruled that appropriate action would be taken to address it.

15. Call for the Immediate Release of Innocent Citizens of Okuama Community in Ughelli South, Delta State and Rebuilding of the Community by the Nigerian Army

Motion made and Question proposed:

The House:

Recalls the unfortunate killing of 17 Soldiers on 14 March, 2024, whose lifeless bodies were discovered in Okuama Community in Ughelli South of Delta State, leading to the arrest of members and destruction of the community by officers of the Nigerian Army;

Concerned that since the unfortunate event happened, the perpetrators of the crime have not been arrested, thereby sending a wrong signal, especially in light of many reports in the press last year where the Chief of Defense Staff claimed that the military knows the perpetrators of the heinous act;

Also concerned that several innocent indigenes of the community, including the President General of the community, Prof. Arthur Ekpekpó, Hon. Chief Belvis Adogo, Mr Dennis Amlaka, Miss Owhemu Mabel, and Pa James Oghoroko, who died in custody, among others, were detained and have since been in detention;

Worried that this week marks the one-year anniversary of a tragic event, and the community members in the Army's custody have not been taken to court or released on bail;

Notes that the affected community requested that a judicial inquiry be made to look into the facts of the events, an option that was not considered;

Cognizant that the Committee on Defense conducted an investigation into the matter, which the Army refused to participate;

Aware that the Nigerian Army decided to conduct their own investigations, it is believed that by now, one year later, they should have had sufficient time to conclude investigations;

Resolves to:

- (i) urge the Nigerian Army to release:
 - (a) the investigation report,

- (b) the detained innocent members of the community or charge them to court;
- (ii) also urge the Nigerian Army to rebuild the homes destroyed in the wake of the incident;
- (iii) mandate the Committee on Defence to ensure compliance and report within four (4) weeks (*Hon. Waive Ejiroghene Francis — Ughelli North/Ughelli South/Udu Federal Constituency*).

17. Need to Determine Alternative Ways of Resettling or Integrating Indigenous and Non-Indigenous Persons Residing within the Federal Capital Territory (FCT)

Motion made and Question proposed:

The House:

Notes the initial misconception regarding the Federal Capital Territory as a no man's land and Decree 3 of 1976, which created the Federal Capital Territory and provided for the resettlement of persons within the territory; however, due to the high cost of implementation, the administration opted for part resettlement and integration;

Aware that most of the land, especially the portion known as the Federal Capital City has been provided with basic infrastructure;

Also aware that in some of areas, like parts of Garki, Jabi, Dakibu, Mabushi and Guzape have areas of planned and unplanned settlements coexisting;

Worried that the indigenous people are gradually being choked out by urbanization, which is also destroying the cultural and historical heritage of the natives, while the same areas are currently turning into slums and safe havens for criminal activities;

Also worried that the Department of Resettlement formulated five (5) resettlement policies and imitative at different times but have yielded little or no result;

Cognizant that if this trend is left unchecked, it can lead to serious problems in the future;

Resolves to:

- (i) urge the Federal Capital Territory Administration to formulate policies to guide the resettlement practices within the FCT;
- (ii) mandate the Committee on Federal Capital Territory Area Council and Ancillary Matters to liaise with the Minister of Federal Capital Territory and proffer alternative ways of Resettling

or Integrating Indigenous and Non-Indigenous persons residing within the Federal Capital Territory; and
