*Worried* that the situation has become embarrassing to the extent that, relatives of patients now bring power generators and solar inverter appliances to the hospital, as well as a donor gifting a high power generating set to aid the hospital services;

*Also worried* that the situation has taken toll on the psychological and emotional well-being of Nigerians, eroding trust in the governments' ability to provide basic services.

**Need to Investigate the Wanton Killings of Innocent Citizens, Kidnapping and Banditry in Most Parts of Owerri West and Some Parts of Owerri North in Owerri Local Government Area, Imo State:**

The House:

*Notes* that the security of lives and properties is the primary responsibility of government as enshrined in the Constitution of the Federal Republic of Nigeria, 1999 (as amended);

*Also notes* that despite reports in the past, killing of innocent citizens, kidnapping and banditry in most parts of Owerri West particularly in Avu, Oforola, N ekede, Ihiagwa, Obinze, Amakohia Ubi, Okolochi and some parts of Owerri North like Obibiezena, Agbala, Ulakwo in Owerri Federal Constituency not much have been done by security agencies to stop this unprovoked menace in these communities;

*Aware* that the State Governor, His Excellency Sen. Hope Uzodinma has made efforts through the Commissioner of Police and other security apparatus to fight this menace;

*Worried* that these attacks have escalated in recent years leading to humanitarian crisis and posing serious and endemic threat to national security, it is unacceptable that constituents particularly in Owerri West and Owerri North live in fear of violent attacks;

*Also worried* that the indigenes who are victims of these wanton killings, kidnapping and banditry may resort to self-help since they cannot stand by and allow the senseless killings continue unchecked;

*Resolves to:*

- (i) observe a minute silence in honour of those who have lost their lives to this wanton killings, kidnap and banditry;

**(iii) *Need for the Federal Government to Intervene in the Communal Clashes in Jahun/Miga Local Government Areas, Jigawa State:***

Hon. Saidu Yusuf Miga (*Jahun/Miga Federal Constituency*) introduced the matter and prayed the House to:

- (a) consider and approve the matter as one of urgent public importance; and
- (b) suspend Order Eight, Rule 5 (3) to allow debate on the matter forthwith.

*Question that the matter be considered as one of urgent public importance — Agreed to.*

*Question that the House do suspend Order Eight, Rule 5 (3) to enable it debate the matter forthwith — Agreed to.*

**Need for the Federal Government to Intervene in the Communal Clashes in Jahun and Miga Local Government Areas, Jigawa State:**

The House:

*Notes* that Gululu, Gidan Nagari, Markewa, and Yankunama are rural villages in Jahun and Miga Local Government Areas of Jigawa State, characterized by a savannah climate, with a strong focus on agricultural activities, trade and commerce;

*Also notes* that in December, 2024, there were communal clashes between the fulani herdsmen and farmers residing in Gululu, Gidan Nagari, Markewa, and Yankunama villages of Jahun/Miga Federal Constituency of Jigawa State, which resulted in the loss of at least 13 lives;

*Further notes* with grave concern that this persistent crisis between farmers and herders, with the most recent incident occurring at Gidan Nagari community on Sunday, 5 January, 2025, which again resulted in the loss of at least 11 lives, making about 24 lives lost in two clashes within two months, has inflicted a tragic toll on communities, marked by loss of lives and the destruction of homes and livestock;

*Aware* that the gravity of the situation necessitates swift and coordinated action of the federal government to restore peace, protect lives, and promote stability in Jahun/Miga Federal Constituency;

*Concerned* that herders and farmers have been at dagger drawn in Jahun and Miga local government areas of Jigawa State, and tragically, lives have been lost, families displaced, and homes reduced to ashes as the circle of violence persists;

*Also concerned* that the perennial strife which has created a volatile environment where animosity prevail, not only jeopardizes lives and properties but also hampers the socio-economic development of these communities and cast a shadow of instability over the affected villages;

*Worried* that as the circle of violence persists, efforts to mitigate tensions and promote sustainable peace has become an arduous task as the crisis has entrenched deep-seated animosities;

*Also worried* that the ever-present threat of violence and continuous clashes has created a climate of fear and mistrust, making it challenging to establish meaningful dialogue or constructive peace-building initiatives;

*Believes* that recognizing the severity, persistent and deep-rooted nature of the crisis, only a comprehensive intervention of the federal government can address the underlying issues, promote dialogue, and foster mutual understanding;

*Also believes* that in addressing the entrenched crisis between herders and farmers in Gu lulu, Gidan Nagari, Markewa, and Yankunama communities of Jahun/Miga Federal Constituency, the intervention of federal government institutions with expertise in conflict resolution and community reconciliation such as the Nigerian Police and the National Peace Commission, equipped with the mandate to promote peace and resolve conflicts across the nation, could play a pivotal role by deploying the Nigerian Police, trained mediators and conflict resolution specialists to the crisis region to facilitate dialogue between the warring factions;

*Resolves to:*

- (i) observe a minute silence in honour of those who lost their lives;
- (ii) urge the National Emergency Management Agency (NEMA) to assist in providing the people with relief materials to cushion the effect of the crisis;
- (iii) also urge the Executive Arm of Government to establish security presence in the affected communities of Gidan Nagari, Markewa, Gululu, and Yankunama;
- (iv) further urge the Executive Arm of Government through the Inspector General of Police to thoroughly investigate the immediate and remote causes of the unfortunate incident, and bring all perpetrators to book;
- (v) still urge the Executive Arm of Government to immediately assign the National Peace Commission to facilitate dialogue, mediate on and address the root causes of the crisis, by engaging with community leaders, local authorities and relevant stakeholders to ensure a sustainable resolution;
- (vi) mandate the Committee on Emergency and Disaster Preparedness to visit the affected areas, assess the damage, recommend measures to prevent future occurrence and report within four (4) weeks;
- (vii) also mandate the Committees on Police Affairs and Legislative Compliance to ensure compliance (*Hon. Saidu Yusuf Miga — Jahun/Miga Federal Constituency*).
